MASTER AGREEMENT

FOR USE OF

COMMONWEALTH TRANSPORTATION FUNDS

City of Richmond

This Master Agreement (“Agreement”), is made and executed as of the ___ day of _____, of 2025 between the Virginia Department of Rail and Public Transportation (“Department”), acting by and through its Director, and _____ City of Richmond _____ (“Grantee”) (collectively Department and Grantee referred to as “Parties”). On a case by case basis, the Parties will enter into a project specific agreement (“Project Agreement”) that includes the overall purpose for which grants are awarded (“Project”), the total cost of a Project, the Department and Grantee participation, Project time period, and any subsequent amendments thereto. This Agreement constitutes the terms and conditions governing receipt of grants provided by the Department and governs and is incorporated by reference in all Project Agreements approved by the Department. The terms of this Agreement shall apply to all actions such as executing a Project Agreement, requesting reimbursement, requesting extensions or other actions taken pursuant to complete a Project (“Grant Transactions”) from the date of this Agreement until a new Master Agreement for the use of Commonwealth transportation funds is executed by the Department and the Grantee. If there are any conflicting terms between this Master Agreement and a Project Agreement, the terms contained in this Master Agreement will control.

ARTICLE 1. PROGRAMS AND FUNDING

§ 1.1 This Agreement contains requirements that must be adhered to by the Grantee for all grants received from the Department.

§ 1.2 Funding is subject to annual appropriation by the Virginia General Assembly (“General Assembly”), allocation by the Commonwealth Transportation Board (“CTB”), and execution by the Parties of this Agreement and an associated Project Agreement. For any grants administered by the Department, the CTB or the General Assembly may change the percentage of the local share that can be financed by Commonwealth transportation funds to a higher or lower percentage than set forth in the Project Agreement. In the event such a change occurs, the applicable percentage will be the new

percentage set by the CTB or the General Assembly. All Eligible Project Costs incurred prior to the date of the change will be governed by the previous percentage.

§ 1.3 In the event that the Grantee receives a subsequent allocation of funding from the Commonwealth of Virginia (“Commonwealth”) other than the Department, or receives Federal funding for a Project, the allocation of grant funds originally allocated for that Project shall be reduced by the amount of the subsequent allocation of Commonwealth or Federal funding. Within thirty (30) days of receipt, the Grantee shall notify the Department in writing when a subsequent allocation of Commonwealth or Federal funding is received.

§ 1.4 The Grantee shall provide funds from sources other than Federal funds, except as may otherwise be authorized by Federal statute, in an amount sufficient, together with the grant funding governed by this Agreement, to assure payment of the total cost of the Project. The Grantee further agrees that no refund or reduction of the amount so provided will be made at any time, unless there is at the same time a refund and/or de-obligation to the Department of a proportional amount of the grant funds paid or to be paid by the Department. The Grantee is obligated to provide its share of Project cost as detailed in the Project Agreement.

§ 1.5 Payment of funds by the Department pursuant to a Project Agreement shall not exceed the Department funding amount identified in the applicable Project Agreement.

ARTICLE 2. ELIGIBLE PROJECT COSTS

§ 2.1 The Grantee agrees to incur costs in accordance with Project Agreements and this Agreement (“Eligible Project Costs”). The Department shall provide reimbursement of Eligible Project Costs submitted by the Grantee in proportion to the percentage of total funding to be provided by the Department pursuant to the Project Agreement. All expenses for which the Grantee seeks reimbursement by the Department shall be charged at the actual cost(s) to the Grantee with no Grantee markup.

§ 2.2 Eligible Project Costs must meet the following requirements:

- A. Be necessary in order to accomplish the Project as identified in an associated Project Agreement;
- B. Be reasonable for the goods or services purchased;
- C. Be actual net costs charged to the Grantee (i.e., the price paid minus any refunds, rebates, salvage, or other items of value received by the Grantee which have the effect of reducing the cost actually incurred and paid);
- D. Be incurred during the time period specified in the associated Project Agreement;
- E. Be in accordance with 2 C.F.R. Pt. 200 Subpart E, if applicable;
- F. Be based on a cost allocation plan that has been approved in advance by the Department if the costs are indirect costs;
- G. Be documented in accordance with the terms of this Agreement;
- H. Be treated uniformly and consistently under generally accepted accounting principles; and
- I. There must be sufficient remaining allocated Commonwealth transportation funds pursuant to the associated Project Agreement to make the requested reimbursement.

