LAND USE ADMINISTRATION

**RE: Letter of Support – Proposed B-4C Rezoning Ordinance
 for South Canal Project at 111 Hull Street**

Dear Ladies and Gentlemen: We, the undersigned, are either, property owners, residence or work in the Manchester area of Richmond. We have been advised of Fountainhead's request for the rezoning on a parcel of land, located behind the flood wall at the end of the Mayo Bridge, and agree that a mixed-use high-rise development better fulfills the potential of this site, and increased density here will benefit the Manchester neighborhood.

ACCORDINGLY, we respectfully urge the City Council and Planning Commission to approve the proposed rezoning from RF-1 to B4-C.
