Please note grant awards are contingent on the availability of funding.

By signing the Statement of Grant Award/Acceptance, the subgrantee agrees to:

- use the grant funds to carry out the activities described in the grant application, as modified by the terms and conditions attached to this award or by subsequent amendments approved by DCJS;
- adhere to the approved budget contained in this award and amendments made to it in accord with these terms and conditions; and,
- comply with all terms, conditions and assurances either attached to this award or submitted with the grant application.

1. Compliance with general appropriations-law restrictions on the use of federal funds (FY2022)

The subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a subgrantee would or might fall within the scope of an appropriations-law restriction, the subgrantee is to contact DCJS for guidance, and may not proceed without the express prior written approval of DCJS and OJP.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at: <https://ojp.gov/funding/Part200UniformRequirements.htm>.

3. Record retention and access

Records pertinent to the award that the subgrantee at any tier must retain -- typically for a period of 3 years from the date of submission of the final expenditure report, unless a different retention period applies -- and to which the subgrantee at any tier must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subgrantee is to contact DCJS promptly for clarification.

4. Requirement to report actual or imminent breach of personally identifiable information (PII)

The subgrantee at any tier, must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it -- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The subgrantee's breach procedures must include a requirement to report actual or imminent breach of PII to DCJS no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

5. OJP Training Guiding Principles

Any training or training materials that the subgrantee at any tier-- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

6. Effect of failure to address audit issues

The subgrantee understands and agrees that DCJS or the DOJ awarding agency may withhold award funds, or may impose other related requirements, if (as determined by DCJS or the DOJ awarding agency) the subgrantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the subgrantee that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions: In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (www.ojp.gov/funding/Explore/LegalNotices-AwardReqts.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the subgrantee, the authorized subgrantee official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subgrantee official, all assurances or certifications submitted by or on behalf of the subgrantee that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs (OJP) or the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the subgrantee and the award. Among other things, the OJP and DCJS may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

8. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The subgrantee at any tier must comply with all applicable requirements of 28C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to subgrantee organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subgrantees that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-JudicialAdministration, Chapter 1, Part 38, under e-CFR "current" data.

9. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The subgrantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subgrantee is to contact DCJS for guidance.

12. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The subgrantee at any tier must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval, and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the subgrantee at any tier) is to benefit a set of individuals under 18 years of age.

The subgrantee at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at: <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://www.ojp.gov/funding/financialguidedojo/overview>) including any updated version that may be posted during the period of performance. The subgrantee at any tier agrees to comply with the DOJ Grants Financial Guide.

17. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages subgrantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

18. Potential imposition of additional requirements

The subgrantee agrees to comply with any additional requirements that may be imposed by the DOJ and DCJS during the period of performance for this award if the subgrantee is designated as "high-risk".

The subgrantee understands that it may be subject to additional financial and programmatic on-site monitoring, which may be on short notice, and agrees that it will cooperate with any such monitoring.

19. Employment eligibility verification for hiring under the award

1. The subgrantee at any tier must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the subgrantee properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the subgrantee who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The subgrantee's monitoring responsibilities include monitoring at any tier and compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all subgrantees officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the subgrantee at any tier may choose to participate in, and use, E-Verify (<https://www.e-verify.gov/>), provided an appropriate person authorized to act on behalf of the subgrantee uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any subgrantee at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any subgrantee at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email EVerify at:

E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to DCJS and OJP, before award acceptance.

20. Restrictions and certifications regarding non-disclosure agreements and related matters

No subgrantee under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subgrantee--

- a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
- b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subgrantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

- a. it represents that--(1) it has determined that no other entity that the subgrantee's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
- b. it certifies that, if it learns or is notified that any subgrantee, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or

otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

21. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

22. All subawards ("subgrants") must have specific federal authorization

The subgrantee at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

23. Requirements related to System for Award Management and Universal Identifier Requirements

The subgrantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subgrantee must maintain a valid UEI number (a unique twelve alphanumeric characters used for identifying and keeping track of entities receiving federal funds). Subgrantees must be registered in SAM to receive an award and must maintain an active registration for the entire period of the award. A person or entity debarred or suspended is excluded from federal financial assistance and benefits under federal programs and activities.

If the search returns that any organization has an active exclusion record, DCJS will not award or permit any award at any level to any party which is debarred or suspended from participation in Federal assistance programs.

If the grantee is found to have exclusion after the grant has been award, encumbrances will be placed on all active awards. Stop payment will begin on any pending payment claims. Audits will begin to verify compliance of all awards. DCJS will pursue repayment of funds that were expended during the exclusion period. If the subgrantee fails to remit funds owed to DCJS, the funds will then be deemed uncollectible debt by DCJS. Uncollectible debt will be reported to the Virginia Department of Taxation Debt Set Off program, Office of the Attorney General and third-party collections. DCJS may add fees, fines and penalties to the original amount of the debt owed.

