Justification: Document whether this major change is mandatory or discretionary along with a summary statement.

Mandatory: Existing personnel cost of staff were not accounted for in the budget due to transition in the City Auditor's position during January when personnel cost were loaded by Budget. This change will actually reflect personnel cost of existing personal and the two funded audit staff from FY18 we are in the process of filling.

Mandatory: House Bill 283 Creates a separate office of the Inspector General. These two staff positions are to hire an Inspector General and one administrative support staff.

Definitions:

Mandatory: Federal, state, local law; court order; life, safety or health issue; matching grant.
