I am an environmental communications consultant with a Master's Degree in environmental science. I have worked with many organizations and municipalities to inform stakeholders about environmental initiatives and programs. A central component to all of these efforts is to ensure that stakeholder engagement is inclusive and sensitive to a diverse spectrum of cultural, societal, and economic backgrounds.

List other city of Richmond Authorities, Boards, Commissions or Task Forces you currently or have previously served on. Please give date(s) and office(s) held, if applicable.

I have a Master's degree in environmental science, co-authored a book (Speaking of the Environment) about environmental communication, and own an environmental consulting company that is based here in Richmond. I have a broad understanding of the environmental impacts of urban and suburban areas, particularly as they relate to the health of adjacent streams, rivers and the Chesapeake Bay. I am a strong proponent of programs that will make Richmond resilient to the impacts of climate change as well as be inclusive and protective of everyone who calls Richmond home.

Groundwork RVA is a community-based organization and my work there has contributed to the creation of multiple community green spaces, literally hundreds of trees being watered so they survived their first years after planting, as well as supporting dozens of young people each year to find their way into healthy relationships with the outdoors. We have also been at the center of the climate justice conversation in Richmond, highlighting the impact of urban heat islands on previously red-lined neighborhoods. Our Climate Safe Neighborhoods project, in partnership with the Science Museum of Virginia was one of the first to map these impacts directly onto the legacy of disinvestment suffered by many of our communities over the years.

I have lived in Richmond since 2005, both the Museum District and Woodland Heights. I drive a car and I ride a bicycle. I follow developments in the City that impact pedestrians, cyclists, and drivers very carefully, and I always participate in surveys. I appreciate the City's commitment to Vision Zero, and I would like to get involved in governance surrounding the issues that make our City safer to get around in.

List other city of Richmond Authorities, Boards, Commissions or Task Forces you currently or have previously served on. Please give date(s) and office(s) held, if applicable.

I have been a bicycle and car commuter for over 30 years. I think my current awareness of the issues in Richmond is very high (although I am sure I have a lot to learn). I am very passionate about the issues surrounding safe and efficient transportation for everyone, and I am eager to serve the City of Richmond. I have a BA in Biology (1993, Dominican University) and a PhD in Ecology (1999, Colorado State). I have taught Environmental Studies, and I am well-versed in concepts related to green transportation.

Richmond Redevelopment and Housing Authority Vacancy Chart

*as of
May 7, 2023*

Section 5.05(d) of the Charter of the City of Richmond (2006) expressly provides that “the appointment of members of a redevelopment and housing authority in the city shall be made by the council.” Section 36-11 of the Code of Virginia (1950) authorizes the Council to provide for not more than nine or less than five commissioners of the Authority. By Resolution No. 99-R46-80, adopted March 22, 1999, the Council increased the number of commissioners from five to seven as authorized by section 36-11 of the Code of Virginia (1950). Resolution No. 2010-R140-162, adopted October 25, 2010, increased the number of commissioners from seven to nine with the addition of a Council-appointed seat and an additional tenant representative seat.

Pursuant to section 36-11 of the Code of Virginia (1950), no commissioner of the Authority may be an officer or employee of the City. By Resolution No. 2003-R230-2004-R18, adopted January 12, 2004, the Council established a procedure to be followed for appointing one member living in public or assisted housing to serve on the Authority’s Board of Commissioners as required by the regulations of the United States Department of Housing and Urban Development. This resolution was further amended by Resolution No. 2010-R141-173, adopted November 8, 2010, which revised the process of appointing the tenant representatives to the board.
