Re: Acquisition of 1111 Fourquarean Lane, Richmond, VA 23222

Dear Richmond City Council members,

I am a resident of the Highland Park community and am writing this letter to support the proposed acquisition of 1111 Fourquarean Lane by Commonwealth Catholic Charities Housing Corporation as part of the new affordable housing development, the Saint Elizabeth Apartments. I understand the acquisition of 1111 Fourquarean Lane will improve the probability of success of the project (increasing the potential score of their Low-Income Housing Tax Credit application). It will also enable the creation a neighborhood amenity in the form of a multi-use path between the new apartments and Overby Sheppard Elementary School.

We as a city and region face a housing affordability crisis. Ensuring that residents of all income levels can afford to live in the neighborhood of their choosing should be a priority for our City Council. The creation of new affordable housing within the City of Richmond not only provides housing stability for our most vulnerable, but also facilitates economic and emotional independence.

Thank you for all your work for our city and I hope you will support the acquisition of 1111 Fourquarean Lane by Commonwealth Catholic Charities Housing Corporation.

Sincerely,