Costs incurred by the Grantee to correct deficiencies in a Project, including costs related to the Grantee's failure to comply with the terms of this Agreement or a Project Agreement, do not qualify as Eligible Project Cost. The Department shall make the final determination as to whether costs submitted for reimbursement qualify as Eligible Project Costs.

ARTICLE 3. REIMBURSEMENT OF GRANTEE

§ 3.1 Some Projects involving operating costs will require payment based on a schedule. Payment schedules for such projects will be detailed in the Project Agreement. The Department will make payment to the Grantee of the Department's share of scheduled payments as outlined in the Project Agreement. For other Projects not subject to a schedule of payments, grant funds will be distributed by the Department to the Grantee on a reimbursement basis.

§ 3.2 The Grantee shall submit requests for reimbursement using the form ("Project Reimbursement Form") provided by the Department through the Department's grant administration system. The Grantee shall submit Project Reimbursement Forms no more frequently than once a month and within 90 days from incurrence of Eligible Project Costs. Project Reimbursement Forms must be supported by third party evidence. The Department shall have the right to request additional details. The Grantee shall provide information within 30 days of the Department's request for additional information. The Department will make reimbursement of approved Eligible Project Costs within 30 days of the Department's receipt and approval of Grantee's Project Reimbursement Form. The Grantee shall submit its final reimbursement request to the Department within 90 days of expiration of funding for the Project Agreement.

§ 3.3 The Department shall have the right, in its sole discretion, to withhold reimbursement for Project Reimbursement Forms or line items in Project Reimbursement Forms found to be incomplete or not in conformance with the requirements of this Agreement or the associated Project Agreement. The Department will notify the Grantee of the basis for withholding total or partial reimbursement and will work with the Grantee to resolve disputed items.

§ 3.4 Reimbursement by the Department is not a waiver of Department's claim that said reimbursement request violates this Agreement or Project Agreement. Reimbursement is not a final decision by the Department as to validity of the cost as an Eligible Project Cost.

§ 3.5 Any reimbursement paid to the Grantee by the Department not in accordance with the provisions of this Agreement, associated Project Agreement, or Federal, State, or local law, shall be repaid to the Department by the Grantee within 60 days of the Department's written notice to the Grantee of the repayment obligation.

§ 3.6 The Grantee is responsible for payment of all third-parties performing work on behalf of the Grantee ("Contractors"). The Grantee shall attach copies of Contractors' invoices to each Reimbursement request.

§ 3.7 The Grantee shall remit payment to Contractors within five business days of receipt of reimbursement from Department. If, for any reason, the Grantee does not remit payment to Contractor within five days, the Grantee shall immediately notify the Chief Financial Officer of the Department ("CFO") in writing, inform the CFO why such payments were not made and, if applicable, of the date Grantee will remit payment to its Contractors, and deposit the reimbursement funds received in an interest bearing account. The Grantee shall use all interest proceeds toward the Project, reducing the funding obligation of the Department outlined in the Project Agreement. Depending upon the Grantee's revised Contractor payment date, the Department may require the Grantee to repay the funds to the Department. If the Grantee fails to comply with this provision, the Department will require the Grantee to prepay Contractors prior to submitting Project Reimbursement Forms.

§ 3.8 With the exception of debt service specifically identified in a Project Agreement, the Grantee may not seek reimbursement for interest payments or charges on debt financing vehicles used to fund Projects.

ARTICLE 4. LAPSE OF FUNDS

§ 4.1 A Project Agreement obligates the Grantee to undertake and complete a Project within the period from the Project Start Date to the Project Expiration Date as identified in the Project Agreement. The

Department shall not provide any Reimbursement for any expenses incurred after the Project Expiration Date or for any expenses submitted 90 days after the Project Expiration Date.

