DR. ANTIONETTE V. IRVING, SHERIFF  
CITY OF RICHMOND

Residents Johnson, Bugg and Harris all completed their Cosmetology I course work. This course allowed them to gain a basic understanding of skills required to become a cosmetologist. They were required to demonstrate an understanding of procedures and methods to complete the following tasks: manicure/pedicure, facials, body massages, shampooing, rinsing, scalp and hair care, finger waving, hair styling, permanent waving, hair coloring, hair sculpting and bacteriology, makeup, haircutting and sanitation methods. (75 Hours Total)

Resident Moses completed his Barbering I course work. He gained the theoretical study of the structure and function of the skin, common skin disorders, and scalp and hair disorders are the focus of this semester. Hands on classes include providing facial massages, rendering plain facials, and barbering services such as cutting hair, styling hair, preparing customers for haircuts. The conduct required for a successful barber is stressed along with successful relationships with employers, clients, and coworkers. (75 Hours Total)

Resident Alexander is being featured again for now completing her Nail Technician I course work. She learned how to recognize healthy nails and skin as well as nail and skin disorders and provide services to enhance the look of their client's hands and feet by performing manicures, pedicures, applying sculptured nails, gel nails, nail tips and nail wraps using the latest nail technology while following proper sanitation, disinfectants, and safety procedures. She also learned how to handle the business aspects of this profession. (75 Hours Total)
