

INTRODUCED: September 9, 2024

AN ORDINANCE No. 2024-215

To authorize the Chief Administrative Officer, for and on behalf of the City of Richmond, to execute a Standard Project Administration Agreement between the City of Richmond and the Central Virginia Transportation Authority for the purpose of funding the Hull Street Phase II project.

Patron – Mayor Stoney

Approved as to form and legality
by the City Attorney

PUBLIC HEARING: SEP 23 2024 AT 6 P.M.

THE CITY OF RICHMOND HEREBY ORDAINS:

§ 1. That the Chief Administrative Officer, for and on behalf of the City of Richmond, be and is hereby authorized to execute a Standard Project Administration Agreement between the City of Richmond and the Central Virginia Transportation Authority for the purpose of funding the Hull Street Phase II project. The Standard Project Administration Agreement shall be approved as to form by the City Attorney and shall be substantially in the form of the document attached to this ordinance.

§ 2. This ordinance shall be in force and effect upon adoption.

RE: TO AUTHORIZE THE CHIEF ADMINISTRATIVE OFFICER OR DESIGNEE TO EXECUTE A STANDARD CENTRAL VIRGINIA TRANSPORTATION AUTHORITY (CVTA) AGREEMENT FOR THE “HULL STREET PHASE II (US360) - CVTA-0031” PROJECT.

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer or Designee to execute a standard Central Virginia Transportation Authority (CVTA) agreement for the ‘Hull Street Phase II (US360) - CVTA-0031’ project. The Central Virginia Transportation Authority (CVTA) funded the project for a total of \$6,291,851.00 from FY2023 -FY2026 CVTA Funding Plan. The Hull Street Phase II (US360) - CVTA-0046 project funds will be budgeted through the CIP budget process.

BACKGROUND: On May 1, 2020, the Virginia General Assembly adopted House Bill 1541, which created the Central Virginia Transportation Authority (CVTA), comprising the counties and cities located in Planning District 15 to provide new funding opportunities for priority transportation investments across the region. The Central Virginia Transportation Authority is a body politic and as a political subdivision of the Commonwealth. The Authority embraces each county, city, and the nine localities are Richmond City, Hanover County, Goochland County, Powhatan County, Chesterfield County, Charles City County, New Kent County, Henrico County and Town of Ashland. The Authority administers transportation funding generated through Regional 0.7 percent sales and use tax; Wholesale tax of 7.6 cents per gallon of gasoline and 7.7 cents per gallon of diesel fuel. Localities receive 50% of the funds collected in their

jurisdiction; Central Virginia Transportation Authority (CVTA) receives 35% of the funding to disburse on regional priority projects; and GRTC receives 15%.

The Hull Street Phase II (US360) - CVTA-0046 project is a Central Virginia Transportation Authority (CVTA) Regional funded project. The project plans to accomplish the following:

- Improve a 0.75 mile stretch of Hull Street from Chippenham Parkway to Hey Road.
- This project will provide two travel lanes in each direction, a raised median, and dedicated turn lanes.
- This project will provide a ten-foot wide shared-use path and five-foot wide sidewalk.
- This project will also provide access management improvements for bike, pedestrian, and improvements to high frequency transit service.
- This project will reduce the number of entrances and median crossings providing safer accommodations for people who walk and bike.

The city will administer the project, handle the procurement, and administer the construction phase of the project through completion. This project impacts the Greater Richmond Transit Company and the City of Richmond. Planning, Design and Construction will begin upon execution of the CVTA Standard Project Agreement (SPA).

COMMUNITY ENGAGEMENT: The Hull Street Phase II (US360) project is a top recommendation from Richmond Connects. It has also been discussed as a part of the city's expansion of the bicycle and pedestrian active transportation network. The Office of Equitable Transit and Mobility will attend neighborhood association meetings, to measure and receive feedback regarding the project in addition to official City Council public meetings to satisfy public outreach with all key stakeholders. Additional public engagement will also be through the City Council Land Use, Housing and Transportation Standing Committee meeting as stated in this Ordinance.

