

American Rescue Plan Act of 2021
State and Local Recovery Fund and Capital Fund
2021 Special Session II - HB7001

Page & Line	Paragraph	Category	Description	FY 2022 \$	Proposed 2022-2024 \$
pg. 1 lines 31-45	1.A.	Summary	Non-discretionary ARPA appropriations for FY22. Appropriates \$2.38 billion in federal funds that are non-discretionary with the majority of it, \$2.06 billion, being for increased funding for unemployment insurance benefits	-	-
pg. 1 lines 46-48	1.B.1.	Discretionary ARPA total	Discretionary ARPA appropriation for FY22 (\$3.1 billion)	-	-
pg. 1 lines 51-54	1.B.2.a.1)	Unemployment Assistance	Virginia Employment Commission initiatives to improve claimant services, which include IT modernization, call center staff, adjudication officers, and security personnel	\$73,600,000	-
pg. 1 lines 55-56	1.B.2.a.2)	Unemployment Assistance	Deposit into the UI Trust Fund to ensure no employer pays higher UI taxes in 2022 than they did in 2021 and reach 50% solvency by January 2023	\$862,000,000	-
pg. 1 & 2 lines 57-63	1.B.2.a.3)	Unemployment Assistance	Language that directs the Virginia Employment Commission to exclude UI claims from April 1, 2020 to June 30, 2021 in calculating 2022 UI Taxes, which includes employer base rates and the pool charge. Language further directs the agency to give the lower rate to employers between a newly calculated 2022 tax rate that excludes pandemic claims activity and their 2021 tax rate	-	-
pg. 2 lines 65-66	1.B.2.b.1)	Broadband	Additional support for the Department of General Services to coordinate land use transactions involving broadband expansion projects on public land	\$500,000	-
pg. 2 lines 67-71	1.B.2.b.2)	Broadband	Part 1 of a \$700 million appropriation for the development of broadband infrastructure in the state. The remaining funds are appropriated on lines 601-608, page 10 from the Capital Project Fund	\$479,000,000	-
pg. 2 lines 72-74	1.B.2.b.3)	Broadband	New Line Extension Customer Assistance Program (LECAP) to help extend broadband service to customers that cannot afford to pay for the cost of running lines from the transmission box to their homes. Internet service providers only cover 150 feet	\$8,000,000	-
pg. 2 lines 75-91	1.B.2.b.4)	Broadband	Language for improved transparency and accountability of broadband projects supported with state and federal dollars. Includes an annual report on key project indicators as well as a public facing dashboard to be developed by the Department of Housing and Community Development	-	-
pg. 2 lines 93-103	1.B.2.c.1)	Rebuild VA	Rebuild Virginia support to fund all eligible applications for business assistance currently in the pipeline and allow for an additional round of grants with an emphasis on support for businesses in the hospitality and tourism industry	\$250,000,000	-
pg. 2 lines 105-117	1.B.2.d.1)	Derelict Structures Fund	Expand the Virginia Removal or Rehabilitation of Derelict Structures Fund (Industrial Revitalization Fund) to provide grants for the redevelopment of vacant, deteriorated commercial properties. Includes language to raise the maximum grant award to \$5 million in economically distressed communities and requires a 100% match of funds from local and/or private sources	\$22,500,000	-
pg. 2 lines 118-119	1.B.2.d.2)	Main Street Program	Expand Virginia Main Street Program to support businesses and downtown main streets with recovery from the COVID-19 pandemic	\$4,000,000	-
pg. 2 & 3 lines 121-122	1.B.2.e.1) a)	Utility Assistance	Continues utility assistance program to provide bill relief for residential customers with accounts over 60 days in arrears	\$120,000,000	-
pg. 3 lines 123-133	1.B.2.e.1) b)	Utility Assistance	Language that sets out the process for the distribution of funds by the State Corporation Commission, aligns with the original process used for the program in 2020. Funds are awarded proportionally based on need, reflected as total residential arrearages over 60 days	-	-
pg. 3 lines 134-148	1.B.2.e.1) c)	Utility Assistance	Language that details the rules for the utilities in applying funding to customer accounts. Language provides flexibility for utilities to attest on behalf of their customers that they've experienced an economic hardship due to COVID-19 should the approach align with federal guidance	-	-
pg. 3 lines 149-156	1.B.2.e.1) d)	Utility Assistance	Language defines a utility for the purpose of the program to include jurisdictional and municipal utilities	-	-

