LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party."

WITNESSETH

In consideration of the mutual covenants contained herein and intending to be legally bound hereby, the Parties hereto agree as follows:

1. **PREMISES.** LESSOR hereby leases to LESSEE approximately one hundred ten and twenty-five tenths (110.25") square feet of space on the roof (the "Rooftop Space") of the building (the "Building") located at 1006 Williamsburg Road, City of Richmond, Virginia 23221 (the Building and such real property are hereinafter sometimes collectively referred to as the "Property"), for the installation, operation and maintenance of communications equipment ("LESSEE'S Communication Facility"); together with such additional space on the roof of the Building sufficient for the installation, operation and maintenance of antennas (the "Antenna Space"); together with such additional space on the roof of the Building and on the Property for the installation, operation and maintenance of wires, cables, conduits and pipes (the "Cabling Space") running between and among the Rooftop Space and Antenna Space and to all necessary electrical and telephone utility sources located within the Building or on the Property; together with the non-exclusive right of ingress and egress from a public right-of-way, over the Property and in and through the Building to and from the Premises (as hereinafter defined) for the purpose of installation, operation and maintenance of LESSEE'S Communications Facility; together with the non-exclusive right of ingress and egress from a public right-of-way, seven (7) days a week, twenty four (24) hours a day, over the Property and in and through the Building to and from the Premises (as hereinafter defined) for the purpose of installation, operation and maintenance of LESSEE'S communications facility. The Rooftop Space, Antenna Space and Cabling Space are hereinafter collectively referred to as the "Premises" and are as generally shown in addition to LESSEE'S Communication Facility on Exhibit "A" attached hereto and made a part hereof and more particularly shown on the Construction Plans (as hereinafter defined). In the event there are not sufficient electric and telephone, cable or fiber utility sources located within the Building or on the Property, LESSEE or the local utility provider may install such utilities on, over, and under the Property, and through the Building, necessary for LESSEE to operate its communications facility, upon written approval of upon written approval of the Chief Administrative Officer for the City of Richmond, Virginia, or her designee. LESSEE shall provide LESSOR all applicable construction plans for the Premises (the "Construction Plans") prior to the commencement of the installation of the Communications Facility, which approval shall not be unreasonably withheld, conditioned or unduly delayed. In the event LESSOR fails to object to the Construction Plans within thirty (30) days, the Construction Plans shall be deemed approved provided such Construction Plans are in substantial conformance to the location, character and extent approval of the Premises by the Planning Commission of the City of Richmond, Virginia.

2. **RENT.** This Agreement shall be effective as of the date of execution by both Parties, provided, however, the initial term shall be for five (5) years (the "Initial Term") and shall commence on the first day of the month following the day that LESSEE commences installation of the equipment on the

Premises or 90 days following the date of execution, whichever occurs first (the "Commencement Date"). The rental fee for the first year of the Initial Term shall be Seven Thousand Two Hundred and No/100 Dollars (\$7,200.00) annually ("the "Rent") and shall be paid to LESSOR within 30 days of the Commencement Date. If at any time during the Term of the Lease, LESSEE'S Communication Facility contains greater than two antennas or LESSEE otherwise causes greater than two antenna to be placed on the Property, the Rent shall increase by Four Thousand Eight Hundred and No/100 Dollars (\$4,800.00) per year per additional antenna(s). The Rent shall increase on each anniversary of the Commencement Date at an amount equal to three percent (3%) of the rental payable during the immediately preceding year for the remainder of the Initial Term and any Renewal Terms (as defined in Section 4 of this Agreement), and shall be paid to LESSOR prior to the anniversary date of the Commencement Date. LESSOR and LESSEE shall acknowledge the Commencement Date in writing; however the failure to do so shall not relieve LESSEE of any Rent payment obligation. LESSEE shall pay to LESSOR a one-time park improvement fee of Five Thousand and No/100 Dollars (\$5,000.00) as additional Rent within sixty (60) days after the full execution of this Agreement.

LESSOR hereby agrees to provide to LESSEE certain documentation (the "Rental Documentation") including without limitation: (i) a completed Internal Revenue Service Form W-9, or equivalent for any party to whom rental payments are to be made pursuant to this Agreement; and (ii) other documentation requested by LESSEE and within fifteen (15) days of obtaining an interest in the Property or this Agreement. All documentation shall be acceptable to LESSEE in LESSEE's reasonable discretion. Delivery of Rental Documentation to LESSEE shall be a prerequisite for the payment of any rent by LESSEE and notwithstanding anything to the contrary herein, LESSEE shall have no obligation to make any rental payments until Rental Documentation has been supplied to LESSEE as provided herein.]

3. RENEWAL. Provided LESSEE is not in default under the terms of this Agreement beyond any applicable cure period, LESSEE shall have the option to renew this Agreement for up to three (3), five (5) year renewal terms, upon three (3) months written notice to LESSOR, provided that each such renewal shall be subject to the approval of the City Council of the City of Richmond (each a "Renewal Term"). The Initial Term and all Renewal Terms shall be collectively referred to herein as "Term".

