**RE:** To rezone the property known as 2201 East Franklin Street from the M-1 - Light Industrial District to the B-5 - Central Business District.

**ORD. OR RES. No.**

**PURPOSE:** To rezone the property known as 2201 East Franklin Street from the M-1 - Light Industrial District to the B-5 - Central Business District.

**REASON:** The applicant has requested a rezoning to the B-5 - Central Business District in order to accommodate mixed-use development on the parcel.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 21, 2016, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 0.492 acre (21,432 SF) parcel of land improved with an industrial building constructed, per tax assessment records, at the turn of the last century and a surface parking area. The property is located at the southeast corner of the intersection of North 22nd Street and East Franklin Street in the Shockoe Bottom neighborhood.

The subject property falls within an Urban Center Area of the Shockoe District, as established by the Richmond Downtown Plan. Such areas are "characterized by higher density, mixed-use development, typically arranged on a fine-grained street network, with wide sidewalks, regular tree planting, and minimal setbacks." Moreover, the Urban Center Area demonstrates "a dense mix of office space, apartments, and retail located in four to six-story brick buildings that front the street. Pedestrians have an active presence in these neighborhoods" (pp. 3.25-3.26).

The subject property is currently zoned M-1 - Light Industrial and is located within the St. John's Church City Old and Historic District.

Properties to the north of the subject property are zoned R-6 - Single-Family Attached Residential, properties to the east, south, and west are in the same M-1 district as the subject property. Property zoned in the B-5C - Central Business (Conditional) District are also located to the west of the subject property. A larger B-5 district encompasses many of the parcels surrounding the block on which the subject property is located.

A mix of multi-family residential, office, commercial, industrial, institutional, public-open space, and mixed-use land uses are present in the vicinity.
