After filling in this application, please submit for processing to the above address or the City of Richmond's arborist for the area the impacted tree(s) are in.

**Applicant:**

Date: July 22-2013

Name MARIE CHART

Street Address 3007 KELRAE DRIVE

Phone Number: 804-232-6108

City RICHMOND State VA. Zip 23234

Email: \_\_\_\_\_

I, the undersigned, do hereby appeal to the Director of the Department of Public Works for a variance to the Municipal Tree Policy, Section: \_\_\_\_\_ Letter: \_\_\_\_\_ Number: \_\_\_\_\_ as follows: (attach additional sheets, as needed)

*I have been here for forty some years, these trees have been a problem to me. I am now 76 years old. Now a bad leg from tripping on the stumps in my yard. I am the one that rake these leaves, I cut the trees gone. The roots are all over my yard. My husband have a bad back. he cannot walk that well. I have eleven trees in my back yard and that is a lot of leaves. As they fall, I rake.*

This variance is requested for the tree(s) or plant sites located at:

Street Address 3007 KELRAE DRIVE

and would have an affect

upon the following tree(s) and/or plant site(s): I would like to have more flowers in my yard but there are roots in the ground from the trees

I believe the variance is justified due to the following: (attach additional sheets, as needed)

*There are roots - stumps in my yard. When people come and park in the street they trip on these stumps - roots and I am afraid they will hurt their self and that will be a suit for the city. Years back when I worked I mean here twenty years ago. I was told the trees was mine. We do not have a demand and the trees are where the sidewalk would be*

*2 Trees*