4. ELECTRICAL. LESSOR shall, at all times during the Term, provide electrical service within the Premises sufficient for the operation of LESSEE's communications facility; provided, however that LESSOR shall not be deemed to be in violation of this section due to periodic and temporary disruption of electrical service, disruption of electrical service not caused by LESSOR, or the disruption of electrical service due to Acts of God (e.g., blackouts, power outages). Upon twenty-four (24) hours notice, or in the event of an emergency as soon as practicable, to LESSOR at the following number 646-5944, LESSEE shall be permitted at any time during the Term to install, maintain, and/or provide access to and use of, as necessary during any power interruption at the Premises, a temporary power source and a temporary installation of any other services and equipment required to keep LESSEE'S communications facility operation, along with all related equipment and appurtenances within the Premises, or elsewhere on the Property as approved by LESSOR.

5. USE; IMPROVEMENTS, GOVERNMENTAL APPROVALS. LESSEE shall only use the Premises for the purpose of constructing, maintaining, repairing and operating LESSEE'S Communication Facility and uses incidental thereto and LESSEE shall not materially interfere with the normal and customary operations of LESSOR. LESSEE shall not substantially change its initial installation as shown in Exhibit A without obtaining the prior written consent of the LESSOR, which consent shall not be unreasonably withheld. Such consent shall be deemed granted if provided in writing by the Chief Administrative Officer for the City of Richmond or if LESSOR does not deny consent within sixty (60) days of receiving a request for consent from LESSEE. For purposes hereof, replacement or

modifications to the installation which do not alter the general color palate shall not be deemed a substantial change. LESSEE may replace, repair, and maintain LESSEE's Communication Facility and other necessary equipment and related wiring, conduits, cabling, and support structures as indicated on the plans attached hereto as Exhibit A.

LESSEE's ability to use the Premises is contingent upon its obtaining, after the execution date of this Agreement, all of the certificates, permits and other approvals (collectively the "Governmental Approvals") that may be required by any Federal, State or Local authorities as well as a satisfactory building structural analysis necessary to permit LESSEE to use of the Premises as set forth in this Agreement. LESSOR shall cooperate with LESSEE in its effort to obtain such approvals. In the event that (i) any of such applications for such Governmental Approvals should be finally rejected; (ii) any Governmental Approval issued to LESSEE is canceled, expires, lapses, or is otherwise withdrawn or terminated by governmental authority; or (iii) LESSEE determines that such Governmental Approvals may not be obtained in a timely manner; LESSEE shall have the right to terminate this Agreement. Notice of LESSEE's exercise of its right to terminate shall be given to LESSOR in accordance with the notice provisions set forth in Paragraph 15 and shall be effective 30 days after the mailing of such notice by LESSEE, or upon such later date as designated by LESSEE. All Rent paid to LESSOR prior to said the date of termination shall be retained by LESSOR. Upon such termination, this Agreement shall be of no further force or effect except to the extent of the representations, warranties and indemnities made by each party to the other hereunder. Otherwise, the LESSEE shall have no further obligations for the payment of Rent to LESSOR.

6. INDEMNIFICATION. Not subject to the limitation provided in Section 7 of this Agreement, LESSEE shall indemnify and hold harmless LESSOR and LESSOR's agents, employees, invitees, and contractors, from and against any and all losses, damages, claims, suits, actions, judgments, and costs (including, but not limited to, reasonable attorney's fees) arising from or in connection with an injury whatsoever, including death and property damages, resulting from or arising out of this Agreement and the use or occupancy of the Premises by LESSEE, its employees, contractors or agents, regardless of how such injury is caused, except where such injury, loss or damage is caused by the negligence or willful misconduct of LESSOR or its employees, contractors or agents.

7. INSURANCE. LESSEE, at its sole cost and expense, shall maintain a policy or policies of commercial general liability insurance insuring the LESSEE and including the LESSOR as additional insured as their interests may appear, against liability from bodily injury (including death) and property occurring in or about the Premises or arising out of the maintenance, use or occupancy thereof. The coverage under such insurance shall not be less than Two Million Dollars (\$2,000,000.00) combined single limit each occurrence. Each party hereby waives its right of recovery against the other for any loss or damage to the extent such damage results from any fire and casualty of the kind covered by standard fire insurance policies, provided the damages are covered by an insurance policy maintained by the damaged party.

8. LIMITATION OF LIABILITY. Except for indemnification pursuant to Paragraphs 6 and 17, and damages resulting due to Lessee's failure to comply with Paragraph 10, neither Party shall be liable to the other, or any of their respective agents, representatives, employees for any lost revenue, lost profits, loss of technology, rights or services, incidental, punitive, indirect, special or consequential damages, loss of data, or interruption or loss of use of service, even if advised of the possibility of such damages, whether under theory of contract, tort (including negligence), strict liability or otherwise.

9. ANNUAL TERMINATION. Notwithstanding anything to the contrary contained herein, provided LESSEE is not in default hereunder beyond applicable notice and cure periods, LESSEE shall

have the right to terminate this Agreement upon the annual anniversary of the Commencement Date provided that three (3) months prior notice is given to LESSOR.

