RE: SPECIAL USE PERMIT PARKING LOT

Bryon:

We are writing in response to your letter of August 25th. As you are an outstanding tenant as well as we are your neighbor owning the properties across the street North and beside you on the East boundary. We fully support your efforts and businesses and would urge the city to grant your Special Use Permit and that *the city recognizes this is an urgent need* given the current Covid-19 situation.

Sincerely,
