

Amendments to the October 2025 version of the Cultural Heritage Stewardship Plan

Adopted by the Planning Commission November 18, 2025

Page 11 (Key Terms):

- Amend “Significant Viewshed” as follows:
 - Significant Viewshed(s)

Paged 60:

- Remove 7(b)
- Amend 7(c) as follows:
 - Use city-wide survey to identify potential Significant Viewsheds, such as Libby Hill looking down river, and reconcile with Richmond 300 priority growth nodes to ensure design, height, scale, and mass compatibility of new developments

Page 61:

- Amend 10 as follows:
 - Develop a city-wide demolition review policy to ensure designated and historically significant resources, as shown on the official zoning map of the city, are considered before demolition can proceed
