Richmond City Council recognizes/celebrates the following:

1 **Richmond AmeriCorps Week** (President/Cm. Robertson/Council/Mayor/Administration)

Richmond City Council celebrates the work of Richmond AmeriCorps and previously created and established the second full week of March as Richmond AmeriCorps Week.

Begun in 1993, AmeriCorps is an independent federal agency for national service and volunteerism and provides opportunities for Americans to help improve the lives of individuals, families, and communities.

Richmond AmeriCorps services were established in our city due to the efforts and activities of local community leaders, which included Ms. Ellen Robertson.

Grown over the years, Richmond AmeriCorps services now include client partnership delivery sites located at eight key state, local, and national social service and health care facilities, agencies, and nonprofit entities located across the city.

Richmond is proud to celebrate and recognize AmeriCorps and its staff, volunteers, supporters, and our community for making this possible and for their ongoing work in helping to make our city an even better place to live, love, work, learn, play, visit, and enjoy family.

Guests in attendance:

Paul Manning, Program Director-AmeriCorps
