Mr. Bobby Vincent, Jr.
Director, City of Richmond Department of Public Works

Dear Mr. Vincent:

On behalf of the board of the Scott's Addition Boulevard Association (SABA), I'd like to express our unanimous support for member organization Richmond Triangle Players' plans to paint a rainbow crosswalk at the corner of W. Marshall Street and Altamont Avenue.

This small local theatre has been in Scott's Addition for more than 25 years and has become an integral part of what makes our neighborhood unique, vibrant, and special.

Similar rainbow crosswalks have been painted in other cities across the nation, and the addition of one in our neighborhood would further instill our desire to be an open and welcoming community to everyone.

We are supportive of this plan, which we understand will go through a design approval process with your department, and hope that you will consider expediting this request in advance of their 25th anniversary event to be held this summer.

Please don't hesitate to reach out if you have any questions or concerns.

Sincerely yours,

A handwritten signature in black ink that reads "Trevor C. Dickerson".