§ 4.2 The Grantee's submission of a Project Reimbursement Form marked "Final," is Grantee's certification that it has completed the Project.

§ 4.3 The Department will withdraw any remaining Commonwealth transportation funds allocated for the Grantee's Project for which a final Project Reimbursement Form has been submitted and paid and/or after the Project Expiration Date. Withdrawn funds will be allocated to other projects.

ARTICLE 5. MAINTENANCE OF RECORDS

§ 5.1 The Grantee shall maintain all books, accounting records, and any other documents supporting the Grantee's activities and costs for every Project Agreement in accordance with federal and state laws and regulations. The Grantee shall maintain such records for four years from the end of the state fiscal year (June 30) in which the final payment is made.

The Grantee shall maintain records pertaining to facilities for the Useful Life of the facility. The Grantee shall maintain records pertaining to land in perpetuity. The Grantee shall require Contractors to similarly maintain their books, accounting records, and any other documents supporting the Contractors' activities and costs incurred, and require Contractors contain a similar provision in their contracts with subcontractors.

ARTICLE 6. AUDIT AND INSPECTION OF RECORDS

§ 6.1 The Grantee and Contractors shall permit the authorized representatives of the Department to inspect and audit their records related to the performance of this Agreement. Acceptable records are original documents (such as timesheets, travel reimbursements, invoices, receipts, etc.) that are the basis of entries on the Payment Reimbursement Forms. The Department may require the Grantee to furnish certified reports of all expenditures under any contracts or subcontracts.

§ 6.2 If applicable, the Grantee must follow the requirements of 2 C.F.R. pt. 200, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”, including the audit and record keeping requirements set forth therein and applicable federal law. Grantees spending less than the statutory threshold amount of Federal assistance during any one fiscal year are not required to undergo a Single Audit, as defined by 31 U.S.C. § 7501, unless specifically requested by the Department. All Grantees must maintain auditable records and adequate supporting documentation. The Department reserves the right to require any recipient of Commonwealth funds to undergo an audit the scope of which will be defined by the Department and performed on any matter relating to a Project Agreement.

§ 6.3 If an independent Certified Public Accountant, other auditor, the Department, or any other party conducting an authorized audit finds the Grantee to be out of compliance with any provision of this Agreement, any Project Agreement, any relevant Federal, State, or local law or regulation, or applicable accounting standard or principle, the Grantee must provide a satisfactory corrective action plan to the Department within 60 days of notification of that finding. The scope of any audit conducted must include expenditures made by Contractors and any other recipients of pass-through funds.

§ 6.4 The Grantee agrees if any audit finds payments by the Department were (1) unsupported by acceptable records, or (2) in violation of any other provisions of this Agreement or associated Project Agreement, within 60 days of audit findings, the Grantee will promptly refund unsupported payments or payments found in violation.

§ 6.5 The Grantee must submit audited financial statements to the Department within six months following the end of the Grantee’s fiscal year to WebGrants or other system designated by the Department.

§ 6.6 The Grantee shall include language consistent with this Article in its contracts with Contractors to provide the Department the same access to Contractors' books and records, and requiring the Contractors to include language consistent with this Article in all subcontracts.

ARTICLE 7. PROCUREMENT OF SERVICES

§ 7.1 If the Grantee is not subject to the Virginia Public Procurement Act, then the Grantee shall utilize, and require its Contractors to utilize, competitive processes as follows:

- .1 for procurement of professional services as defined by § 2.2-4301 of the *Code of Virginia* (1950), as amended – a competitive negotiation process acceptable to the Department that is similar to applicable portions of the process set forth in §§ 2.2-4302.2 and 2.2-4303.B of the *Code of Virginia* (1950), as amended. Additional information regarding procedures for procurement of professional services can be found at §§ 2.2 and 3.1 of the most recent edition of the Commonwealth's Construction and Professional Services Manual ("CPSM");
- .2 for procurement of construction services, a nonprofessional service as defined by § 2.2-4301 of the *Code of Virginia* (1950), as amended – a competitive bidding process acceptable to the Department that is similar to applicable portions of the process set forth in §§ 2.2-4302.1 and 2.2-4303.D of the *Code of Virginia* (1950), as amended. Additional information regarding procedures for procurement of construction services can be found at § 7.1 of the most recent edition of the CPSM; and
- .3 for procurement of nonprofessional services other than construction services as defined by § 2.2-4301 of the *Code of Virginia* (1950), as amended – a competitive sealed bidding or a competitive negotiation process acceptable to the Department that is similar to applicable portions of the processes set forth in §§ 2.2-4302.1, 2.2-4302.2, and 2.2-4303.C of the *Code of Virginia* (1950), as amended.

§ 7.2 The Department reserves the right to review and approve, in advance, any request for proposals or solicitation to bid. The Department also reserves the right to require that the Grantee not execute any contract, amendment, or change order thereto, or to obligate itself in any manner with any third party with respect to the Grantee's rights, duties, obligations, or responsibilities under this Agreement or any Project Agreement unless and until authorized to do so in writing by the Department.

ARTICLE 8. ASSIGNMENTS

§ 8.1 Assignment of any portion of this Agreement or of any Project Agreement must be preapproved by the Department in writing.

ARTICLE 9. TERM, ENTIRE AGREEMENT, AND AMENDMENT

§ 9.1 This Agreement shall be effective immediately upon its execution.

All prior or contemporaneous verbal or written agreements, understandings, representations, and/or practices relative to the foregoing are hereby superseded, revoked and rendered ineffective for any purpose.

§ 9.3 The execution of this Agreement and any associated Project Agreements may include electronic signatures using Personal Identification Number (PIN) based access.

§ 12.3 Within five days of occurrence, the Grantee will provide the Department written notice and documentation of the Force Majeure Event requesting relief necessary, and detailing required additional investigation, and analysis to determine extent of delay and remedy. ARTICLE 14. CONFLICT OF INTEREST

§ 14.1 The State and Local Government Conflict of Interests Act, § 2.2-3100 *et seq.* of the *Code of Virginia* (1950), as amended, shall apply if the Grantee is a local or state government, or a local or state governmental agency, commission, or authority.

.1 The following definitions shall apply concerning conflict of interest provisions in this Agreement and any associated Project Agreement:

“Contract” or “agreement” means any agreement, including any contract or subcontract, whether written or not, to which the Grantee is a party, or any agreement on behalf of the Grantee, including any contract or subcontract, which involves the payment of funds appropriated by the General Assembly of Virginia distributed pursuant to or subject to this Agreement or any associated Project Agreement.

“Employee” means any person employed by the Grantee, whether full time or part time.

“Thing of pecuniary value” means any thing having a monetary value including gifts, loans, services, securities, tangible objects, and business and professional opportunities.

.2 Other than the salary and remuneration received from the Grantee as a normal attribute of employment with the Grantee, no employee of the Grantee shall solicit, offer to accept, or accept, any money or other thing of pecuniary value or financial benefit or advantage, for the employee or for any other person:

- a. in consideration of the use of the employee’s position or status with the Grantee to obtain for any person or business any employment with or any contract with the Grantee or with any Contractor, subcontractor, or supplier of the Grantee, including any consulting or professional services contract.
- b. from any person or business other than the Grantee for performing any services for the Grantee in connection with any projects funded pursuant to or subject to this Agreement or any Project Agreement written hereunder.

- c. from any person or business other than the Grantee for rendering any decision or directing any course of action in connection with any Projects funded pursuant to or subject to this Agreement or any Project Agreement.

.3 If any contract is obtained in violation of this Article or if the terms of this Article are violated, the Department may require the Grantee to take whatever legal action is necessary to rescind, void, invalidate, or cancel such contract or other action taken and/or to recover any funds paid in violation of the provisions of this Article, and remit recovered funds to the Department.

