RE: The FY23-24 Annual Action Plan of the Five Year Consolidated Plan 2021- 2025 (HUD) Entitlement Grants (CDBG, HOME, ESG, and HOPWA)

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer (CAO) to submit the City's FY24 for (HUD Program Year 2023) Annual Action Plan of the Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development (HUD) for the receipt of Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) funds for HUD's 2023 Program Year/City's 2024 Fiscal Year. The Entitlement funds for FY23-24: CDBG \$4,825,534, HOME \$1,658,368, ESG \$393,268, and HOPWA \$2,207,892, which totals \$9,085,062.

REASON: For the continuation of the CDBG, HOME, ESG, and HOPWA federally funded projects and programs.

RECOMMENDATION: Approval is recommended by the City Administration.
O&R Request

Page 2 of 3

BACKGROUND: The City has been receiving Community Development Block Grant (CDBG) funds from the U.S. Department of Housing (HUD) since 1975 to implement housing and community development programs. The City began receiving ESG funds to meet the needs of homeless individuals and families in 1989. HOME funds, which can only be used for housing activities were first received in 1993. HOPWA funds, which address the housing needs of individuals and families affected by HIV/AIDS for the Richmond MSA were first received in 1997. Council's action will approve the FY 2024 budget for these programs and the required HUD Program Year 2023 Annual Action Plan of the Five-Year Consolidated Plan 2021-2025. The budget and plans must be submitted to HUD by June 30, 2023.

Fiscal Impact/Cost: There are no negative fiscal impacts as it relates to the City receiving the anticipated following Federal Entitlement allocations, including utilizing program income and surplus funds in Fiscal

Year 2024: CDBG \$4,825,534, HOME \$1,658,368, ESG \$393,268 and HOPWA \$2,207,892. These funds total \$9,085,062.

Fiscal Implications: The appropriation of the City's HUD Entitlement funding enables the City to implement needed programs and services that help achieve HCD's new departmental goals, the housing goals of the City's Comprehensive Plan (Richmond 300), the 2020-2030 Strategic Plan to End Homelessness and the Equitable Affordable Housing Plan. All of the Plans have goals to provide inclusive housing options throughout the City, eliminate blight through rehabilitation, increase homeownership, strengthen neighborhoods and small businesses, assist families and individuals to have homelessness as a brief, rare, and non-recurring event, and provide assistance to families and individuals who are in need.

BUDGET AMENDMENT NECESSARY: No

REVENUE TO CITY: The Entitlement funds received from HUD, and subsequent program income and surplus (carry-over) dollars.

1. Introduction

The City of Richmond is located at the crossroads of I-64 and I-95 along the fall line of the James River, one of the United States' most historic rivers. Richmond, the Capital of Virginia, has an estimated population of 229,233 (in 2020) according to the Census Bureau's Population Estimates Program (PEP), an increase of 13.6% since the 2010 Census. Richmond's two largest neighbors are Chesterfield County, immediately to the south with a population of 348,500 (Census ACS, 2020) and Henrico County, wrapping around the City to the east, north, and west with a population of 330,076 (Census ACS, 2020). Both of these surrounding counties have also grown in population over the last 10 years. As the core of a metropolitan area with a population of over 1.3 million (2020 Decennial Census), Richmond is home to many of the area's largest employers and most of the area's historic housing, cultural and recreational assets, and key transportation hubs. However, the City is not only separated from its neighbors by lines on a map, but also by Code of Virginia provisions that leave cities and their surrounding counties independent of each other. As such, Richmond encounters problems not typically seen in cities of its size in other parts of the country. It is home to a large concentration of households with limited education, low income, and limited resources for securing safe, decent, and affordable housing.

The City of Richmond, Virginia is an entitlement community under the U.S. Department of Housing & Urban Development's (HUD) for the following Federal programs:

- Community Development Block Grant (CDBG)
- HOME Investment Partnership (HOME)
- Emergency Solutions Grant (ESG)
- Housing Opportunities for Persons with AIDS (HOPWA)

In compliance with the HUD regulations, the City of Richmond has prepared this PY 2023 Annual Action Plan for the period of July 1, 2023 through June 30, 2024. This Annual Action Plan is a strategic plan for the implementation of the City's Federal Programs for housing, community, and economic development within the City of Richmond. In addition, the Annual Action Plan includes the HOME, ESG, and HOPWA funds that the City will receive in PY 2023. The City of Richmond's Department of Housing and Community Development is the lead entity and administrator for the CDBG funds, HOME funds, ESG funds, and the HOPWA funds.

This is the City's third year of the PY 2021-2025 Five-Year Consolidated Plan, which describes the housing and non-housing needs of City residents and presents a five-year strategy to address those needs. This year's Annual Action Plan outlines the actions to be undertaken in Fiscal Year 2023 with the Federal resources received by the City of Richmond. The Annual Action Plan does not incorporate the Public Housing Comprehensive Grant (Comp Grant) funds in this Action Plan but include the participation of the public housing authority in the development of the plan.

The CDBG Program and activities outlined in this PY 2023 Annual Action Plan will principally benefit low- and moderate-income persons and funding has been targeted to neighborhoods where there is the highest percentage of low- and moderate-income residents. The City's previous performance under the CDBG Program was discussed at the Public Hearings.

Five Year Consolidated Plan Goals:

The City of Richmond's PY 2021-2025 Five Year Consolidated Plan goals are the following:

1. Ensure sustainable, safe, and healthy affordable housing is located throughout the city.
2. Increase the supply of affordable rental housing, especially for households earning at or below 50% of AMI.
3. Provide affordable rental housing and services for special needs and homeless populations.
4. Increase homeownership for lower income working households.
5. Economic empowerment opportunities that assist in reducing poverty.
6. To administer federal grant money efficiently and effectively in order to connect the community to housing and community development needs.
7. Provide programs and resource connections for low-income residents.

Available Funds:

The following financial resources are presented for the PY 2023 Annual Action Plan and are anticipated to be received to address the Strategies and Goals identified in City of Richmond's Five-Year Consolidated Plan. During the 2023 Program Year, the City of Richmond will receive the following Federal Financial resources, as well as expected CDBG and HOME Program Income:

- **CDBG Funds** - \$4,341,903.00
- **Prior Year CDBG Funds** - \$483,631.00

- **HOME Funds** - \$1,585,901.00
- **HOME Program Income** - \$17,700.00
- **Prior Year HOME Funds** - \$54,767.00
- **ESG Funds** - \$393,268.00
- **HOPWA Funds** - \$2,010,099.00
- **Prior Year HOPWA Funds** - \$197,793.00
- **Total: \$9,085,062.00**

FY 2023 CDBG, HOME, ESG, and HOPWA Programs Budget:

The City of Richmond proposes to undertake the following activities with the PY 2023 CDBG Grant, CDBG Program income, Prior Year CDBG Funds, HOME Grant, HOME Program Income, ESG Grant, and HOPWA Grant funds:

1. Owner-Occupied Rehabilitation - FY 23/24 - The City will fund the following activities:

- **ProjectHomes - Critical Home Repair (CDBG Funds - \$500,000)** - Preservation of affordable homeownership in the City of Richmond by providing direct assistance to city homeowners in the form of home repair services. Recipients of the assistance will be owner-occupants with annual incomes at or below 80% of the AMI. 37 qualified long-term homeowners will be assisted with repairs.
- **Richmond Metro Habitat for Humanity - Critical Home Repairs in the City of Richmond (CDBG Funds - \$175,000)** - Funding to support Critical Home Repairs for 6-12 homeowners in the City of Richmond whose incomes are between 0-80% of the AMI. Critical Home Repair services to be provided include the following: Roof replacement or repairs; Window replacement of failed windows; Repair and/or replace porches, steps, and ramps; Gutter repairs and/or replacement; Tree trimming and removal; Siding replacement/repair; and Installation of fabricated handrails; and Interior accessibility and life safety repairs.

2. Single Family Development - FY 23/24 - The City will fund the following activities:

- **Section 108 Payment (CDBG Funds - \$981,126)** - CDBG funds will be used to make loan repayments on the 2012 Section 108 Guaranteed Loans made to the City of Richmond by the U.S. Department of Housing and Urban Development (HUD). The loan is guaranteed for 20 years at a variable interest rate (4.5% to 8.5%) and was earmarked for the rehabilitation of single-family homes and multi-family units and economic development in targeted areas of the City. The terms of the loan indicate that CDBG funds are to be used as repayment. Funding of this proposal will enable the City to meet its debt obligations for loans made to rehabilitate its housing stock and provide safe affordable housing to its residents.
- **Southside Community Development & Housing Corporation – Downpayment Assistance (CDBG Funds - \$450,000)** - SCDHC will utilize funding to be used as

down payment assistance for 15 low-income first-time homebuyers purchasing SCDHC homes developed. Clients will be at or below 80% AMI.

