RE: Adoption of the Richmond-Crater Multi-Region Hazard Mitigation Plan

ORD. OR RES. No. _____

PURPOSE: This resolution is to promulgate the adoption of the updated Richmond-Crater Multi-Regional Hazard Mitigation Plan ("HMP") by City Council.

REASON: The Disaster Mitigation Act of 2000 requires City Council to approve and re-adopt the HMP every five years. Adoption of the Hazard mitigation plan is necessary for pre and post-disaster hazard mitigation grant program eligibility and to assist governments identify risks, vulnerabilities, and projects to reduce these risks and vulnerabilities

RECOMMENDATION: The Administration recommends that the City Council approves and adopts the HMP.

BACKGROUND: The Federal Emergency Management Agency ("FEMA") must approve and adopt the HMP, in order for the City to be eligible for federal disaster relief funds. FEMA-required hazard mitigation plans, including the HMP, must be updated and readopted every five years. The new HMP is an update to the hazard mitigation plan adopted by the City in 2017.

Plan RVA and the Crater Planning District Commission convened a joint Hazard Mitigation Steering Committee and Working Group (the "Committee and Working Group"). This Committee and Working Group included representatives from participating localities including the City of Richmond. The Committee and Working Group met several times throughout the planning process with consultants to create this multi-regional plan update. Public input was included throughout the update process in accordance with Federal requirements.

FISCAL IMPACT / COST: N/A. The HMP will be available electronically.

FISCAL IMPLICATIONS: Failure to adopt will result in ineligibility of Federal Mitigation Funds.

BUDGET AMENDMENT NECESSARY: N/A.

REVENUE TO CITY: No direct revenue to the city.

DESIRED EFFECTIVE DATE: Upon adoption.

REQUESTED INTRODUCTION DATE: September 26, 2022

CITY COUNCIL PUBLIC HEARING DATE: October 10, 2022

REQUESTED AGENDA: Consent agenda.