10. INTERFERENCE.

a. LESSEE agrees to install equipment of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to any equipment of LESSOR or other lessees of the Property which existed on the Property prior to the date this Agreement is executed by the Parties. In the event any after-installed LESSEE's equipment causes such interference, and after LESSOR has notified LESSEE in writing of such interference, by a written communications and a call to LESSEE's Network Operations Center at 800-224-6620 or 800-621-2622, LESSEE will take all commercially reasonable steps necessary to correct and eliminate the interference, including but not limited to, at LESSEE's option, powering down such equipment and later powering up such equipment for intermittent testing. In no event will LESSOR be entitled to terminate this Agreement or relocate the equipment as long as LESSEE is making a good faith effort to remedy the interference issue. LESSOR agrees that LESSOR and/or any other tenants of the Property who currently have or in the future take possession of the Property will be permitted to install only such equipment that is of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to the then existing equipment of LESSEE. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.

b. Interference with City of Richmond Emergency Communication Center.

i. In the case of measurable interference, which disables operating public safety communication systems owned by the LESSOR, the LESSEE shall immediately cease and desist operations, or modify operations such that interference to the public safety systems is abated, once it has received written notice that its equipment is known to be a significant contributor to the interference. LESSEE shall be notified orally at the telephone numbers listed in paragraph 10 above. All proposed methods of testing for and eliminating such interference shall be subject to approval of LESSOR's technical staff or consultant. LESSOR will provide prompt cooperation and assistance in these efforts.

ii. If the interference to public safety systems is limited to a specific number of channels representing less than 10% of the total capacity of the system affected, the interference must be corrected by Lessee within 168 hours. Interference affecting between 11% and 25% of the total system capacity must be resolved within 72 hours by LESSEE. Failure of LESSEE to correct the interference will result in work being undertaken by LESSOR to correct interference at no expense and/or liability to LESSOR.

iii. If requested by the LESSEE, LESSOR may make reasonable accommodations to its operating system, in its discretion. LESSOR shall not unreasonably refuse to make such accommodations provided the accommodations do not degrade the performance or functionality of LESSOR's system. Such changes shall be at the LESSEE's expense unless they can be attributed to unlawful operation, improper repair, equipment defects, or design deficiencies in the LESSOR's system.

11. REMOVAL AT END OF TERM. LESSEE shall, upon expiration of the Term, or upon earlier termination of the Agreement, remove its equipment, conduits, fixtures and all personal property and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted.

LESSOR agrees and acknowledges that all of the equipment, conduits, fixtures and personal property of LESSEE shall remain the personal property of LESSEE and LESSEE shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable laws. If such time for removal causes LESSEE to remain on the Premises after termination of this Agreement, LESSEE shall pay rent at the then existing monthly rate or on the existing monthly pro-rata basis if based upon a longer payment term, until such time as the removal of the building, antenna structure, fixtures and all personal property are completed. If LESSEE does not remove its equipment, conduits, fixtures and all personal property and restore the Premises to its original condition ninety (90) days after termination, LESSOR may remove LESSEES equipment, conduit, fixtures and other personal property and LESSEE shall reimburse LESSOR for such removal.

12. RIGHTS UPON SALE. Should LESSOR, at any time during the Term decide (i) to sell or transfer all or any part of the Property or the Building thereon to a purchaser other than LESSEE, or (ii) to grant to a third party by easement or other legal instrument an interest in and to that portion of the Building and or Property occupied by LESSEE, or a larger portion thereof, for the purpose of operating and maintaining communications facilities or the management thereof, such sale or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder under the terms of this Agreement.

13. QUIET ENJOYMENT AND REPRESENTATIONS. LESSOR covenants that LESSEE, on paying the rent and performing the covenants herein, shall peaceably and quietly have, hold and enjoy the Premises. LESSOR represents and warrants to LESSEE as of the execution date of this Agreement, and covenants during the Term that LESSOR is seized of good and sufficient title and interest to the Property and has full authority to enter into and execute this Agreement. LESSOR further covenants during the Term that there are no liens, judgments or impediments of title on the Property, or affecting LESSOR's title to the same and that there are no covenants, easements or restrictions which prevent or adversely affect the use or occupancy of the Premises by LESSEE as set forth above.

14. ASSIGNMENT. Except as provided herein, this Agreement may not be sold, assigned or transferred without the written consent of the LESSOR, which such consent will not be unreasonably withheld, delayed or conditioned. Provided LESSEE provides written notice to LESSOR, this Agreement may be sold, assigned or transferred by the LESSEE without any approval or consent of the LESSOR to the LESSEE's principal, affiliates, subsidiaries of its principal, or to any entity which acquires all or substantially all of LESSEE's assets in the market as defined by the Federal Communications Commission in which the Property is located by reason of a merger, acquisition or other business reorganization. No change of stock ownership, partnership interest or control of LESSEE or transfer upon partnership or corporate dissolution of LESSEE shall constitute an assignment hereunder.