- **Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond (HOME Funds - \$302,383)** - To support a share of the cost to construct 2 triplexes (3 homes per triplex)—for a total of 6 safe, single-family, affordable, energy-efficient, attached homes—as part of the Highland Grove development.
- **projects: HOMES – Creighton Court Community of Choice Affordable Homeownership (HOME Funds \$399,985)** - Project: HOMES will continue the successful revitalization work that has been completed in the East End through the production of high-quality affordable housing with six proposed home sites. These six sites will fall within the vicinity of the Creighton Court Public Housing complex.
- **HOME Inc. - Keystone Program for First-Time Homebuyers (CDBG Funds - \$450,000)** - The Keystone Program provides intensive individual pre-purchase counseling, financial literacy, homebuyer group education and financial assistance. This ensures that families participating in the program will not only be able to buy a home, but will be responsible, successful long-term homeowners. This program also provides down payment assistance to help low- and moderate-income families whose incomes are at 80% or below of the area median income, purchase their first home in the City of Richmond.

3. Housing Development - FY 23/24 - The City will fund the following activities:

- **Better Housing Coalition - Lafayette Gardens (HOME Funds - \$250,000)** - Lafayette Gardens is a Section 8 property with HAP contract for 91 of the units, serving residents with annual incomes of 30% or less AMI. The proposed development plan will be funded by 9% Low Income Tax Credit equity, along with permanent debt from Virginia Housing, philanthropic grants, and a variety of soft financing sources. This project will serve the South Richmond area.
- **The Community Builders - Creighton Phase B (HOME Funds - \$300,000)** - The Creighton Phase B project is a continuation of the multi-phase transformation of RRHA's Creighton Court Community of Choice, led by co-developers The Community Builders (TCB) and Richmond Redevelopment and Housing Authority (RRHA).
- **Swansboro Place, LLC/Cantebury Development Group (CDBG Funds - \$650,000)** - Constructing 100 affordable multifamily housing units targeting families at 40%-60% AMI. The development will be located in the Hull Street Swansboro Corridor. Accomplishments include the completion of Townhomes at Warwick Place Phase I & II, affordable housing projects for RRHA, Better Housing Coalition, and the Petersburg Housing Authority. High Street Lofts are among some of our successful

housing development projects. Other developments include Whittaker Place and The Townhomes at Liberty Place. Each of these developments reached 100% capacity within 45 days and have maintained an extensive waiting list.

- **Enterprise Community Development - 1203 E. Brookland Park Blvd. (HOME Funds - \$250,000)** - This development is a proposed 43-unit low-to-moderate income apartment building in the Highland Park community in Richmond's North Side. Apartments will range from 1 – 3 bedrooms and serve families with income ranging from 40% - 80% AMI. Since 2016, ECD has received five LIHTC awards totaling 587 units in the Commonwealth of Virginia. Within the past two years, ECD has completed The Rosa and Van DeVeyer Apartments in Jackson Ward and Baker School Senior Apartments.

Map Summary:

In the City of Richmond, there are broad divisions between the northern and western areas of the city and the southern and eastern areas. Richmond's white population is most concentrated in the northern and western portions of the city, with white residents making up between 76% and 95% of the population in those census tracts. Accordingly, the minority population of Richmond is most concentrated in the southern and eastern portions of the city. The western and northern sections of the city also have the highest proportion of owner-occupied housing units, correlating with the higher proportion of white residents in those areas. The southern, western, and central areas of the city have the highest proportion of the population under the poverty line, corresponding to the higher minority population in those areas.

Beyond those larger patterns, there are also other notable features shown in the included maps. Population density is highest near downtown and in the westernmost tracts in the city with the northern and eastern parts being less population dense. The areas with the greatest number of housing units in Richmond are located in the western sections of the city, with more housing units being located downtown. The eastern sections of the city, especially those surrounding downtown, have the highest proportion of renter-occupied units. For vacant housing units, there is a higher proportion in the northern and eastern sections of the city.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

During the PY 2023 CDBG, HOME, ESG, and HOPWA Program Year, the City of Richmond proposes to address the following priority needs and goals from its PY 2021-2025 Five Year Consolidated Plan:

Ensure sustainable, safe, and healthy affordable housing is located throughout the city.

The quality of housing is important to low-and-moderate income people. The majority of housing units in Richmond were constructed before 1980. The aging of our housing stock creates a demand for major housing rehabilitation. Almost half of owner and renter units have at least one condition that warrants attention. The owner-occupied rehabilitation program and multifamily rental rehabilitation address these widespread needs. Lead poisoning is also a risk in older homes. The rehabilitation program can be used to reduce the hazard of lead-based paint, and to address gentrification. The preservation of affordable housing in gentrifying neighborhoods by keeping low-income residents in their neighborhoods with homeowner rehabilitation, and the exploration of innovative new programs utilizing city-funding works to combat the impacts of gentrification.

Increase the supply of affordable rental housing, especially for households earning at or below 50% of AMI.

Efforts are directed toward providing housing for low- and moderate-income households, particularly those that are cost burdened or earn at or below 50% of area median income, throughout the city. This includes supporting rental housing activities by nonprofits and for profit developers that contribute to sustainable, mixed- income neighborhoods. Increases may occur through the modernization and rehabilitation of existing housing stock or the construction of new units.

Provide affordable rental housing and services for special needs and homeless populations.

The City will provide supportive services for the homeless, persons living with HIV/AIDS, and Special Needs populations. These services include case management, counseling, financial assistance with services, housing, shelters, transitional housing, housing assistance, rapid re-housing, and permanent supportive housing. Homeless efforts will be coordinated and provided by the Greater Richmond Continuum of Care (GRCoC) in an effort to end homelessness.

Increase homeownership for lower income working households.

The City seeks to have a balance of affordable rental and homeownership opportunities within its neighborhoods. It encourages mixed- income neighborhoods as means to provide opportunities for all and reduce economic isolation of any of its residents. Homeownership can provide stability for working families by building equity, enable long-term social investment in the community, and control housing payments while area rents continue to rise.

Economic empowerment opportunities that assist in reducing poverty.

Economic development can equip low-income households with skills and resources to access higher paying careers. This is a vital goal as many of Richmond's households live in poverty and are experiencing housing cost burden.

Manage grant funds efficiently and effectively.

The City is committed to being a well-managed government and an efficient and effective steward of its federal funds. With recognition of decreasing revenues in today's economy, the City is very focused on the completion of projects in its pipeline and projects that will substantially contribute to program objectives for decent and affordable housing, creating suitable living environments, and creating economic opportunities.

Programs and resources for LMI households.

Many Richmonders need assistance to help gain stability in their lives. Services funded by the City allow organizations to be able to fill these gaps in order to provide people with the necessary help and resources.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Richmond has a good performance record with HUD and regularly meets its established performance standards. Each year the City prepares its Consolidated Annual Performance and Evaluation Report (CAPER) which is submitted to HUD. This report is submitted within ninety (90) days after the start of the new program year. Copies of the CAPER are available for review at the City of Richmond's Department of Housing & Community Development. The PY 2021 CAPER is the first CAPER of the PY 2021-2025 Five Year Consolidated Plan.

The City of Richmond submitted its PY 2021 CAPER to HUD in October 31, 2022 and was approved by HUD. As reported in the PY 2021 CAPER, the City expended 100.0% of its CDBG funds for the benefit of low- and moderate-income persons. The City was under its 15% public services cap, expending 12.87% of its CDBG funds on public services. The City was under the administrative caps for the CDBG, HOME, ESG, and HOPWA programs. The City was under its 1.5 drawdown ratio (1.42). Richmond is carrying out its projects in a timely manner and in accordance with all HUD activity guidelines and match requirements.

The HOME Program is also being administered in a timely manner and in accordance with applicable activity limitations and match requirements. The City of Richmond met its HOME Match Requirements for the PY 2021 Program. The City of Richmond has an excess of matching funds in the amount of \$8,599,106.84 for the HOME Program.

The ESG Program is also being administered in a timely manner and in accordance with applicable activity limitations and match requirements. The City has met its ESG Match Requirements for the PY 2021 Program. A separate ESG CAPER was submitted for PY 2021 on September 6, 2022 in the Sage HMIS Reporting System.

The HOPWA Program is also being administered in a timely manner and in accordance with applicable activity limitations. A separate HOPWA CAPER was submitted to the HOPWA@hud.gov email address.