ARTICLE 15. COVENANT AGAINST CONTINGENT FEES

§ 15.1 The Grantee warrants that it has not, and shall not, employ or retain any company or person, other than a bona fide employee working solely for the Grantee, to solicit or secure a Project Agreement, and that it has not, and shall not, pay or agree to pay any company or person, other than a bona fide employee working solely for the Grantee, any fee, commission, percentage, brokerage fee, or other considerations, contingent upon or resulting from the award or making of a Project Agreement. Upon breach or violation of this Article, the Department shall have the right to terminate this Agreement or any Project Agreement pursuant to Section 11.4 of this Agreement.

ARTICLE 16. NON-DISCRIMINATION AND SEXUAL HARRASSMENT TRAINING

§ 16.1 In the solicitation or awarding of any contracts directly related to this Agreement or any associated Project Agreement, the Grantee shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by Virginia law relating to discrimination in employment.

§ 16.2 During the performance of this Agreement or any associated Project Agreement, the Grantee agrees as follows: (a) the Grantee will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis

prohibited by Virginia law relating to discrimination in employment. The Grantee agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; (b) the Grantee, in all solicitations or advertisements for employees placed by or on behalf of the Grantee, will state that the Grantee, where applicable, is an equal opportunity employer. Notices, advertisements and solicitations placed in accordance with Federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

§ 16.3 During the performance of this Agreement or any associated Project Agreement, the Grantee agrees as follows: 1. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin, except where religion, sex, or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause, including the names of all contracting agencies with which the contractor has contracts of over \$10,000; 2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that such contractor is an equal opportunity employer. However, notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this chapter; 3. If the contractor employs more than five employees, the contractor shall (i) provide annual training on the contractor's sexual harassment policy to all supervisors and employees providing services in the Commonwealth, except such supervisors or employees that are required to complete sexual harassment training provided by the Department of Human Resource Management, and (ii) post the contractor's sexual harassment policy in (a) a conspicuous public place in each building located in the Commonwealth that the contractor owns or leases for business purposes and (b) the contractor's employee handbook. The contractor shall include

the provisions of subdivisions 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that such provisions shall be binding upon each subcontractor or vendor.

§ 16.4 In all solicitations, either by competitive bidding or negotiation made by the Grantee for work to be performed under a contract, including procurement of materials or equipment, each potential Contractor shall be notified by the Grantee of the Grantee's obligations under this Agreement and the regulations relative to nondiscrimination on the grounds of age, race, religion, sex, color, disability or national origin.

ARTICLE 17. DRUG-FREE WORKPLACE

§ 17.1 During the performance of this Agreement and any Project Agreement, the Grantee agrees to (a) provide a drug-free workplace for its employees; (b) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition; (c) state in all solicitations or advertisements for employees placed by or on behalf of the Grantee that the Grantee maintains a drug-free workplace; and (d) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Agreement.

ARTICLE 18. SMALL, WOMEN, AND MINORITY (SWAM) BUSINESSES

§ 18.1 The Grantee is encouraged to seek and use Small, Women, and Minority (“SWAM”) enterprises in relation to any Project Agreement issued pursuant to this Agreement. § 2.2-4310 of the *Code of Virginia* (1950), as amended, addresses SWAM enterprises.

ARTICLE 19. PERSONS WITH DISABILITIES

§ 19.1 The Grantee, its agents, employees, assigns or successors, and Contractors, shall comply with the provisions of the Virginians with Disabilities Act (§ 51.5-40 through § 51.5-46 of the *Code of Virginia* (1950), as amended), the terms of which are incorporated herein by reference.

ARTICLE 20. NONRESTRICTIVE CLAUSE

§ 20.1 Solicitation documents will be based upon clear and accurate descriptions of the technical requirements for the material, product, or service to be procured. The descriptions will not contain features that unduly restrict competition.

