SUBJECT: TO ESTABLISH A RESIDENTIAL PERMIT PARKING DISTRICT IN THE RANDOLPH NEIGHBORHOOD

ORD. OR RES. No. _____

PURPOSE: To authorize the Chief Administrative Officer (CAO) in conjunction with the Department of Public Works (DPW), to establish a residential permit parking district in the Randolph Neighborhood.

REASON: Growth and development in the Randolph Neighborhood has created parking spillover which impeded residents from finding a parking within close proximity of their homes.

RECOMMENDATION: Approval is recommended by the City Administration.

BACKGROUND:

DPW Staff attended numerous meetings with representatives from the Randolph Neighborhood Association (RNA) regarding creation of a residential permit parking district for several years. In 2018, a group of Randolph resident's reconstituted the discussion of creating a residential permit parking district. After numerous meetings, the RNA developed a petition outlining their proposed parking district restrictions. The RNA discussed the creation of the residential permit parking district at various community meetings and developed the parking restrictions at the May 16, 2018 meeting. The membership voted to limit 3 parking decals per household and 1 visitor pass per homeowner.

On July 16, 2018, RNA and the members in attendance voted unanimously to approve the petition. RNA members were also present and available to discuss the petition during their National Night Out event on August 17, 2018.

DPW has reviewed RNA's petitions and surveyed the proposed designated areas to determine qualification. The following outlines the qualifiers that have met the criteria;

1. A majority (great than 50%) of the household petition was obtained - 64%.
2. The occupancy study had 2 counts that were greater than 75% - 76% and 82%.
3. The number of vehicles not registered in the boundaries of the proposed district was 80%.

The following blocks will be included in the RNA's Residential Permit Parking District:

- Both sides of 1200 Dance Street
- Both sides of 1300 Dance Street
- Both sides of 1100 Wallace Street
- Both sides of 1200 Wallace Street

Petition for Randolph Residential Parking District
Block Number: 1804MD 180; Direction: N/A; Street Name: IDLEWOOD AVE

By signing below, I indicate my support for my block face's inclusion in the proposed residential parking district, as endorsed by the Randolph Neighborhood Association. I understand that the proposed Residential Parking District has a minimum requirement of 10 contiguous block faces. If a majority of homeowners and renters in this residential district and my block face endorses this parking proposal, and if the ordinance is adopted by City Council, the City will install restricted permit parking signs on my block face. When this occurs, in order to park in the restricted parking zones for an unlimited period of time, I will be required to purchase a residential parking district decal for \$25.00 annually for each of my vehicles. Visitor passes per household will be available at \$35.00 each per year. The number of permit parking decals and visitor passes a residence may purchase was established by a Randolph Neighborhood Association subcommittee, as follows: Residents are limited to 3 parking decals per household and 1 visitor passes per homeowner.

The following are the residential parking district guidelines approved by the Randolph Neighborhood Association on May 16, 2018:

- There will be a one-hour and two-hour parking limits on designated block faces located within the district, as well as any additional block faces receiving the approval of the Randolph Neighborhood Association.
- Please review the attached map.
- Parking restrictions apply Monday through Friday, 7:00 AM - 9:00 PM.
- Restrictions do not apply on weekends.
- Residents and their guests with a restricted parking decal, visitor's pass, or courtesy permit are not subject to any restrictions.
- A resident's block face will be included in the district only if a majority of the households in his/her block face approves the petition and requests inclusion in the restricted parking district.