During the PY 2023 CDBG, HOME, ESG, and HOPWA Program Year, the City of Richmond proposes to address the following priority needs from its Five Year Consolidated Plan:

- Ensure sustainable, safe, and healthy affordable housing is located throughout the city.
- Increase the supply of affordable rental housing, especially for households earning at or below 50% of AMI.
- Provide affordable rental housing and services for special needs and homeless populations.
- Increase homeownership for lower income working households.
- Economic empowerment opportunities that assist in reducing poverty.
- Manage grant funds efficiently and effectively.
- Programs and resources for LMI households.

A “draft” of the PY 2023 Annual Action Plan was placed on display on the City’s website at <https://www.rva.gov/housing-and-community-development/public-documents>. The display period started on Tuesday, May 2, 2023 through Friday, June 2, 2023 for a 30-day display period. The Public Hearing was held on Tuesday, May 16, 2023 to discuss the proposed activities and solicit resident comments. Upon completion of the 30-day comment period, the City of Richmond submitted the PY 2023 Annual Action Plan to the U.S. Department of Housing and Urban Development on or before Friday, June 30, 2023.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)**1. Introduction**

While preparing the PY 2023 Annual Action Plan, the City of Richmond consulted with the Richmond Redevelopment & Housing Authority (RRHA), Greater Richmond Continuum of Care (GRCoC), and social service and housing agencies.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Richmond works with the following agencies to enhance coordination:

- **Richmond Redevelopment & Housing Authority (RRHA)** - Section 8 Housing Choice Vouchers, improvements to public housing communities, the Choice Neighborhood Program, and scattered site housing developments.
- **Social Services Agencies/Organizations** - funds to improve services to low- and moderate-income residents of the City of Richmond.
- **Housing Providers** - funds to rehab and develop affordable housing, funds to assist in homeownership, funds to improve housing options for low- and moderate-income families and individuals, and funds to make accessibility improvements.
- **Greater Richmond Continuum of Care (GRCoC)** - oversees the Continuum of Care.

As part of the CDBG, HOME, ESG, and HOPWA application planning process, local agencies/organizations are invited to submit proposals for CDBG, HOME, ESG, and HOPWA funds for eligible activities. These groups participate in the planning process by attending the public hearings, consultation via phone and/or email, and submission of funding applications.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Department of Housing and Community Development is Richmond's lead agency for allocating Emergency Solutions Grant (ESG) funding from the U.S. Department of Housing and Urban Development. The agency is an active member of the Greater Richmond Continuum of Care (GRCoC). Homeward is the collaborative applicant and HMIS lead. The GRCoC board meets to review community needs, to approve funding recommendations, to discuss and approve policies to reduce homelessness in the GRCoC's service area, and to improve racial and equitable outcomes of the GRCoC's service network. Working with the GRCoC, Homeward convenes stakeholder workgroups and committees to identify gaps in service and to collaboratively develop

strategies to address special populations including those identified above. HCD staff participated in these planning groups to ensure the local ESG plan and the GRCoC goals identified in the City of Richmond's Strategic Plan to End Homelessness, which is a ten year plan and was adopted by the Mayor of Richmond and Richmond's City Council in 2020.

With respect to serving the chronically homeless, the GRCoC prioritizes chronically homeless through the GRCoC's Coordinated Entry System (CES). The Coordinated Entry System flows through three main portals, the region's Homeless Crisis Line, Street Outreach teams from partner organizations in the GRCoC, and regional domestic violence hotlines. Through the standardized and coordinated entry, those who are chronically homeless are prioritized and placed into programs which would first provide housing stability, then provide the supportive and wrap around services needed so that they do not face another housing crisis. Chronically homeless individuals are prioritized for emergency shelter, rapid re-housing, and permanent supportive housing.

Services and resources for homeless families, youth, and veterans are coordinated through the Greater Richmond Continuum of Care's Coordinated Entry System. Once a family, youth, or veteran contacts one of the avenues to the Coordinated Entry, they are placed in the program that best suits their needs as either a family, youth, or veteran. The GRCoC is partnered with Richmond Public School's (RPS) McKinney-Vento program in order to help families with children in RPS gain the resources and housing stability needed for both student and family success. Unaccompanied minors are deemed wards of the state in the Commonwealth of Virginia, so the GRCoC does not assist unaccompanied minors through rapid re-housing, homeless prevention, or emergency services, as they are provided assistance and support through at the state level.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Department of Housing and Community Development (HCD) staff serves on the Greater Richmond Continuum of Care (GRCoC) Ranking Committee that determines funding priorities and allocations for ESG and ESG-CV funding, which covers the costs of operating homeless service programs in the GRCoC, such as rapid re-housing, street outreach, homeless prevention, and emergency shelter services. This allows the GRCoC and its public funding partners which include the City of Richmond, Henrico County, and Chesterfield County to strategically coordinate their localities' formula federal funds in order to provide services through GRCoC partner programs which prove most effective and which align with the City's strategic goals and objectives in an effort to end homelessness in the region. Additionally, this allows the City to strategically allocate ESG, HOPWA-CV, CDBG-CV, and ESG-CV funds in conjunction with the GRCoC's other funding sources, such as philanthropic donations and federal CoC funds provided directly to the Greater

Richmond Continuum of Care in order to equitably fund as many effective homeless service programs as possible.

HCD is also a sitting member on the Greater Richmond Continuum of Care's Board, which reviews the homeless community's needs, approves funding recommendations, reviews and enacts policies to end homelessness in the greater Richmond region, and improve racial and equitable outcomes in the GRCoC's service area.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The following financial resources are identified for the PY 2023 Annual Action Plan to address the priority needs and goals/strategies identified in the City of Richmond's Five Year Consolidated Plan.

The City of Richmond is receiving \$4,341,903.00 in CDBG funds, \$483,631 in prior year CDBG funds, \$1,585,901.00 in HOME funds, \$17,700 in HOME Program Income, \$54,767 in prior year HOME funds, \$393,268.00 in ESG funds, \$2,010,099.00 in HOPWA funds, and \$197,793 in prior year HOPWA funds for the 2023 program year. The program year goes from July 1, 2023 through June 30, 2024. These funds will be used to address the following strategies:

- Ensure sustainable, safe, and healthy affordable housing is located throughout the city.
- Increase the supply of affordable rental housing, especially for households earning at or below 50% of AMI.
- Provide affordable rental housing and services for special needs and homeless populations.
- Increase homeownership for lower income working households.
- Economic empowerment opportunities that assist in reducing poverty.
- Manage grant funds efficiently and effectively.
- Programs and resources for LMI households.

The accomplishments of these projects/activities will be reported in the PY 2023 Consolidated Annual Performance and Evaluation Report (CAPER).

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City will meet its federal match requirements through a combination of private matching resources (such as United Way), other federal funds, and state and local government funding.

The City of Richmond has excess HOME match funds from previous years in the amount of \$8,599,106.84. The City will have additional HOME Match during this program year from cash (non-federal), City General funds, etc.

ESG Program anticipates that it will have a match of \$393,268 in local and state funds. The ESG Match will come from local and state funds, as well as donations and grants to the ESG sub-grantees. These funding sources to the ESG sub-grantees include general funds, continuum of care funds, private foundations, state funds, donations, the United Way, etc.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Richmond may use vacant City owned properties for the development of Affordable Housing for low and moderate income residents. In addition, the City will work with private and/or non-profit developers to promote new development throughout the City.

Table 6 – Goals Summary

Goal Descriptions

1.	Goal Name	Ensure sustainable, safe, and healthy affordable housing is located throughout the City.
	Goal Description	The quality of housing is important to low-and-moderate income people. The majority of housing units in Richmond were constructed before 1980. The aging of our housing stock creates a demand for major housing rehabilitation. Almost half of owner and renter units have at least one condition that warrants attention. The owner-occupied rehabilitation program and multifamily rental rehabilitation address these widespread needs. Lead poisoning is also a risk in older homes. The rehabilitation program can be used to reduce the hazard of lead-based paint, and to address gentrification. The preservation of affordable housing in gentrifying neighborhoods by keeping low-income residents in their neighborhoods with homeowner rehabilitation, and the exploration of innovative new programs utilizing city-funding works to combat the impacts of gentrification.
2.	Goal Name	Increase the supply of affordable rental housing, especially for households earning at or below 50% of AMI.
	Goal Description	Efforts are directed toward providing housing for low- and moderate-income households, particularly those that are cost burdened or earn at or below 50% of area median income, throughout the city. This includes supporting rental housing activities by nonprofits and for profit developers that contribute to sustainable, mixed- income neighborhoods. Increases may occur through the modernization and rehabilitation of existing housing stock or the construction of new units.

