RE: SPECIAL EVENTS FEES FOR PROVISION OF LAW ENFORCEMENT SERVICES BY THE RICHMOND POLICE DEPARTMENT

ORD. OR RES. No. _____

PURPOSE:

To amend the City Code to establish fees for services rendered by Richmond Police Department (RPD) officers for special event assignments throughout the City and to amend the FY2020 General Fund Budget council ordinance 2019-041 by appropriating \$350,000 in Police Special Event fees above the adopted budget amount to the Richmond Police Department.

REASON:

To charge for specialized staffing services performed by RPD at special events held within the City of Richmond. The appropriation of these funds will allow the Richmond Police Department to pay overtime costs associated with providing law enforcement activities for designated special events.

RECOMMENDATION:

The City Administration recommends adoption of this ordinance.

BACKGROUND:

RPD provides services at some of the largest special events held within the City of Richmond. A special event is defined as an organized venue designed to attract participants or spectators, or both. These special events can attract tens of thousands of spectators and require officers to provide services at the event, including, but not limited to, providing security and controlling crowds and traffic. In order to adequately staff these large scale events, RPD must compel law enforcement officers, sometimes exceeding 100 law enforcement officers for a single event, to work mandatory overtime and requires the use of RPD equipment.

Under § 2.05(g) of the Richmond City Charter, the City may “establish and collect such fees...as may be determined by the council to be reasonable for the rendering of special services.” Even though the City has the power to collect these fees, none of the City’s current ordinances address contracts between RPD and special event organizers.

The requested ordinance will authorize the City to contract with holders of special events for the provision of services by RPD law enforcement officers in exchange for a fee. The fee will be assessed against the holder of a special event for the use of City equipment and as reimbursement to the City for the compensation paid to the law enforcement officers for providing services at the special event. The fee for the use of a RPD vehicle will be \$35 per day, per vehicle. The fee for the services provided by law enforcement officers will be the total of each officer’s personal hourly rate multiplied by each hour worked or each fraction thereof multiplied by 1.5. A minimum of four hours per law enforcement officer will be charged for each event.

FISCAL IMPACT / COST TO CITY: There is no cost to City.

FISCAL IMPLICATIONS: The Richmond Police Department will utilize the fees collected to offset the personnel and equipment costs associated with the event.

BUDGET AMENDMENT NECESSARY: Yes

REVENUE TO CITY: Approximately \$350,000
