

Richmond Redevelopment and Housing Authority

*Vacancies as of
February 9, 2025*

Section 5.05(d) of the Charter of the City of Richmond (2006) expressly provides that “the appointment of members of a redevelopment and housing authority in the city shall be made by the council.” Section 36-11 of the Code of Virginia (1950) authorizes the Council to provide for not more than nine or less than five commissioners of the Authority. By Resolution No. 99-R46-80, adopted March 22, 1999, the Council increased the number of commissioners from five to seven as authorized by section 36-11 of the Code of Virginia (1950). Resolution No. 2010-R140-162, adopted October 25, 2010, increased the number of commissioners from seven to nine with the addition of a Council-appointed seat and an additional tenant representative seat.

Pursuant to section 36-11 of the Code of Virginia (1950), no commissioner of the Authority may be an officer or employee of the City. By Resolution No. 2003-R230-2004-R18, adopted January 12, 2004, the Council established a procedure to be followed for appointing one member living in public or assisted housing to serve on the Authority’s Board of Commissioners as required by the regulations of the United States Department of Housing and Urban Development. This resolution was further amended by Resolution No. 2010-R141-173, adopted November 8, 2010, which revised the process of appointing the tenant representatives to the board.

As a licensed realtor, accomplished entrepreneur, and dedicated community leader, I, Dr. Monica L. Ball am uniquely qualified to serve on the Richmond Redevelopment and Housing Authority. My master's degree in business management from Strayer University, coupled with my hands-on experience in real estate, equips me with the financial and administrative acumen crucial for effective housing authority governance.

Currently, I am employed with Shalom Baptist Fellowship Church as the Public Relations/Community Relations specialist, a role that further enhances my ability to connect with the residents of Richmond Redevelopment Housing Authority Hillside Court. In this capacity, I help the church conduct community outreach and provide education to the residents, giving me valuable insight into their unique needs and concerns.

In 2017, I founded "Rising Towards Success, Inc.," a non-profit organization that has assisted over 10,000 families in Central Virginia with essential resources, including housing-related support. This experience has given me first-hand knowledge of the challenges faced by Richmond's diverse communities, particularly in accessing affordable and quality housing. Our nonprofit in partnership with Shalom Baptist Fellowship hosted over 12 free community events near Richmond Redevelopment Housing Authority Hillside Cour since 2021.

Since 2014, I've been known as "Miss Real Talk," producing impactful community-focused projects that have honed my ability to communicate effectively with various stakeholders. This skill is vital for fostering partnerships between the RRHA, residents, and other community entities.

My extensive collaborations with local government bodies, including recognition from Richmond City Council members and influence within Virginia's Congressional and Senate districts, showcase my ability to navigate governmental processes essential to the RRHA's mission.

I've been recognized for empowering women in business and have received numerous community-related awards, reflecting my commitment to equity and inclusion - principles that are fundamental to fair housing practices and community redevelopment.