3.	Goal Name	Provide affordable rental housing and services for special needs and homeless populations.
	Goal Description	The City will provide supportive services for the homeless, persons living with HIV/AIDS, and Special Needs populations. These services include case management, counseling, financial assistance with services, housing, shelters, transitional housing, housing assistance, rapid re-housing, and permanent supportive housing. Homeless efforts will be coordinated and provided by the Greater Richmond Continuum of Care (GRCoC) in an effort to end homelessness.
4.	Goal Name	Increase homeownership for lower income working households.
	Goal Description	The City seeks to have a balance of affordable rental and homeownership opportunities within its neighborhoods. It encourages mixed- income neighborhoods as means to provide opportunities for all and reduce economic isolation of any of its residents. Homeownership can provide stability for working families by building equity, enable long-term social investment in the community, and control housing payments while area rents continue to rise.
5.	Goal Name	Economic empowerment opportunities that assist in reducing poverty.
	Goal Description	Economic development can equip low-income households with skills and resources to access higher paying careers. This is a vital goal as many of Richmond's households live in poverty and are experiencing housing cost burden.
6.	Goal Name	To administer federal grant money efficiently and effectively in order to connect the community to housing and community development needs.
	Goal Description	The City is committed to being a well-managed government and an efficient and effective steward of its federal funds. With recognition of decreasing revenues in today's economy, the City is very focused on the completion of projects in its pipeline and projects that will substantially contribute to program objectives for decent and affordable housing, creating suitable living environments, and creating economic opportunities.
7.	Goal Name	Provide programs and resource connections for low-income residents.
	Goal Description	Many Richmonders need assistance to help gain stability in their lives. Services funded by the City allow organizations to be able to fill these gaps in order to provide people with the necessary help and resources.

Table 7 – Goals Summary

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b)

Table 6 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Funding is based on completing existing open projects in order to meet a national objective as well as priorities outlined in the Five Year Consolidated Plan.

The City allocates CDBG funds to areas or projects/activities which predominantly benefit low- and moderate-income persons to rehabilitate or construct new housing for low- and moderate-income households; to create low- and moderate-income jobs; and to projects/activities that principally benefit low- and moderate-income persons.

The HOME funds will be used for administration and for housing projects/activities. These funds will be targeted to low-income households and projects/activities designed to provide affordable housing to low-income households. The disbursement is based on needs of low- and moderate-income households, not by geographic area.

The HOPWA funds will be used for housing related services for those with HIV/AIDS, such as tenant based rental assistance (TBRA), emergency short-term mortgage assistance, utility assistance, and information referrals. The disbursement is based on the needs of each client, not by geographic area. These funds serve the Richmond MSA, which covers the cities of Colonial Heights, Hopewell, Petersburg, Richmond, as well as the counties of Amelia, Caroline, Charles City, Chesterfield, Dinwiddie, Goochland, Hanover, Henrico, King William, New Kent, Powhatan, Prince George and Sussex.

The ESG funds will go to emergency shelters, homeless prevention, rapid re-housing, and the homeless management information system (HMIS). The disbursement is based on need of each shelter or agency, not by geographic area.

	Target Area	Citywide Highland Park
	Goals Supported	Sustainable, safe & healthy housing Citywide
	Needs Addressed	Supply of Decent and Healthy Affordable Housing Low-income residents in Gentrifying Neighborhoods.
	Funding	CDBG Funds: \$675,000.00
	Description	Owner-Occupied rehabilitation enables extremely low- to moderate-income homeowners (at 80% or less AMI) to make needed exterior and interior home repairs and remove elements of blight from their properties. The homeowners will receive assistance in the form of grants and forgivable loans during fiscal year 2023-2024.
	Target Date	6/30/2024
	Estimate the number and type of families that will benefit from the proposed activities	The following subrecipients will assist the following: • ProjectHomes - Critical Home Repair - 37 households. • Richmond Metro Habitat for Humanity - Critical Home Repairs in the City of Richmond - 12 households. All owner-occupied repair programs will serve low-and-moderate-income households living in the City of Richmond.
	Location Description	The project locations are the following: • Habitat for Humanity – Critical Home Repairs Program will focus on Highland Park neighborhood. • The remaining rehabilitation programs will focus on Citywide projects.

2.	Planned Activities	The City is going to fund the following activities: • ProjectHomes - Critical Home Repair (CDBG Funds - \$500,000) - Preservation of affordable homeownership in the City of Richmond by providing direct assistance to city homeowners in the form of home repair services. Recipients of the assistance will be owner-occupants with annual incomes at or below 80% of the AMI. 37 qualified long-term homeowners will be assisted with repairs. • Richmond Metro Habitat for Humanity - Critical Home Repairs in the City of Richmond (CDBG Funds - \$175,000) - Funding to support Critical Home Repairs for 6-12 homeowners in the City of Richmond whose incomes are between 0-80% of the AMI. Critical Home Repair services to be provided include the following: Roof replacement or repairs; Window replacement of failed windows; Repair and/or replace porches, steps, and ramps; Gutter repairs and/or replacement; Tree trimming and removal; Siding replacement/repair; and Installation of fabricated handrails; and Interior accessibility and life safety repairs. The National Objective is Low/Mod Income Housing Benefit (LMH). The HUD Matric Code is 14A, Rehab; Single-Unit Residential.
	Project Name	Single Family Development - FY 23/24
	Target Area	Hull Street - Lower Corridor Hull Street - Swansboro Corridor Citywide Highland Park
	Goals Supported	Increase homeownership for working LMI households
	Needs Addressed	Supply of Decent and Healthy Affordable Housing Location of Affordable Housing Access to Housing and Economic Opportunity
	Funding	CDBG Funds: \$ 1,881,126.00 HOME Funds: \$702,368.00

	Description	Downpayment assistance programs help low and moderate income families whose incomes are at 80% or below the area median income, purchase their first home in the City of Richmond. The HOME Inc. Keystone Program also provides intensive individual pre-purchase counseling, financial literacy and homebuyer group education. The construction of new single-family homes provides homes for low-and-moderate-income residents in order to have a safe and healthy living environment, build wealth and invest in the community.
	Target Date	6/30/2024
	Estimate the number and type of families that will benefit from the proposed activities	The following subrecipients will assist the following: • Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond - 6 households. • HOME Inc. - Creighton Court Community of Choice Affordable Homeownership - 6 households. • Southside Community Development & Housing Corporation – Downpayment Assistance - 15 households. • HOME Inc. - Keystone Program for First-Time Homebuyers - 14 households.
	Location Description	The project locations are the following: • Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond – Highland Grove development. • HOME Inc. - Creighton Court Community of Choice Affordable Homeownership - vicinity of the Creighton Court Public Housing complex. • Southside Community Development & Housing Corporation - Downpayment Assistance – Richmond’s Southside. • HOME Inc. - Keystone Program for First-Time Homebuyers - Citywide.

Planned Activities	The City is going to fund the following activities: • Southside Community Development & Housing Corporation – Downpayment Assistance (CDBG Funds - \$450,000) - SCDHC will utilize funding to be used as down payment assistance for 15 low-income first-time homebuyers purchasing SCDHC homes developed. Clients will be at or below 80% AMI. • Section 108 Payment (CDBG Funds - \$981,126) - CDBG funds will be used to make loan repayments on the 2012 Section 108 Guaranteed Loans made to the City of Richmond by the U.S. Department of Housing and Urban Development (HUD). The loan is guaranteed for 20 years at a variable interest rate (4.5% to 8.5%) and was earmarked for the rehabilitation of single-family homes and multi-family units and economic development in targeted areas of the City. The terms of the loan indicate that CDBG funds are to be used as repayment. Funding of this proposal will enable the City to meet its debt obligations for loans made to rehabilitate its housing stock and provide safe affordable housing to its residents. • Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond (HOME Funds - \$302,383) - To support a share of the cost to construct 2 triplexes (3 homes per triplex)—for a total of 6 safe, single-family, affordable, energy-efficient, attached homes—as part of the Highland Grove development. • projects: HOMES – Creighton Court Community of Choice Affordable Homeownership (HOME Funds \$399,985) - Project: HOMES will continue the successful revitalization work that has been completed in the East End through the production of high-quality affordable housing with six proposed home sites. These six sites will fall within the vicinity of the Creighton Court Public Housing complex. • HOME Inc. - Keystone Program for First-Time Homebuyers (CDBG Funds - \$450,000) - The Keystone Program provides intensive individual pre-purchase counseling, financial literacy, homebuyer group education and financial assistance. This ensures that families participating in the program will not only be able to buy a home, but will be responsible, successful long-term homeowners. This program also provides down payment assistance to help low- and moderate-income families whose incomes are at 80% or below of the area median income, purchase their first home in the City of Richmond.