Page & Line	Paragraph	Category	Description	FY 2022 \$	Proposed 2022-2024 \$
pg. 3 lines 157-165	1.B.2.e.1) e)	Utility Assistance	Language requires DHCD to survey municipal utilities to determine customer arrearages over 60 days of August 31, 2021 to help assess any additional program funding needed in the 2022 Session	-	-
pg. 3 lines 166-174	1.B.2.e.1) f)	Utility Assistance	Language requires SCC to survey jurisdictional utilities to determine customer arrearages over 60 days of August 31, 2021 to help assess any additional program funding needed in the 2022 Session	-	-
pg. 3 lines 175-177	1.B.2.e.1) g)	Utility Assistance	Language indicating the program could receive additional funding in the 2022 Session should there be a need	-	-
pg. 3 lines 179-180	1.B.2.f.1)	Tourism	Marketing and incentive support for the Virginia Tourism Authority, which includes a grant program for local destination marketing organizations	\$50,000,000	-
pg. 3 & 4 lines 181-183	1.B.2.f.2)	Tourism	Virginia Tourism Authority and the Virginia African American Cultural Center in the City of Virginia to collaborate and develop cultural content	\$1,000,000	-
pg. 4 lines 184-186	1.B.2.f.3)	Tourism	Fort Monroe Authority to construct the First Landing Monument to commemorate the 400-year anniversary of the First Landing of Africans at Point Comfort	\$6,000,000	-
pg. 4 lines 187-189	1.B.2.f.4)	Tourism	For the Department of Historic Resources and City of Harrisonburg to partner with the Dallard-Newman House to complete the Museum of African-American History and Culture in Harrisonburg	\$250,000	-
pg. 4 lines 191-192	1.B.2.g.1)	Education	Direct Aid - Expand An Achievable Dream program in Henrico County	\$500,000	-
pg. 4 lines 193-194	1.B.2.g.2)	Education	Direct Aid - Enhance CTE program at Fredericksburg Public Schools	\$500,000	-
pg. 4 lines 195-197	1.B.2.g.3)	Education	Direct Aid - Support tutoring and mentoring programs in Sussex and Greensville Counties	\$200,000	-
pg. 4 lines 198-201	1.B.2.g.4)	Education	Direct Aid - Support workforce and college prep programs in Portsmouth Public Schools	\$800,000	-
pg. 4 lines 203-219	1.B.2.h.1)	Education -Ventilation	Direct Aid - Address ventilation needs in public school facilities, distributing funds on a per-pupil basis, with a minimum distribution of \$200,000. A dollar-for-dollar local match is required.	\$250,000,000	-
			See Page 12, lines 741-82 for Non-SLRF Education allocations		
pg. 4 lines 220-221	1.B.2.h.2)	Education -Ventilation	Provide funding to allow the Jamestown-Yorktown Foundation to upgrade the ventilation systems in its facilities.	\$2,000,000	-
pg. 4 lines 222-223	1.B.2.h.3)	Education -Ventilation	Replace remaining outdated air handling units at the main campus of the Virginia Museum Fine Arts.	\$5,000,000	-
pg. 4 lines 224-230	1.B.2.i.1)	Higher Education	Needs-based financial aid (Public Institutions)	\$100,000,000	-
pg. 4 lines 231-238	1.B.2.i.2)	Higher Education	Needs-based financial aid (Private Institutions)	\$11,000,000	-
pg. 4 lines 239-244	1.B.2.i.3)	Higher Education	Northern Virginia Community College capital projects - Nursing expansion \$25 million; TradesPrograms \$15 million	\$40,000,000	-
pg. 5 line 245	1.B.2.i.4)	Higher Education	Online Virginia Network Authority	\$10,000,000	-
pg. 5 lines 247-250	1.B.2.j.1)	Food Access	Food Access and Healthcare partnership, development of a shelf-stable food purchase program, and purchase of food from local farmers through the VA Farm to VA Families Food Box Program	\$14,600,000	-