24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the subgrantee at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the subgrantee, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a subgrantee would or might fall within the scope of these prohibitions, the subgrantee is to contact DCJS for guidance, and may not proceed without the express prior written approval of DCJS and OJP.

25. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The subgrantee at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

26. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The subgrantee at any tier must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of subgrantees, or individuals defined (for purposes of this condition) as "employees" of any subgrantee.

The details of the subgrantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by subgrantees related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

27. Requirement to report potentially duplicative funding

If the subgrantee currently has other active awards of federal or state funds, or if the grantee receives any other award of federal or state funds during the period of performance for this award, or uses matching funds from other sources as part of the project budget, the subgrantee promptly must determine whether funds from any of those other federal or state awards or matching funds from other sources have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subgrantee must promptly notify DCJS in writing of the potential duplication, and, if so, requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

28. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The subgrantee at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--

(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm>

(select "Submit Report Online");

(2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or

(3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

The subgrantee must notify the DCJS Grant Monitor of any suspected fraud, waste, abuse, or misconduct involving or relating to funds under this award.

29. Use of program income (Project Income)

Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly to DCJS. Any funds generated as a direct result of DCJS grant-funded projects are deemed project income. Project income must be reported to DCJS. Examples of project income might include service fees; client fees; usage or rental fees; sales of materials; and income received from sale of seized and forfeited assets (cash, personal or real property included). Project income may only be used for allowable program costs and must be spent prior to draw downs. Project income should be reported quarterly by completing the Financial Report in OGMS.

30. Justice Information Sharing

The subgrantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information or provide detailed justification for why an alternative approach is recommended.

31. Avoidance of duplication of networks

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subgrantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

32. Compliance with 28 C.F.R. Part 23 in Information technology systems

With respect to any information technology system funded or supported by funds under this award, the subgrantee at any tier, must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the subgrantee may be fined as per 42 U.S.C. 3789g(c)-(d). Subgrantee may not satisfy such a fine with federal funds.

33. Protection of human research subjects

The subgrantee at any tier, must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

The subgrantee agrees to participate in a data collection measuring program outputs and outcomes. The data elements for this process will be outlined by the Office of Justice Programs. The subgrantee agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.

35. Required online (internet-based) Law Enforcement Task-Force Training

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement.

The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the subgrantee.

Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

36. Justification Consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.

37. Authorized Representative Declaration

The subgrantee understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the subgrantee entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The subgrantee further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

38. National Environmental Policy Act Compliance

Upon request, the subgrantee at any tier, must assist the Bureau of Justice Assistance (BJA) in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the subgrantee. Accordingly, the subgrantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the subgrantee agrees to contact BJA.

The subgrantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The subgrantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The subgrantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of this Special Condition to Subgrantee's Existing Programs or Activities: for any of the subgrantee's existing programs or activities that will be funded by these grant funds, the subgrantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

Questions about this determination may be directed to your grant monitor at DCJS.

39. Establishment of trust fund

If award funds are being drawn down in advance, the subgrantee is required to establish a trust fund account. Subgrantees must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The subgrantee also agrees to obligate the award funds (including any interest earned) during the period of performance for the award and expend within 45 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to DCJS at the time of closeout.

40. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

41. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

42. Use of funds for DNA testing

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS. Booking agencies should work with their state CODIS agency to ensure all requirements are met for participation in Rapid DNA (see National Rapid DNA Booking Operational Procedures Manual).

Subgrantees utilizing award funds for forensic genealogy testing must adhere to the United States Department of Justice Interim Policy Forensic Genealogical DNA Analysis and Searching and must collect and report the metrics identified in Section IX of that document to BJA.

43. Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the subgrantee at any tier uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant

Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the subgrantee must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS

are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS relevant "eligible records".

In the event of minor and transitory non-compliance, the subgrantee may submit evidence to demonstrate diligent monitoring of compliance with this condition. DOJ will give great weight to any such evidence in any express written determination regarding this condition.

If subgrantee uses funds under this award to purchase body armor, the subgrantee must submit a signed certification that each law enforcement agency receiving body armor purchased with funds from this award has a written "mandatory wear" policy in effect. The subgrantee must keep signed certifications on file for any planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

Ballistic-resistant and stab-resistant body armor purchased with award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards, and is listed on the NIJ Compliant Body Armor Model List. In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information and the NIJ Compliant Body Armor List may be found by following the links located on the NIJ Body Armor page: <https://nij.ojp.gov/topics/equipment-and-technology/body-armor>.

The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation, and penalties for abuse of the program.