		required to receive state and federal homeless assistance funding. The project will provide the HIPAA-compliant online database management tool to services providers working with individuals experiencing homeless and share necessary data with HCD for completion of the CAPER. • HCD - ESG Administration (ESG Funds - \$22,000) - ESG funding for program administration. National Objective is Low/Mod Income Clientele Benefit (LMC). The project matrix code is 21A General Program Administration; 03T Operating Cost of Homeless/AIDS Patients Programs; and 05Q Subsistence Payments, 05S Rental Housing Subsidies, and 05T Security Deposit.
6.	Project Name	HOPWA Activities - FY 23/24
	Target Area	Richmond MSA
	Goals Supported	Provide Housing & Services for SN & Homeless Pop.
	Needs Addressed	Resources for Special Needs Populations
	Funding	HOPWA Funds: \$2,207,892.00
	Description	Provide funding for housing related services for those with HIV/AIDS in the Richmond MSA. Funding is also provided for tenant based rental assistance, emergency short-term mortgage assistance, utility assistance, and information referrals.
	Target Date	6/30/2024
	Estimate the number and type of families that will benefit from the proposed activities	The following subrecipients will assist the following: • Virginia Supportive Housing - Permanent Supportive Housing – will assist 30 households. • Commonwealth Catholic Charities – HOPWA Greater Richmond – will assist 203 households. • Serenity, Inc. - Housing Assistance Program – will assist 120 households.

Location Description	HOPWA programs serve four independent cities, thirteen counties, and three incorporated towns that comprise the Richmond-Petersburg MSA. Virginia Supportive Housing (VSH) owns and operates four properties in which the HOPWA Supportive Services program is offered: Stratford House, New Clay House, Studios at South Richmond, and James River Apartments. Stratford House is a multi-family property with eight units for formerly homeless single adults currently living with HIV/AIDS. New Clay House (47 units), Studios at South Richmond (60 units), and James River Apartments (14 units) are larger communities in which they provide subsidized, permanent housing with supportive services.
-----------------------------	--

Planned Activities	The City is going to fund the following activities: • Homeward - HMIS (HOPWA) (HOPWA Funds - \$20,000) - Funds will support ongoing operations of the Homeward Community Information System (HCIS). HCIS a type of homeless management information system which is required to receive state and federal homeless assistance funding. Project will provide the HIPAA-compliant online database management tool to services providers working with individuals who are low-income and living with HIV/AIDs. Project will also share necessary data with HCD for the completion of the CAPER. • Virginia Supportive Housing (HOPWA Funds - \$395,245) - Funds will be used for the continued operation of Stratford House, which is a multi-family property for formally homeless single adults living with HIV/AIDs, and to further expand services to individuals and households that qualify for the HOPWA program. The project will serve at least 30 households, and at least 90 % of those households will reach goals to increase the likelihood of permanent housing stability. • Commonwealth Catholic Charities - HOPWA Greater Richmond (HOPWA Funds - \$1,031,214) - Funds will be used to provide short-term and long-term rental and financial assistance to individuals living with HIV/AIDs. Clients will also be connected to housing-focused case management services. The Project will prevent 120 eligible persons from experiencing homelessness, provide long-term rental assistance to 48 clients, and provide 35 eligible clients with immediate housing. • Serenity, Inc. - Housing Assistance Program (HOPWA Funds - \$154,000) - Funds will provide persons living with HIV/AIDs with housing-based case management and financial assistance. The project will provide case management services to 64 clients, provide rental assistance to prevent homelessness to 40 clients, and connect 16 clients with long-term rental assistance. • HCD - HOPWA Administration (HOPWA Funds - \$60,303) - HOPWA funding for program administration. • Unallocated Funds (HOPWA Funds - \$547,130) - Unallocated HOPWA funds. The City will publish a NOFA in PY 23 to allocate these funds. The national objective is Low/Mod Income Housing Benefit (LMH).

Rationale for the priorities for allocating investments geographically

Funding is based on completing existing open projects in order to meet a national objective as well as priorities outlined in the Five Year Consolidated Plan. Resources are allocated based on neighborhood indicators and the results of comprehensive planning and allocation processes and include federal funding only.

The City allocates CDBG funds to areas or projects/activities which predominantly benefit low- and moderate-income persons to rehabilitate or construct new housing for low- and moderate-income households; to create low- and moderate-income jobs; and to projects/activities that principally benefit low- and moderate-income persons.

The HOME funds will be used for administration and for housing projects/activities. These funds will be targeted to low-income households and projects/activities designed to provide affordable housing to low-income households. The disbursement is based on needs of low- and moderate-income households, not by geographic area.

The HOPWA funds will be used for housing related services for those with HIV/AIDS, such as tenant based rental assistance (TBRA), emergency short-term mortgage assistance, utility assistance, and information referrals. The disbursement is based on the needs of each client, not by geographic area.

The ESG funds will go to emergency shelters, homeless prevention, rapid re-housing, and the homeless management information system (HMIS). The disbursement is based on need of each shelter or agency, not by geographic area.

AP-60 Public Housing – 91.220(h)

Introduction

The Richmond Redevelopment and Housing Authority (RRHA) provides decent and affordable housing in a safe and secure living environment for nearly 4,000 low and moderate-income households throughout the City of Richmond. To fulfill this mission, RRHA seeks to preserve its aging housing stock through timely maintenance, modernization, and revitalization of its developments. RRHA also administers a city-wide Housing Choice Voucher Program (formerly Section 8) that provides a rental housing assistance supplement for more than 3,000 families that rent from private landlords. RRHA works to enhance the quality of life at RRHA's housing facilities by offering the residents opportunities to participate in various community, educational and recreational programs, as well as job readiness and training initiatives.

Actions planned during the next year to address the needs to public housing

Statement of Housing Needs and Strategy for Addressing Housing Needs:

The Richmond Redevelopment and Housing Authority (RRHA) identifies the housing needs of the low-income, very-low income, and extremely low-income families. These families must reside in the jurisdiction served by RRHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing, and Housing Choice Voucher Program tenant-based and project-based assistance waiting lists.

The housing needs for RRHA applicants and participants covers the income levels, racial distribution and bedrooms needed. Based on the area median income (AMI) for these income brackets, there remains a need for housing throughout the area.

RRHA's strategy to address the housing needs of these individuals/families include:

- **Maximizing the number of affordable units available:**
 - 1) Employ effective management practices and policies to minimize off-line public housing units with an occupancy goal of 98%,
 - 2) Maintain at least 92% lease-up rate or 100% budget authority for the Housing Choice Voucher Program by establishing effective payment standards, occupancy standards, and manageable practices,
 - 3) Undertake measures to ensure access to affordable housing among families within RRHA Public Housing Developments and waiting list applicants.
- **Increasing the number of affordable housing units** by applying for additional voucher subsidy and special programs available through Notice of Funding Availability.
- **Increase the awareness of RRHA resources** by providing marketing information to local social

service agencies, advocacy groups, partners, residents, and applicants; advertise in available publications, RRHA website, and radio campaigns.

- **Conduct activities to affirmatively further fair housing:**
 - 1) Further encourage a positive partnership with H.O.M.E to encourage and counsel HCVP participants to locate units outside of areas of poverty or minority concentration.
 - 2) RRHA is also engaged in a Regional Analysis of Impediments to Fair Housing Choice, with other nearby jurisdictions to guide future practices and eliminate housing barriers for low, very low, and moderate- income households.

The strategies that RRHA pursue will be influenced by funding, staffing availability, housing needs, and consultation with residents, the Resident Advisory Board, and advocacy groups.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

In collaboration with the Housing Choice Voucher Program, the initial planning and draft modeling for the operation of the Homeownership Program in connection with the Family Self Sufficiency (FSS) program has taken place. Current FSS participant's whose goals include homeownership readiness are still in progress.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Richmond Redevelopment and Housing Authority (RRHA) is not classified as "troubled" by HUD and is performing satisfactorily according to HUD guidelines and standards. Therefore, no assistance is needed to improve operations of this Public Housing Authority.

