Dear Matt:

We want to express our concern over the property in a state of decay and disrepair at 1201 Porter. Our front windows look at it every day and it is truly an eyesore.

As you know, the homeowners in this neighborhood are working hard to improve our homes and streets.

It's discouraging to see a property literally sitting there and rotting. The grass appears to magically be cut only when  another hearing is coming up.

We hope that you will support the proposal to put Porter into the Spot Blight program.