This responsibility includes verifying that all subgrantees that meet the threshold for a Single-Audit, are audited in accordance with the Uniform Guidance requirements. At the end of the fiscal year, the grantee will receive the DCJS Subgrantee Single Audit Certification Form, by email. The grantee agrees to complete the form and return it to the Grant Compliance Monitor. Failure to remit this form to DCJS may result in encumbrances being placed on current awarded grants and may also impact future awarding decisions.

The grantee agrees to forward, to DCJS or to the Auditor of Public Accounts, a copy of the grantee’s scheduled financial statement audit for the fiscal year that covers the grant award period. Grantees must communicate in writing any known or suspected violations of law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities.

For this grant program, DCJS requires quarterly reporting to the Bureau of Justice Assistance, Office of Justice Programs ("OJP"), Performance Measuring Tool ("PMT") Management system to ensure compliance with federal reporting guidelines. The quarterly reporting completed on the OJP federal site will need to be uploaded to the DCJS OGMS system as your quarterly status report. Failure to comply in a timely manner may result in DCJS withholding disbursement of grant funds and/or termination of the grant. DCJS will set up the grantee in the BJA OJP federal site so the grantee is able to complete the required reports before the first quarterly reporting period ends.

63. Delegation of responsibility

Any delegation of responsibility for carrying out grant-funded activities to any entity must be pursuant to a written memorandum of understanding by which the implementing organization agrees to comply with all applicable grant terms, conditions, and assurances. Further, the subgrantee agrees to abide by reasonable deadlines set by BJA, OCFO, and DCJS for providing the requested documents. In addition, OJP requires the recipient, and any subgrantee (“subgrantee”) at any tier, to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the “controlled equipment” list. The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards), and are incorporated by reference here.

The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the SMART Office. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice and DCJS." The current edition of the DOJ Grants Financial Guide provides guidance on allowable printing and publication activities.

Any Web site that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service: "This Web site is funded in whole or in part through a grant from the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice and DCJS. 71. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the subgrantee is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at anytime during the course of the period of performance under this award, the subgrantee must disclose that fact and certain related information to DCJS by email. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subgrantee's past performance, or other programmatic or financial concerns with the subgrantee. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the subgrantee was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

72. Required monitoring of subawards

The subgrantee must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subgrantee spending and monitoring of specific outcomes and benefits attributable to use of award funds by subgrantees. The subgrantee agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

73. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subgrantees (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

74. Limited English Proficiency

Subgrantees must ensure that Limited English Proficiency persons have meaningful access to the services under this program(s). National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI and the Safe Streets Act, recipients are required to take reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with Title VI requirements. The guidance document can be accessed on the Internet at www.lep.gov.

75. "Methods of Administration" - monitoring compliance with civil rights laws and nondiscrimination provisions

The recipient's monitoring responsibilities include monitoring of subgrantee compliance with applicable federal civil rights laws and nondiscrimination provisions. Within 90 days of the date of award acceptance, the recipient must submit to OJP's Office for Civil Rights (at CivilRightsMOA@usdoj.gov) written Methods of Administration ("MOA") for subgrantee monitoring with respect to civil rights requirements. In addition, upon request by OJP (or by another authorized federal agency), the recipient must make associated documentation available for review.

The details of the recipient's obligations related to Methods of Administration are posted on the OJP web site at <https://ojp.gov/funding/Explore/StateMethodsAdmin-FY2017update.htm> (Award condition: "Methods of Administration" -Requirements applicable to States (FY 2017 Update)), and are incorporated by reference here.

76. Exceptions regarding Prohibited and Controlled Equipment under OJP awards

Notwithstanding any provision to the contrary in the other terms and conditions of this award, including in the condition regarding "Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards," the requirements for the "Transfer/Sale of Award-Funded Controlled Equipment to Other LEAs" and the requirements for the "Transfer/Sale of Award-Funded Controlled Equipment to NON-LEAs" do not apply to this award.

77. Personnel Cost

Grant funds may only be used for personnel costs and related benefits for individuals employed on the grant project. Payroll records must specify the grant program and funding sources, with clear identification by cost center or code. Charges for salaries, wages, and fringe benefits must accurately reflect the actual work performed by grant-funded staff during the project period. If a pay period extends beyond the project end date, you do not need to split the costs as long as the subgrantee is receiving a continuation grant. However, costs for salaries, benefits, or other related expenses cannot be charged to the grant after an individual leaves the grant program or outside the grant period.

78. Legal Services for Alien

Except as indicated in the following sentence, costs of providing legal services (that is, professional services of the kind lawfully provided only by individuals licensed to practice law) to any removable alien (see 8 U.S.C. § 1229a(e)(2)) or any alien otherwise unlawfully present in the United States are disallowed and may not be charged against the award.