Discussion

Richmond Redevelopment and Housing Authority (RRHA) is undertaking a comprehensive approach to addressing conditions within and around public housing. Local and private funds are being used to improve physical and social conditions of redeveloped areas.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Richmond utilizes ESG funds to partner with non-profit and faith-based service providers to assist individuals and families who are either facing a homeless crisis or facing an imminent homeless crisis through temporary emergency shelter programs, rapid re-housing programs, homeless prevention assistance, and through proper and sound documentation of those assisted by ESG funded programs through our community's Homeless Management Information System.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

ESG funding has allowed the City of Richmond to assist the Greater Richmond Continuum of Care's (GRCoC) Street Outreach efforts. This includes a Self-Resolution Housing Navigator, who will identify housing resources and opportunities for unsheltered individuals. Homeward, the lead organization in the GRCoC, operates the Point in Time Count twice a year in an effort to gain an accurate count of the number of individuals facing a homeless crisis, and to connect those homeless individuals and families with a wide range of services available in the Richmond community. These services include, but are not limited to, connections with the DMV to get identification, connections to medical and social services, and connections to income support programs.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Richmond has devoted ESG funds to the support of emergency shelter programs through the following homeless services partners: CARITAS, HomeAgain, Housing Families First, and Homeward. ESG funds have been utilized to continue emergency shelter programs. Homeward operates a temporary shelter that is ran through a string of hotels and motels to provide those seeking shelter with isolated rooms that help prevent the spread of COVID-19. Emergency Shelter programs funded with standard ESG funding are projected to assist 1,080 homeless individuals.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Richmond is continuing its efforts to provide affordable, safe, and stable housing opportunities for all individuals facing homelessness, with a focus on shortening the period individuals and families experience homelessness. A majority of these efforts are conducted through rapid re-housing programs, which are funded by both ESG and ESG-CV funds. The City of Richmond's is continuing to fund the rapid re-housing programs to assist individuals transition from homelessness to secure stable, safe, and affordable housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City of Richmond is a member of The Greater Richmond Continuum of Care (GRCoC) which coordinates services and resources with the Richmond City Community Criminal Justice Board on the needs of people experiencing homelessness who have been involved with the criminal justice system. The City of Richmond is utilizing ESG funds to provide financing to community housing and isolation housing for individuals exiting the criminal justice system, so that they have safe and stable housing during the COVID-19 pandemic. The Greater Richmond Continuum of Care also works with the Central Region Independent Living Advocates for Youth on the needs of youth aging out of the foster care system; The City of Richmond has utilized CDBG and ESG fund to assist LGBTQ+ Emergency Shelter, that is focused on assisting LGBTQ+ youth who have aged out of the foster system and are facing a homeless crisis. The GRCoC Coordinated Outreach team works in conjunction with hospitals in the area to address the needs of patients exiting care and facing homelessness. The City of Richmond Department of Housing and Community Development has funded the Richmond Eviction Diversion Program through CARES Act funds and local general funds to prevent households facing eviction due to late rent and utility payments.

Discussion

The City of Richmond will continue to support and cooperate with the Continuum of Care, including applications for SuperNOFA funds, etc. The City will strive to identify programs and activities that will

reduce chronic homelessness.

The City of Richmond will provide funding for the following activities in PY 2023 to address the needs of individuals and families with children who are homeless or imminent at risk of becoming homeless:

- **CDBG Activities** – The City is going to fund the following activities:
 - **Increasing Access to Care: Integrated Medical Outreach (CDBG Funds - 70,969)** - Project provides mobile street medicine and medical and behavioral health outreach to individuals experiencing homelessness in Richmond. Project will provide primary care to 300 unduplicated patients through a walk-up basis at mobile medical events or via street medicine outreach.
 - **Richmond Behavioral Health Authority - Residential Support for Homeless Families (CDBG Funds - \$110,316)** - The program provides case management services to 100 families who are in the midst of homelessness and are being sheltered by one of the partner agencies. Families are connected to mainstream housing in the community. The program also operates two apartments that are utilized as short-term temporary housing for families who are homeless and demonstrate a commitment to obtaining self-sufficiency.
- **ESG Activities** - The City is going to fund the following activities:
 - **CARITAS - Emergency Shelter & Case Management (ESG Funds - \$60,000)** - Funds will support the low barrier emergency shelter for single men and women in Richmond. Individuals experiencing homelessness are connected to case management services and receive referrals for community resources to help transition from shelter to a positive housing destination. Project will provide shelter to 500 adults experiencing homelessness and assist in helping 150 individuals move to a positive housing destination within 90 days.
 - **Housing Families First - Hilliard House/Building Neighbors (ESG Funds - \$80,000)** - Funds will support families experiencing homelessness in Richmond with short-term emergency shelter, case management, and provide rapid-rehousing services for some selected families. Funds will assist in sheltering 50 families (roughly 165 family members) and provide rapid re-housing services to approximately 12 families (roughly 40 family members).
 - **YWCA - YWCA Richmond Rapid Re-Housing (ESG Funds - \$50,000)** - ESG funds will be expended on staff salary and benefits, client rent, and security deposits for City of Richmond survivors of domestic violence who have fled unsafe situations in their homes and are classified as homeless.
 - **HomeAgain - Emergency Shelter Operations and Rapid Re-Housing (ESG Funds - \$106,768)** - Funds will be used to support temporary emergency shelter and rapid re-housing services to individuals and families. The rapid re-housing project will provide 100 households with financial assistance and housing-focused case management. The shelter project will provide 200 individuals with case management services to assist in achieving

long-term housing stability with a goal of at least 56% of those individuals moving to permanent housing in less than 75 days.

- **St. Joseph's Villa - Elderly Outreach Pilot (ESG Funds - \$66,000)** - Funds will support outreach and housing stabilization to youth, young adults, and the elderly who are experiencing homelessness for the first time in Richmond. HCD is requesting that funding amount be used specifically for services to elderly individuals as noted in application. Project will engage 60 elderly clients with safety assessments and housing crisis intervention services.
- **Homeward - Homeward Community Information System (HCIS) (ESG Funds - \$8,500)** - Funds will support ongoing operations of the Homeward Community Information System (HCIS). HCIS a type of homeless management information system which is required to receive state and federal homeless assistance funding. The project will provide the HIPAA-compliant online database management tool to services providers working with individuals experiencing homeless and share necessary data with HCD for completion of the CAPER.
- **HCD - ESG Administration (ESG Funds - \$22,000)** - ESG funding for program administration.
- **HOPWA Activities** - The City is going to fund the following activities:
 - **Homeward - HMIS (HOPWA) (HOPWA Funds - \$20,000)** - Funds will support ongoing operations of the Homeward Community Information System (HCIS). HCIS a type of homeless management information system which is required to receive state and federal homeless assistance funding. Project will provide the HIPAA-compliant online database management tool to services providers working with individuals who are low-income and living with HIV/AIDs. Project will also share necessary data with HCD for the completion of the CAPER.
 - **Virginia Supportive Housing (HOPWA Funds - \$395,245)** - Funds will be used for the continued operation of Stratford House, which is a multi-family property for formally homeless single adults living with HIV/AIDs, and to further expand services to individuals and households that qualify for the HOPWA program. The project will serve at least 30 households, and at least 90 % of those households will reach goals to increase the likelihood of permanent housing stability.
 - **Commonwealth Catholic Charities - HOPWA Greater Richmond (HOPWA Funds - \$1,031,214)** - Funds will be used to provide short-term and long-term rental and financial assistance to individuals living with HIV/AIDs. Clients will also be connected to housing-focused case management services. The Project will prevent 120 eligible persons from experiencing homelessness, provide long-term rental assistance to 48 clients, and provide 35 eligible clients with immediate housing.
 - **Serenity, Inc. - Housing Assistance Program (HOPWA Funds - \$154,000)** - Funds will provide persons living with HIV/AIDs with housing-based case management and financial assistance. The project will provide case management services to 64 clients, provide rental assistance to prevent homelessness to 40 clients, and connect 16 clients with long-term rental assistance.

- **HCD - HOPWA Administration (HOPWA Funds - \$60,303)** - HOPWA funding for program administration.
- **Unallocated Funds (HOPWA Funds - \$547,130)** - Unallocated HOPWA funds. The City will publish a NOFA in PY 23 to allocate these funds.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The actions planned to impact the negative effects of public policy for the next three years are outlined below as shown in the Equitable Affordable Housing Plan. These policy recommendations are also referenced in the regional Analysis of Impediments to Fair Housing Choice 2020.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

2021-2023 Policy, Legislation:

- Amend the Zoning Ordinance to allow shelters and group homes by-right
- Create a new Tax Rebate program for new construction multi-family mixed-income
- Amend the Zoning Ordinance to permit churches to offer emergency shelter year-round
- Amend the Zoning Ordinance to allow accessory dwelling units in all residential zoning districts
- Encourage two-family unit development to allow buyers to lease the additional unit and reduce housing costs
- Reform the City's Blight program to allow the City to quickly acquire vacant blighted lots and buildings and then provide the land/building to affordable nonprofit organizations to rehab or build new affordable housing
- Lobby for and get approved Inclusionary Zoning for the Commonwealth of Virginia and adopt a local ordinance

Discussion:

The Equitable Affordable Housing Plan has been approved by City Council on February 28, 2022. The Zoning Ordinance has been amended to allow the expansion of shelters and group homes by-right in other zoning districts.

