ORDINANCE/RESOLUTION SUMMARY

The patron request is to amend Ord. 2021-40, adopted May 24, 2021, which adopted the Fiscal Year 2021-2022 General Fund Budget to change the uses and allocation of the Council District Funds for the Seventh District and amends the Seventh District FY22 Anticipated Council District expense list.

BACKGROUND

The purpose of this amendment is to comply with requirements of Va. Code Section 15.2-2503, which requires that a locality's budget stipulate how local governing body discretionary funds will be used. This Section allows individual members of the governing body to propose amendments during the fiscal year to change the uses and allocation of those discretionary funds.

The Seventh District FY22 Anticipated District Expense List in the current budget ordinance, adopted May 24, 2021, does not specifically include a category for

Meetings/Events and a category for Grants. The purpose of this proposal is to allow clear authority to make such expenditures by including the categories, Grants and Meetings/Events, to make such expenditures by amending the Seventh Council District FY22 Anticipated Expense List.

For expedited introduction on May 23, 2022.
