Hi Anne,

Hope all is well with you during this very challenging time.

I wanted to touch base on the Museum/VUU/VCU BRT station areas rezoning and the impacts it could have on Franklin Street. Wearing my hat as a board member and public policy chair for Preservation Virginia, we are very concerned about the potential impact of the proposed changes to B-4 as part of the rezoning and the impact it could have on the historic fabric of Franklin Street and on our headquarters at the Cole-Digges House at 204 W. Franklin in particular.

I understand this is coming before the Planning Commission on Monday. Do you have time for a quick check in later this afternoon or 330 or later tomorrow afternoon?

All the best,
Trip
