Public Safety

ORDINANCE/RESOLUTION SUMMARY

Patron requests that legislation be drafted for Council's consideration that requires the installation of all-way stop signs at three intersections in the Fairfield area of the City. The intersections are as follows:

1. 23rd Street and Phaup Street,
2. 23rd Street and Selden Street, and
3. 25th Street and Rosetta Street.

BACKGROUND

Residents' organizations, RRHA, and the RPD acknowledge ongoing speeding and safety problems at these intersections. These areas of Fairfield have experienced continuing and long-term problems with speeding and increased traffic.
