Re: Special Use Permit application at 6422 Forest Hill Avenue

Dear Mr. Vonck,

Please accept this letter as the Applicant's Report for the Special Use Permit application for 6422 Forest Hill Ave. With this application, the property owner, Richmond Hill Design Build LLC, is petitioning the City Council for a SUP to authorize a private road to serve a by-right single-family development with 10 detached residences on fee simple lots.

Existing Site Conditions

The subject property is currently one parcel containing 2.97 acres of land area in the City's Willow Oaks Neighborhood. This parcel is improved by a single-family, two-story house with 2,328 square feet of floor area.

Surrounding properties along Forest Hill Ave are mainly single-family residences. To the east of the property is the Willow Oaks Country Club. To the west of the property is a commercial area that includes the Stratford Hills Shopping Center.

The City recently made substantial improvements to this section of Forest Hill Avenue including landscaping in the right of way. The proposed development would retain this landscaping.

Current Zoning

In 2021-22, the property owner requested and was granted a rezoning from the R-2 to the R-4 Single-Family Residential District in order to accommodate the proposed residential subdivision with 10 lots (Ord No 2021-368). A subdivision application to create the 10 lots was subsequently submitted and is

currently under review. The surrounding properties are comprised mostly of properties located in the R-2 district.

Proposal

Should this Special Use Permit be granted, a private road would be authorized to serve the proposed by-right subdivision with 10 single-family detached residences.

Under normal zoning regulations, a new development with three or more lots must be served by an improved public street. The proposed residential subdivision with the 10 lots is not viable if a public street is required; therefore, a private street is proposed. Additionally, driveways within front yards of single-family dwellings wider than 9 feet are not permitted under normal zoning requirements. The SUP ordinance would also waive this restriction. Also, under normal zoning requirements, a corner lot is required to have a front yard on each street frontage. For the two lots adjacent to Forest Hill Avenue, the SUP would authorize a front yard requirement only along the private street frontage. Finally, a 25 yard minimum front yard setback is required in the R-4 district, the SUP would authorize a minimum front yard setback of 20 feet.

In all other aspects, the lots and buildings will comply with underlying R-4 district regulations.

Richmond 300 Master Plan

Richmond 300 designates the property for Residential land use. These areas are neighborhoods consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature. The proposed development is consistent with the recommendations of the Richmond 300 Master Plan.

City Charter Conditions

Allowing for the development of the property as proposed would provide new and needed housing in this important neighborhood in the City. This effort would greatly contribute to the continued development of the Willow Oaks Neighborhood and the surrounding community.

We trust that you will agree with us that this proposed Special Use Permit meets the City Charter criteria for the granting of SUPs as the project will not

- (i) be detrimental to the safety, health, morals and general welfare of the community involved;
- (ii) tend to create congestion in streets, roads, alleys and other public ways and places in the area involved;
- (iii) create hazards from fire, panic or other dangers;
- (iv) tend to be overcrowding of land and cause an undue concentration of population;
- (v) adversely affect or interfere with public or private schools, parks, playgrounds, water supplies, sewage disposal, transportation or other public requirements, conveniences and improvements; or

(vi) interfere with adequate light and air.

Thank you for your consideration of this Special Use Permit. Please feel free to contact me at lory@markhamplanning.com or (804) 248-2561 if you have any questions or require additional materials to process the application.

Very Truly Yours,
