RE: Authorization for The Second Cooperation Agreement by and between the City of Richmond and the Economic Development Authority of the City of Richmond to administer the Enterprise Zone (EZ) Program

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer to enter into the Second Enterprise Zone Program Cooperation Agreement with the Economic Development Authority of the City of Richmond (EDA) for the purpose of administering the Enterprise Zone Program.

BACKGROUND: The Enterprise Zone program is a partnership between the Commonwealth and the City of Richmond that encourages job creation and private investment in the City's designated Enterprise Zones. The City has two enterprise zones - Zones 19A and 28A. The Commonwealth approved both Zones for five-year extensions in December 2022. The City's Enterprise Zones are best viewed through this [searchable map](https://www.richmondeda.com/enterprise-zone-and-care-program-map/) [<https://www.richmondeda.com/enterprise-zone-and-care-program-map/>](https://www.richmondeda.com/enterprise-zone-and-care-program-map/).

Richmond's participation in the program enables economic development and redevelopment projects within the Enterprise Zones to access two state-level incentive programs - the Job Creation Grant program and the Real Property Investment Grant (RPIG) program.

To participate in the program, the Commonwealth requires Richmond to offer incentives, which it does through six local reimbursement grant programs for businesses and property owners that invest and create jobs within the Zones. The maximum value of Richmond’s reimbursement grants ranges from \$1,000 to \$10,000, depending on the program. As of June 2024, \$265,298 in local Enterprise Zone funds were awarded to 58 applicants. The private investment associated with these projects was over \$28.3 million.

The FY 2025 budget included \$400,000 in enterprise zone program funding. The Cooperation Agreement between the City and the EDA lays out the terms for administering the program. The Second Cooperation Agreement includes new clarifying language on commercial projects with mixed-use components and simplifies reimbursement time restrictions. Additionally, in late FY 2024, the City began efforts to evaluate the current Enterprise Zone boundaries and incentives. The administration anticipates providing recommendations on boundary adjustments and incentive updates in FY 2025.

STRATEGIC INITIATIVES AND OTHER GOVERNMENT AGENCIES: The Enterprise Zone is a joint program between the Commonwealth of Virginia Department of Housing and Community Development and the City, with administrative support from the EDA. The use of targeted incentives to encourage revitalization and job creation and support business attraction and expansion is supported by the Strategic Plan for Equitable Economic Development.

FISCAL IMPACT: Enterprise Zone program funds were included in the adopted Fiscal Year 2025 budget.

DESIRED EFFECTIVE DATE: Upon Adoption.
