I have been living in Richmond for the last eight years; prior to living in Northside I was on the 3100 block of Grove Ave. I am currently the Director of Marketing & Client Development of ThompsonMcMullan, a law firm with expertise in litigation. Prior to my current role, I was with an accounting firm and consulting firms, where I served clients of all sizes and types. I have been living in Northside for the last eight years and have seen the neighborhood develop extensively during that time, having direct insight into the impact that is having on the area. Being a part of a neighborhood going through such a transition has been very eye-opening, but has also brought a lot of awareness to small businesses that have been operating for years. My insight into neighborhoods of diverse status (economic, racial, social, etc.) and my background in marketing and client relations should allow me to bring a unique perspective to this position.</p>