During its PY 2023 CDBG, HOME, ESG, and HOPWA Program Year the City proposes to fund activities/projects that affirmatively further fair housing. This includes:

- Assistance with rehabilitation costs for lower income owner-occupied housing.
- Assist with the development of new rental-occupied housing.
- Assistance with funds to develop new owner-occupied housing.
- Funds for downpayment assistance and closing costs for low income homebuyers.
- Funds for housing counseling services.

- Funds for social services programs.
- Job training and economic development opportunities.

During the PY 2023 Program Year, the City proposes to fund the following housing activities:

- ProjectHomes - Critical Home Repair
- Richmond Metro Habitat for Humanity - Critical Home Repairs in the City of Richmond
- Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond

- CARITAS - Emergency Shelter & Case Management
- Housing Families First - Hilliard House/Building Neighbors
- YWCA - YWCA Richmond Rapid Re-Housing
- HomeAgain - Emergency Shelter Operations and Rapid Re-Housing
- St. Joseph's Villa - Elderly Outreach Pilot
- Homeward - Homeward Community Information System (HCIS)
- Homeward - HMIS (HOPWA)
- Virginia Supportive Housing
- Commonwealth Catholic Charities - HOPWA Greater Richmond
- Serenity, Inc. - Housing Assistance Program

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Richmond has developed the following actions which addresses:

- Obstacles to meeting underserved needs;
- Fosters affordable housing;
- Reduces lead-based hazards;
- Reduced the number of poverty-level families;
- Develops institutional structures, and
- Enhance coordination between public and private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The Department of Housing and Community Development presented City Council with the Equitable Affordable Housing Plan in September 2020. The Plan was approved by City Council on February 28, 2022. The plan laid out critical policies and initiatives that promote inclusive, equitable, and bold ways of addressing our City's housing needs.

Actions planned to foster and maintain affordable housing

During the PY 2023 Annual Action Plan, the City of Richmond will fund the following projects:

- ProjectHomes - Critical Home Repair
- Richmond Metro Habitat for Humanity - Critical Home Repairs in the City of Richmond
- Richmond Metro Habitat for Humanity - Increasing Equitable, Affordable Housing in Richmond
- projects: HOMES - Creighton Court Community of Choice Affordable Homeownership
- Southside Community Development & Housing Corporation – Downpayment Assistance
- HOME Inc. - Keystone Program for First-Time Homebuyers
- Better Housing Coalition - Lafayette Gardens
- The Community Builders - Creighton Phase B
- Swansboro Place, LLC/Cantebury Development Group
- Enterprise Community Development - 1203 E. Brookland Park Blvd.

Actions planned to reduce lead-based paint hazards

The City of Richmond is working to reduce potential lead-based paint hazards. Below are the City's activities to reduce lead-based paint hazards are related to rehabilitation and homeownership programs.

Rehabilitation Programs

The City of Richmond will continue to ensure that:

- Applicants for rehabilitation funding receive the required lead-based paint information and understand their responsibilities.
- Staff properly determines whether proposed projects are exempt from some or all lead-based paint requirements.
- The level of Federal rehabilitation assistance is properly calculated and the applicable lead-based paint requirements determined.
- Properly qualified personnel perform risk management, paint testing, lead hazard reduction, and clearance services when required.
- Required lead hazard reduction work and protective measures are incorporated into project rehabilitation specifications.
- Risk assessment, paint testing, lead hazard reduction, and clearance work are performed in accordance with the applicable standards established in 24 CFR Part 35, Subpart R.
- Required notices regarding lead-based paint evaluation, presumption, and hazard reduction are provided to occupants and documented.
- Program documents establish the rental property owner's responsibility to perform and adhere to ongoing lead-based paint maintenance activities, when applicable.
- Program staff monitors owner compliance with ongoing lead-based paint maintenance activities.

Homeownership Programs

The City of Richmond will continue to ensure that:

- Applicants for homeownership assistance receive adequate information about lead-based paint requirements.
- City staff properly determine whether proposed projects are exempt from some or all lead based paint requirements.
- A visual assessment is performed to identify deteriorated paint in the dwelling unit, any common areas servicing the unit, and exterior surfaces of the building.
- Prior to occupancy, properly qualified personnel perform paint stabilization and the dwelling passes a clearance exam in accordance with the standards established in 24 CFR Part 35, Subpart R.
- The home buyer receives the required lead-based paint pamphlet and notices.

The City of Richmond will reduce LBP hazards through its housing activities that involve new construction, the rehabilitation of existing owner-occupied structures, and using lead safe work practices on structures for sale/lease. The lead-based paint reduction activities will also involve code enforcement, lead paint/healthy homes education to homeowners, renters, and landlords. The City requires all of its housing

providers to follow Federal and City Lead Paint Regulations to ensure that lead based paint hazards are reduced or in many cases eliminated.

Resident who need lead paint remediation in their homes will be referred to the State of Virginia Department of Housing and Community Development by the City. VA DHCD has a Lead Based Paint Hazard Control grant that can assist low and moderate income Richmond residents.

Actions planned to reduce the number of poverty-level families

According to the 2017-2021 American Community Survey, approximately 21.1% of the City of Richmond's residents live in poverty, while only 6.2% of Henrico County residents live in poverty and 10.2% of the Commonwealth of Virginia residents live in poverty. Female-headed City households with children are particularly affected by poverty at 41.7%. The City's goal is to reduce the extent of poverty by 5%, based on actions the City can control and work with other agencies/organizations.

Elements of the Plan to End Homelessness are addressed in the Annual Action Plan budget along with other local funds. Elements to be addressed include workforce development, job creation through financial support and incentives to businesses, financial literacy training for households, and the increase of affordable housing units in the City. Partner with the Office of Community Wealth Building to address the issue of families and individuals living in poverty.

The City with its PY 2023 CDBG funds plans to fund the following types of economic development and anti-poverty programs include:

- Section 108 Payment
- Green Jobs/Solar Panel Installation
- Metropolitan Business League - Economic Development

Actions planned to develop institutional structure

To effectively implement the Annual Action Plans, the City needs to collaborate with a variety of agencies located in the City of Richmond and also surrounded by Henrico and Chesterfield counties. Coordination and collaboration between agencies is important to ensuring that the priorities identified in the Five Year Consolidated Plan within the City are adequately addressed. The key agencies that are involved in the implementation of the PY 2023 Annual Action Plan, as well as additional resources that may be available are described below.

Public Institutions –

- The City of Richmond, through its Housing and Community Development Department, is responsible for the overall administration for the City's Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), and Housing

Opportunities for Persons with AIDS (HOPWA) programs, including some of the local programs that assist target income residents. The Department's responsibilities include managing and implementation of the City's affordable housing policies, including the Five Year Consolidated Plan and Annual Action Plans, and other related documents. The Housing and Community Development Department annually submits for CDBG, HOME, ESG and HOPWA funding through the Annual Action Plan.

- Richmond Redevelopment & Housing Authority administers public housing and the Section 8 Housing Choice Voucher Program. The RRHA will continue to modernize units, develop and support new and/or rehabilitated affordable units, and redevelop distressed and obsolete properties into new mixed-income neighborhoods.

Non-Profit Organizations –

- Non-profit developers play a role in the implementation of the Annual Action Plan. These developers access funding from the City of Richmond to develop new construction and rehabilitation of existing housing units.
- Two (2) organizations, Project:HOMES and Southside Community Development and Housing Corporation have been certified or recertified as Community Housing Development Organizations (CHDO's) operating in the City of Richmond.

Private Industry –

- The private sector is an important partner in the services and programs associated with the Annual Action Plan. The private sector brings additional resources and expertise that can be used to supplement existing services or fill in gaps in the system. Several lending institutions provide first-time mortgage financing and financing for rehabilitation. Lenders, affordable housing developers, business and economic development organizations, and private service providers offer a variety of assistance to residents such as health care, small business assistance, home loan programs, and assisted housing, among others.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Richmond is committed to continuing its participation and coordination with public, housing, and social service agencies. The City solicits application for CDBG, HOME, HOPWA, and ESG funds. In addition, the City sends out applications to a list of agencies, organizations, and housing providers that have previously submitted an application or has expressed an interest in submitting an application. The application is reviewed by the Department of Housing and Community Development and the City discusses any questions with the applicant. The City provides help and assistance to its public and private agencies that they fund.