STRATEGIC INITIATIVES AND OTHER GOVERNMENTAL: This project conforms to Goal 8-Equitable Transportation in the Richmond 300 master plan by expanding and improving walking and biking infrastructure. The Office of Equitable Transit and Mobility engaged the public in an intensive, equity focused, planning process from Spring 2021 to Winter 2024 while completing the Path to Equity: *Policy Guide for Richmond Connects* and the Richmond Connects Strategic and Action Plans.

During that time, 6 rounds of engagement and community feedback were completed. Through community pop-ups, paid focus groups, neighborhood events, canvassing, social media, telephone town halls, online surveys, and email blasts, the team touched over 20,000 Richmonders in some way during the process. In the last round of engagement alone, over 8,000 Richmonders completed a survey to indicate which projects were the most pressing for their neighborhood; and more than 10,000 surveys were collected and analyzed throughout the Path to Equity and Richmond Connects processes. No other governmental agency approval is required for the Ordinance approving the Standard Project Agreement.

FISCAL IMPACT: None. The City will receive Central Virginia Transportation Authority (CVTA) Regional funds totaling \$6,291,851.00 for the project. The CVTA Regional funds are

100% reimbursable. City matching funds are not required.

DESIRED EFFECTIVE DATE: Upon Adoption.

REQUESTED INTRODUCTION DATE: September 9, 2024

CITY COUNCIL PUBLIC HEARING DATE: September 22, 2024

RECOMMENDED COUNCIL COMMITTEE: Land Use, Housing and Transportation Standing Committee.

AFFECTED AGENCIES: Department of Public Works; Law Department; Planning and Development; Economic and Community Development; Department of Public Utilities; Finance Department; Budget and Strategic Planning; Copies also sent to: City Mayor (Levar M. Stoney); Chief Administrative Officer (J.E. Lincoln Saunders); Deputy Chief Administrative Officer of Operation (Robert Steidel); and City Attorney (2).

RELATIONSHIP TO EXISTING ORD. OR RES.: None.

STANDARD PROJECT ADMINISTRATION AGREEMENT
CVTA Regionally Funded Projects

CVTA Project ID	Project Name	UPC	Local Government
CVTA-0031	Hull St Phase II (US360)	121391	CITY OF RICHMOND

THIS AGREEMENT is hereby executed and made effective as of the date of the last (latest) signature set forth below, by and between the CITY OF RICHMOND, VIRGINIA, hereinafter referred to as the LOCALITY and the Central Virginia Transportation Authority, hereinafter referred to as the CVTA. The CVTA and the LOCALITY are collectively referred to as the “Parties.”

WHEREAS, the LOCALITY has expressed its desire to administer the work described in Appendix A, and such work for each improvement shown in Appendix A is hereinafter referred to as the “Project;” and

WHEREAS, the funds shown in Appendix A have been allocated to finance the Project; and

WHEREAS, the LOCALITY is committed to the development and delivery of the Project in an expeditious manner; and

WHEREAS, the Parties have concurred in the LOCALITY's administration of the Project as shown in Appendix A in accordance with applicable federal, state, and local laws and regulations.

NOW THEREFORE, in consideration of the mutual premises contained herein, the Parties hereto agree as follows:

1. The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Section 1.
2. The LOCALITY shall:
 - a. Be responsible for all activities necessary to complete the noted phase(s) of the Project as shown in Appendix A, as expressly required by federal, state, and local laws and regulations, or as otherwise agreed to, in writing, between the Parties. Every phase of the Project will be designed and constructed to meet or exceed current American Association of State Highway and Transportation Officials standards when the facilities are locally maintained and shall further comply with all supplementary standards established by the Virginia Department of Transportation when the facilities are maintained by the Virginia Department of Transportation.
 - b. Maintain accurate and complete records of the Project’s development and retain documentation of all expenditures and make such information available for inspection or auditing by the CVTA upon request. Records and documentation for the Project

shall be maintained for no less than three (3) years following the CVTA's acceptance of the final voucher on the Project.