Costs for legal services disallowed under the preceding sentence do not include costs for legal services—(1) to obtain protection orders for victims of crime (including associated or related orders (e.g., custody orders), arising from the victimization); (2) that are associated with or relate to actions under 18 U.S.C. ch. 77 (peonage, slavery, and trafficking in persons); (3) to obtain T-visas, U-visas, or “continued presence” immigration status (see, e.g., 8 U.S.C. § 1101(a)(15)(T) & (U); 22 U.S.C. § 7105(c)(3)); or (4) as to which such disallowance would contravene any express requirement of any law, or of any judicial ruling, governing or applicable to the award.

79. Payment Offset Notification

This is the reduction or withholding of a subgrantee payment to satisfy a delinquent debt owed to the Commonwealth of Virginia or the United States federal government. Grantees are advised if delinquent debts are owed to the Commonwealth of Virginia or the United States Government, The Virginia Department of Taxation or United States Department of Treasury could withhold or reduce (offset) your claim reimbursement to satisfy the debt.

The Virginia Department of Taxation (TAX) is responsible for administering the Set-Off Debt Collection Program. The Set-Off Debt Collection Program is a legal remedy for collecting delinquent debts owed to the Commonwealth of Virginia by withholding reimbursement claim payments. If your reimbursement is reduced to satisfy a Virginia unpaid debt, and you have any questions or disagree, please contact The Virginia Department of Taxation Collections at 804.367.8045.

The United States Department of Treasury (USDT) is responsible for administering the Treasury Offset Program (TOP). The Treasury Offset Program is a federal government-wide debt collection program that recovers delinquent debts owed to the United States federal government by withholding reimbursement claim payments. If a TOP offset is applied, the subgrantee will receive a letter via USPS mail, that identifies the TOP offset amount and the federal agency(ies) to which the debt was applied. The federal agency contact(s) information will be included in the letter.

Before the Virginia Department of Criminal Justice Services issues a reimbursement claim payment, the Commonwealth’s Financial Accounting System checks to see if there are any overdue debt claims owed to state or federal agencies. If there is a

pending claim, or multiple claims, The Virginia Department of Taxation or The United States Department of Treasury may withhold or reduce your reimbursement claim payment by the amount of the debt owed. There is the possibility that subgrantee payment can have both TAX and USDT offsets applied.

DCJS does not maintain records of debts that may be owed to other state or federal agencies. If you have already paid your debt in full, or you don't owe the debt for other reasons, the agency collecting the debt is responsible for returning any part of your payment that should not have been reduced.

To avoid disruption in funding, we strongly encourage all grantees to regularly verify their organization's status with respect to any outstanding debts owed to the Commonwealth of Virginia or the United States federal government.

80. Suspension or Termination of Funding

DCJS may suspend (in whole or in part) or terminate funding, or impose another sanction on a grantee, for any of the following:

1. Failure to adhere to the standard terms and conditions or special conditions.
2. Failure to implement the project within 90 days of the start of the award period.
3. Implementing substantial program changes to the extent that the project is no longer aligned with the purpose of the funding.
4. Failure to submit reports (programmatic and/or financial) in a timely manner.
5. Failure to meet service objectives in the previous award period of performance.
6. Filing a false certification in this application or other report or document.

DCJS reserves the right to request the return of any funds disbursed to the grantee, including funds later determined to be unallowable, inadequately documented, unsupported, or otherwise inconsistent with federal, state or grant regulations.

81. Additional “Action Item” encumbrances

Any additional “action item” encumbrances related to your award will be listed online on the DCJS On-Line Grant Management System (OGMS) website under the menu item Grants > Encumbrances. The grantee must address these items before DCJS staff can approve a claim marked as “Submitted” and disburse funds. If an encumbrance is placed on a grant while claims are in “Awaiting Payment, Correcting, Editing or Submitted” status, the claims will be voided or withdrawn by DCJS staff. The subgrantee may resubmit claims that were withdrawn or voided once the encumbrance is resolved.

Unless otherwise stated, encumbrances must be met by the stated deadline in OGMS. If they remain unmet after this date, the grantee must report to DCJS, by letter, detailing the steps taken to achieve compliance, the reasons for non-compliance, and the expected date of compliance. DCJS may terminate grant funding based upon unexplained or unreasonable failure to substantially comply with encumbrances within reasonably specified time frames.

Unclaimed funds will have the potential to be reappropriated by DCJS, 60 days from the end of the award period. The closeout financial reconciliations process can begin after the last claim is marked as ‘Final Request – YES’, even if the project end date has not arrived. Once the claims have been reconciled, any unexpended funds will be de-obligated from the award amount and subgrantee access to funds may not be available.