Discussion:**Monitoring:**

The City of Richmond will distribute its Procedures Manual and will provide training to new program participants on program procedures and requirements, to ensure long-term compliance with program requirements and comprehensive planning requirements, at the beginning of the new fiscal year.

The City's Department of Housing and Community Development will contract with subrecipients and will be responsible for the reporting and monitoring the compliance of all agencies and subrecipients using CDBG, HOME, ESG and HOPWA funds in accordance with HUD's regulations.

Risk-Based Monitoring reviews are conducted on all contracts receiving federal funds. Higher priority is given to those agencies receiving first-time federal funding for programs, on agencies receiving substantial amounts of funding, and on problem agencies. Remaining programs are evaluated to determine when monitoring will be conducted. Every reasonable effort will be made to examine an agency at least once during a twenty-four (24) month period. Construction projects are monitored through the completion of the project.

Reporting Requirements. Each contract will contain a detailed item plan that outlines the goals and objectives against which the sub-recipient's performance will be measured. The subrecipient shall provide the Department of Housing and Community Development with a quarterly report on the status of each activity as agreed to in the contract. Annually, the HCD shall prepare a comprehensive Consolidated Annual Performance Report (CAPER) to be submitted to HUD. HCD will also prepare and submit a HOPWA CAPER and ESG CAPER. These reports shall include progress on major objectives of each contract as well as problems encountered that have hindered such progress.

Performance Monitoring. HCD shall be responsible for monitoring the performance of each grantee under the terms of the contract and Letters of Agreement. Each program will be reviewed for compliance or non-compliance with applicable Consolidated Plan regulations, executive orders, labor standards, Equal Employment Opportunity, Section 3, environmental and other 504 federal requirements. Monitoring will be accomplished through bi-annual on-site visits, analysis of quarterly reports, review of subcontracts and bid documents, employee interviews, pre-construction conference, and review of activities in relation to the provisions of the Davis-Bacon Act and Wage procedures. Performance monitoring includes Client/Project Eligibility Reviews, Matching Funds Requirements, Property Management Monitoring, Personnel Standards, Fraud, Abuse, and Compliance Reviews.

Minority Participation. The City of Richmond encourages minority participation in all contracts through the following City policies:

- The City has an automated system for identifying and maintaining an inventory of certified minority business enterprises (MBEs) and Emerging Small Businesses (ESBs), their capabilities, services, supplies, and/or products.

- The City uses the local media, electronic and print, to market and promote contract and business opportunities. Further, it utilizes the minority papers works with the Metropolitan Business League, Hispanic and Asian chamber of commerce, Development Fairs.
- As part of any invitation to bid, the City develops informational and documentary materials (fact sheets, program guides, procurement forecasts, etc.) on contract/subcontract opportunities for MBEs and WBEs.
- All City procurement packages include a Minority Business/Participation Commitment Form.
- The City, in cooperation with the Virginia Regional Minority Supply Development Council and the Metropolitan Business League, sponsors business-related meetings, conferences and seminars.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

The City of Richmond receives an annual allocation of CDBG, HOME, ESG, and HOPWA funds. Since the City receives these federal allocations the questions below have been completed, as they are applicable.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	\$0.00
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	\$0.00
3. The amount of surplus funds from urban renewal settlements	\$0.00
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	\$0.00
5. The amount of income from float-funded activities	\$0.00
Total Program Income:	\$0.00

Other CDBG Requirements

1. The amount of urgent need activities	\$0.00
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.0%

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Richmond does not intend to use any other forms of investment other those described in 24 CFR 92.205(b). Not Applicable.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Not Applicable.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City of Richmond currently uses the recapture provision option outlined in Section 24 CFR Part 92.254 (a)(5)(ii)(A)(2) to ensure the affordability requirements for the HOME Investment Partnerships (HOME) Program. The recapture provision will be used to recover the direct subsidy to the homebuyer which includes down payment, closing cost assistance, interest subsidies and any difference between fair market value and purchase price. The recapture provision will be limited to net proceeds available from the sale of the HOME assistance unit. The amount of direct subsidy subject to recapture is based on the pro-rata share of the remaining affordability period.

a) Deed of Trust (Forgivable Loan - CDBG and HOME Generally)

The general Deed of Trust will provide affordability assistance to home buyers. The affordability period is determined by the amount of direct subsidy included in the deed or land covenant, which will be defined in the terms of the loan. The affordability period will apply as follows:

- Project under \$15,000 are five-year term
- Projects from \$15,001 - \$40,000 are ten-year term
- Projects over \$40,000 are fifteen-year term

The City will enforce the recapture provision requirement in its contractual agreement with its sub-recipients, for-profit organizations and CHDOs. This recapture provision must be used by all sub-recipients, for-profit organizations and CHDOs when transactions are sale of property using HOME Investment Partnerships Program. Therefore, all the sub-recipients, for-profit organizations or CHDOs will be responsible for passing the recapture provision requirement to the purchaser of the HOME assisted unit in the form of a deed or land covenant that runs concurrently with the affordability

period.

b) Second Mortgage - Deed of Trust (Deferred Loan)

To further affordable housing, homebuyer assistance can be provided where the project is required to serve low/mod homebuyers. Such assistance should be structured as a second mortgage in the form of a deferred loan with an interest rate of no more than 3%, accruing for no more than 10 years, to be paid in full only upon sale of property. This instrument will be held as joint trustees from the sub-recipient and the City of Richmond. However upon sale, the funds will be returned to the City of Richmond as program income. Financing such as this can be in addition to down payment and closing cost assistance, structured as a forgivable loan. The City shall retain the discretion to, after 10 years; waive some or all of the lien in instances where property values have declined. This assistance cannot exceed \$25,000 without written permission and sufficient justification.

The City will enforce the recapture provision requirement in its contractual agreement with its sub-recipients, for-profit organizations and CHDOs. This recapture provision must be used by all sub-recipients, for-profit organizations and CHDOs when transactions are sale of property using HOME Investment Partnerships Program. Therefore, all the sub-recipients, for-profit organizations or CHDOs will be responsible for passing the recapture provision requirement to the purchaser of the HOME assisted unit in the form of a deed or land covenant that runs concurrently with the affordability period.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City of Richmond does not intend to refinance any existing debt for multifamily housing that will be rehabilitated with HOME Funds. Not Applicable.

Emergency Solutions Grant (ESG) Reference 91.220(I)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

By accepting ESG funds from the City of Richmond, all sub-recipients agree to administer assistance in a manner that's consistent with the standards mandated by the City of Richmond, in accordance with federal ESG regulations. A full copy of the City of Richmond's ESG Written Standards has been included in the appendix section of the FY 2023 Annual Action Plan.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Greater Richmond Continuum of Care (GRCoC), which the City of Richmond is a member of, established the Coordinated Entry System (CES) in 2015 to establish a coordinated assessment and referral process for homeless services and assistance in the greater Richmond region. The main access points are the Homeless Crisis Line, street outreach teams, and domestic violence hotlines. Through the Homeless Crisis Line, individuals and families experiencing homelessness, or who are 3-days out from a homeless crisis, will have an assessment conducted to them to determine what programs provided by GRCoC partner organizations that best suits their needs, and are referred to them and other non-GRCoC resources for assistance. If possible, the caller will be diverted to other benefits and programs that will prevent them from experiencing homelessness.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City of Richmond utilizes a competitive application process to sub-award ESG funds. Current, past, and potential partners are all welcomed to apply for funding. Federal and local strategic priorities are made clear in the application, while all applicants are encouraged to participate in the GRCoC and work to address gaps in their service network. The ESG application review involves staff review and scoring within the Department of Housing and Community Development. All applications are discussed with the Greater Richmond Continuum of Care's Ranking Committee, to ensure eligibility and alignment with regional efforts to end homelessness; once awarded projects have a solidified funding amount via departmental budgeting discussions and sessions, the awarded projects are sent to the City of Richmond's Administration and City Council for approval.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The Greater Richmond Continuum of Plan utilizes homeless participation in evaluating their programs, policies, and committees. The GRCoC conducts focus groups and other input sessions with individuals experiencing homelessness, and individuals who have experience a homeless crisis in the past.

5. Describe performance standards for evaluating ESG.

The City of Richmond established performance standards and measures based on performance measures established in the HEARTH Act. Performance standards and outcomes are agreed upon in the contract and grant agreement between the City of Richmond and homeless service provider. Client data is uploaded and tracked into the GRCoC's HMIS database, which is used to produce output reports quarterly. ESG dollars used to fund domestic violence organizations utilize a comparable but different database, but the performance measures are still aggregated in quarterly report forms. The GRCoC Performance Measurement Committee meets regularly and develops performance standards for each program type and activity.