- c. Submit quarterly progress and expenditure reports, and invoices with supporting documentation to the CVTA in the form prescribed by the CVTA. The supporting documentation shall include copies of vendor and contractor invoices paid by the LOCALITY, an up-to-date Project summary and schedule, and a cash flow summary of all payment requests, payments, and adjustments in a form prescribed by the CVTA.
 - d. Requests for reimbursement shall be made within 90 days after any eligible project expenses are incurred by the LOCALITY. Reimbursement for eligible expenditures shall not exceed funds allocated each year for the Project by the CVTA. Additional funds for eligible expenditures for the Project may be requested and shall be approved on case-by case basis, per paragraph 4 below.
 - e. Provide, or have others provide, maintenance of the Project upon completion, unless otherwise agreed to by the Parties. Where the Project results in physical construction, the LOCALITY will continue to operate and maintain the Project, or have others operate and maintain the Project, in accordance with the final constructed design and applicable standards. The LOCALITY agrees that any modification of the approved design features, without the approval of the CVTA or agencies with proper oversight, may, at the discretion of the CVTA, result in restitution either physically or monetarily as determined by the CVTA.
3. The CVTA shall:
- a. Upon receipt of the LOCALITY's invoices pursuant to paragraph 2.c, reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the CVTA within 30 days of an acceptable submission by the LOCALITY.
 - b. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with applicable policies, laws, and regulations.
4. Nothing in this Agreement shall obligate the Parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. CVTA funding is limited to the allocated funding identified in the Appendix A of this Agreement, or other sources of funding allocated to the project by the CVTA and is allocable only upon LOCALITY's compliance with all requirements of this Agreement. In the event the cost of all or part of the Project is anticipated to exceed the allocation shown on Appendix A, the Parties agree to cooperate in seeking additional funding for the Project or to terminate the Project before Project costs exceed the allocated amount. Any requested increase in CVTA funding is subject to CVTA policy and procedures applicable to the funding source and is not guaranteed. If the CVTA elects to allocate additional funds, such additional funds shall be paid from federal, state, and/or CVTA revenues, in proportions as agreed by the Parties at the time, with the goal of expending state or federal funds first before expending LOCALITY and/or CVTA revenues.

5. In the event there is a significant reduction in costs, the LOCALITY and CVTA will work reasonably and in good faith to amend Appendix A fairly to reflect the effect of the reduction, with the goal of applying the savings to supplant LOCALITY and CVTA funding commitments, and to maximize the use of federal and state funds on the Project. If federal or state funding not previously available for the Project becomes available for any portion of the Project, then the LOCALITY and CVTA will work reasonably and in good faith to fairly allocate the additional funding, with the goal of applying the additional funding to supplant LOCALITY and CVTA funding commitments, and to maximize the use of state and federal funds on the Project.
6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or CVTA's sovereign immunity.
7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and capacity and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either Party, in their individual or personal capacity, for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this Agreement shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY and the CVTA shall not be bound by any agreements between either Party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY and the CVTA has, in writing, received a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
9. This Agreement may be terminated by either Party upon 30 days advance written notice to the other Party. Eligible Project expenses incurred through the date of termination shall be reimbursed in accordance with paragraph 3.a., subject to the limitations established in this Agreement and Appendix A. Upon termination and unless otherwise agreed to, the CVTA shall retain ownership of plans and specifications. Right-of-way acquired with CVTA funding shall be transferred to the jurisdiction in which the Project is located, unless otherwise agreed. The LOCALITY may retain plans, specifications, and right-of-way if all CVTA funds expended for the project are reimbursed to the CVTA.
10. Prior to taking any action alleging breach of this Agreement, the CVTA shall provide notice to the LOCALITY with a specific description of the LOCALITY's breach of this Agreement. Upon receipt of a notice of breach, the LOCALITY will be provided the

opportunity to cure such breach or to provide a plan to cure to the satisfaction to the CVTA. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach, then upon receipt by the LOCALITY of a written notice from the CVTA stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the CVTA may exercise any remedies it may have under this Agreement or at law or in equity.

11. The LOCALITY and CVTA acknowledge and agree that this Agreement has been prepared jointly by the Parties and shall be construed in accordance with its fair meaning and not strictly for or against any Party.
12. This Agreement, when properly executed, shall be binding upon both Parties, their successors, and assigns.
13. This Agreement may be modified only in writing by mutual agreement of the Parties.

The remainder of this page is BLANK

IN WITNESS WHEREOF, each party hereto has caused this Agreement to be executed as of the day, month, and year first herein written.
