O&R REQUEST

DATE: July 1, 2024 **EDITION:** 1

TO: The Honorable Members of City Council

FROM: Matthew Welch, Acting Director, Department of Economic Development

RE: Authorize of the Twenty-seventh CARE Cooperation Agreement with the Economic Development Authority of the City of Richmond (EDA) for the purpose of administering the CARE Program.

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer to enter into the Twenty-seventh CARE Cooperation Agreement with the Economic Development Authority of the City of Richmond (EDA) for the purpose of administering the CARE Program.

BACKGROUND: The Commercial Area Revitalization Effort (CARE) Program was established in 1992 by the Department of Economic Development, as a comprehensive program for revitalizing the Hull Street commercial corridor between Commerce Road and Cowardin Avenue. The Program has since been expanded to twelve areas which include: Jackson Ward, North 25th Street; Brookland Park Blvd.; Hull Street; Midlothian Turnpike; Fulton Hill, Lombardy/Chamberlayne, Meadowbridge, North Avenue, Shockoe Bottom, Swansboro and Eastview/Whitcomb as CARE commercial corridors. The CARE area is best viewed through this [searchable map](https://www.richmondeda.com/enterprise-zone-and-care-program-map/) [<https://www.richmondeda.com/enterprise-zone-and-care-program-map/>](https://www.richmondeda.com/enterprise-zone-and-care-program-map/). From time-to-time changes are made to the CARE Program to include other incentives beyond the loan and rebate components, e.g., community development and neighborhood transformation that will stimulate job creation and assist in developing mixed-income communities. In FY 2024, \$275,663 in CARE funds were awarded to 17 applicants. The private investment associated with these projects was \$18.2 million.

The FY 2025 budget included \$300,000 in CARE program funding. The Cooperation Agreement between the City and the EDA lays out the terms for administering the program. It includes clarifications related to mixed-use development and new language related to the upfit of commercial spaces and security improvements, and support for events that enhance the commercial environment and generate increase foot traffic within CARE areas. Additionally, in late FY 2024, the City began efforts to evaluate the current CARE boundaries. The administration anticipates providing recommendations on boundary adjustments and incentive updates in FY 2025.

STRATEGIC INITIATIVES AND OTHER GOVERNMENT AGENCIES: The use of targeted incentives to encourage revitalization and job creation and support business attraction and expansion is supported by the City’s adopted Strategic Plan for Equitable Economic Development.

FISCAL IMPACT: The CARE program funds were included in the adopted FY 2025 Budget.

DESIRED EFFECTIVE DATE: Upon Adoption.