ARTICLE 21. SPECIFIC PROJECT CONSIDERATIONS

§ 21.1 The Americans with Disabilities Act (“ADA”) established universal access by requiring complementary paratransit services to be provided for visitors if they have been certified as “ADA paratransit eligible” by a public entity. If the Grantee provides paratransit services, the Grantee must honor the certification of a visitor qualified by another public entity for a period of 60 days during a calendar year. The visiting rider shall not have to provide any additional documentation, or participate in interviews or any other reviews to gain the complementary certification. § 21.2 Any motor vehicles purchased under this grant shall comply with Motor Vehicle Safety Standards as established by the United States Department of Transportation and with the Motor Vehicle Standards of the *Code of Virginia* (Title 46.2).

§ 21.3 The Department requires a systematic, multi-disciplined approach design to optimize the value of each dollar spent on a Project through the engagement of a team of architects, engineers or other professionals to identify, analyze and establish a value for a function of an item or system Value Engineering (“VE”) for any project with a total cost in excess of \$10 million (“Major Capital Projects”). A Major Capital Project is usually identified during the application review process. VE for a Project should be performed early in the design process before major decisions have been completely incorporated into the design, at or near the end of preliminary engineering (“PE”) or at 30 percent of design. Some large or complex projects may require more than one VE study over their duration. For Major Capital Projects, upon completion of the VE phase, the Grantee shall submit the VE report to the Department. The Department may also require that VE be performed on individual Projects that do not qualify as Major Capital Projects. The Grantee is encouraged to conduct VE on all Projects for construction, including bus maintenance and storage facilities, as well as on those Projects regarding revenue railcar acquisition and rehabilitation.

§ 21.4 The Department encourages the Grantee to confer with other transit operations and maintenance experts in order to benefit from their experiences and to improve the performance of the process or product being reviewed (“Peer Review”). Although the Grantee is encouraged to conduct a Peer Review with all capital projects, the Department may require Peer Review in some instances.

§ 21.5 The Grantee is encouraged to perform crime prevention reviews during the design phase of all Department-funded transit facilities with particular focus on the incorporation and use of crime prevention through environmental design techniques. This review should be carried out as a project intended to improve and increase the safety and security of an existing or planned transit system or

facility for both transit patrons and transit employees. The level of the review should complement the size and scope of the Project. Local crime prevention professionals should be included in the review process. Review documentation should remain on file by the Grantee and be available for Department review upon request.

ARTICLE 22. SPECIAL CAPITAL PROVISIONS

§ 22.1 The purchase of all equipment and services, and the construction of any facilities financed in whole or in part pursuant to a Project Agreement (“Project Equipment” and “Project Facilities”), shall be undertaken by the Grantee in accordance with this Agreement, Virginia law, and accepted good business practices. All plans, specifications, estimates of costs, award of contracts, performance and acceptance of work, and procedures in general are subject at all times to all applicable laws, rules, regulations, and orders. The Department reserves the right to review and approve all solicitations for purchase of equipment, facilities, and services prior to their issuance by the Grantee.

§ 22.2 The Grantee agrees that the Project Equipment and Project Facilities shall remain in service in the area and be used for the purpose for which they were purchased for the duration of the Useful Life. Useful Life will be defined by the Grantee utilizing Generally Accepted Accounting Principles, Internal Revenue Service or other industry practice standard agreeable to Department. If any Project Equipment or Project Facilities is not used for the intended purpose defined in the Project Agreement during the Project Equipment’s and Project Facilities’ Useful Life, the Grantee shall immediately notify the Department. In the case of Project Equipment, the Department shall have the option of requiring the Grantee either to transfer title to the Project Equipment to the Department or to remit to the Department an amount equal to a proportional share of the fair market value remaining in the Project Equipment based upon the Department’s ratio of participation detailed in the Project Agreement. In the case of Project Facilities, the Grantee shall remit to the Department the proportional share of the remaining fair

market value of the Project Facilities based upon the ratio of the Department's participation detailed in the Project Agreement. The Grantee shall keep records of the use of the Project Equipment and Project Facilities for review by the Department upon request.

§ 22.3 At any time, the Grantee shall permit the Department or its authorized representatives to inspect all vehicles, Project Facilities and Project Equipment; all transportation services rendered by the Grantee using such vehicles, Project Facilities or Project Equipment; and all relevant Project data and records.

