Subject: SUP - alley between Floyd and Elwood

CAUTION: This message is from an external sender - Do not open attachments or click links unless you recognize the sender's address and know the content is safe.

My wife and I are 20+ year residents at 3414 Floyd Ave. We are in opposition to the proposed SUP. Placing residential units on land without street frontage places burdens on the alleys that were never intended in terms of traffic and parking. It also interferes with the privacy of people in the rear of their property.

This sets a dangerous precedent and should not be allowed.