§ 22.4 The Grantee shall maintain, in amount and form satisfactory to the Department, and in accordance with the laws of the Commonwealth, such insurance or self-insurance adequate to protect Project Facilities or Project Equipment and persons using such Project Facilities or Project Equipment throughout their use. The Department will be named as an additional insured.

§ 22.5 With regard to contracts for construction or facility improvement totaling less than \$250,000, the Grantee shall follow its own requirements relating to bid guarantees, performance and payment bonds. For contracts in excess of \$250,000, the Grantee shall adhere to the following minimum requirements:

- A bid bond from each bidder from a surety company legally authorized to do business in Virginia. The amount of the bid bond shall not exceed five percent (5%) of the bid price. This bid bond is a guarantee that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.
- A performance bond for 100% of the contract price.
- A payment bond for 100% of the contract price.
- In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check in the amount required for the bond.
- The Grantee shall seek Department approval of its bonding policy and requirements if they do not comply with these criteria.

§ 22.6 When any motor vehicle is purchased with funds supplied by the Department pursuant to this Agreement or any associated Project Agreement, the Department reserves the right, in its sole discretion, to require that a lien or security interest be placed upon the title of said vehicle to secure the amount of the funds supplied by the Department, with the lien or security interest to be perfected and recorded upon the certificate of title in the manner prescribed by law, with the certificate of title to be sent to the Department.

ARTICLE 23. MISCELLANEOUS PROVISIONS

§ 23.1 This Agreement and any Project Agreement shall, in all respects, be governed by the laws of the Commonwealth without giving effect to its principles of conflicts of law. Nothing in this Agreement or any Project Agreement shall constitute a waiver of sovereign immunity. Any legal action concerning this Agreement or any Project Agreement shall be brought in the Circuit Court of the City of Richmond, Virginia.

§ 23.2 The Grantee shall comply with all of the requirements specified in an associated Project Agreement, as well as all applicable Federal, State, and local law and regulations.

§ 23.3 If any term or provision of this Agreement or any Project Agreement is determined to be invalid, illegal or unenforceable, it shall not affect the legality, validity, or enforceability of any other part of this Agreement, and the remaining parts of this Agreement or any Project Agreement shall be binding upon the Parties.

§ 23.4 All provisions of this Agreement and any Project Agreement shall be binding upon the Parties and their respective successors and assigns.

§ 23.5 Upon the Department's request, the Grantee shall appoint one principal representative selected by the Department to the oversight board of any public transit service provider on which the Commonwealth is not already represented by a principal member and which benefits from state funding provided to the Grantee. If the members of an oversight board are determined through public election,

or if complying with this requirement will violate a federal or state statute or General Assembly authorization, this provision shall not apply.

§ 23.6 The Grantee shall adhere to the current grant administration requirements issued by the Department and if required by the Department maintenance of asset inventory and performance reporting through the Department's web-based grant management system.

§ 23.7 Any repayment by the Grantee to the Department for funds granted by the Department pursuant to this Agreement and any associated Project Agreement shall also require the payment of interest using the prevailing statutory legal rate of interest established by the Virginia General Assembly, calculated from the date Reimbursement was made by the Department to date of repayment by the Grantee.

§ 23.8 All covenants and provisions of this Agreement shall be made expressly a part of any contracts executed by the Grantee, and shall be binding on the Contractors, their agents, and employees.

ARTICLE 24. UNAUTHORIZED ALIENS

§ 24.1 The Grantee certifies that it does not, and that it shall not, during the performance of this Agreement and any Project Agreement, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986 (the "Act"). The Grantee will also contractually require any Contractors who participate in any Project funded pursuant to this Agreement and any Project Agreement to comply with this provision. Unauthorized alien means, with respect to the employment of an alien (which is defined as any person not a citizen or national of the United States), at a particular time, that the alien is not at that time either (a) an alien lawfully admitted for permanent residence, or (b) authorized to be so employed by the Act or by the United States Attorney General.
