Acknowledgement of Responsibility

Compliance: If granted, you agree to comply with all conditions of the certificate of appropriateness (COA). Revisions to approved work require staff review and may require a new application and approval from the Commission of Architectural Review (CAR). Failure to comply with the conditions of the COA may result in project delays or legal action. The COA is valid for one (1) year and may be extended for an additional year, upon written request and payment of associated fee.

Requirements: A complete application includes all applicable information requested on checklists available on the CAR website to provide a complete and accurate description of existing and proposed conditions, as well as payments of the application fee. Applications proposing major new construction, including additions, should meet with staff to review the application and requirements prior to submitting. Owner contact information and signature is required. Late or incomplete applications will not be considered.

Zoning Requirements: Prior to Commission review, it is the responsibility of the applicant to determine if zoning approval is required. Application materials should be prepared in compliance with zoning.

Property Owner Signature:  Date: 01/21/2024

Certificate of Appropriateness Application Instructions

Staff Contact: (804)-646-6569 | alex.dandridge@rva.gov

Before You Submit

In advance of the application deadline, please contact staff to discuss your project, application requirements, and if necessary, to make an appointment to meet with staff for a project consultation. The CAR website has additional project guidance and required checklists: www.rva.gov/planning-development-review/commission-architectural-review.

Application deadlines are firm. All materials must be submitted by the deadline to be considered at the following Commission meeting. Designs must be final at the time of application; revisions will not be accepted after the deadline. Incomplete and/or late applications will not be placed on that month's agenda.

Submission Requirements

Please submit applications to staff via email with the project address in the subject line. Submit the following items via email to staff:

- One (1) signed and completed application (PDF) – property owner signature required.
- Supporting documentation, as indicated on the [checklist](#), which can be found under the 'Application Information' tab on the website.
- Payment of application fee, if required. Payment of the fee must be received before the application will be scheduled. An invoice will be sent via the City's Online Permit Portal. Please see [fee schedule](#) available on the CAR website for additional information.

A complete application includes a signed application form, legible plans, drawings, elevations, material specifications, and payment of the required fee as described in the City Code of Ordinances Sec. 30-930.6(b). The Commission will not accept new materials, revisions, or redesigns at the meeting. Deferral until the following month's meeting may be necessary in such cases to allow for adequate review by staff, Commissioners, and public notice, if required.

Meeting Information and Application Due Dates

- The Commission meets on the fourth Tuesday of each month, except for December when it meets on the third Tuesday.
- Application hearings start at 4:00pm. Meetings are held in person at City Hall in the 5th floor conference room. Participation via Microsoft Teams is available. It is strongly recommended that at least one person, either the owner or applicant, attend the meeting in person.
- All applications are due at 12 noon the Friday after the monthly CAR meeting, except in December, when applications are due the following Monday. For a list of meeting dates and submission deadline dates for each meeting please visit www.rva.gov/planning-development-review/commission-architectural-review or contact staff.
- Revisions to applications that have been deferred or conceptually reviewed at a CAR meeting can be submitted nine (9) business days after that meeting in order to be reviewed at the following meeting. Please contact staff to confirm this date.
- New construction will be required to go through a conceptual review. The conceptual review is non-binding.
- Applicants are encouraged to reach out to any relevant civic associations and immediate neighbors for new construction or large-scale projects prior to submitting to the Commission of Architectural Review.

CERTIFICATE OF APPROPRIATENESS

ALTERATION AND ADDITION CHECKLIST

Well in advance of the COA application deadline contact staff to discuss your project, and if necessary, to make an appointment to meet with staff for a project consultation.

Complete all applicable sections and submit with the COA application form. Staff can assist you in determining what items are required for your scope of work. An incomplete application may cause delays in processing or may be deferred to the next agenda. Application materials must clearly represent current and proposed conditions. Refer to Standards for Rehabilitation outlined in Section 30.930.7(b) of the City Code, as well as, the *Richmond Old and Historic Districts Handbook and Design Review Guidelines*.

Introduction

Property Address: 504 N 26 St, Richmond VA 23223

Project Owner: Stephen Casey and Guangzhao Zhu (Owners)

Contact: 504 N 26 Street, Richmond, VA 23223 ; 415-676-1697 ; yesacas@yahoo.com

Summary: A single family residential property to replace a below grade foundation with engineered one to provide adequate drainage. Add a retaining wall and new lower level entrance. Repair a porch roof, support and trim and replace a concrete decking with traditional wood.

Further Explanation:

To provide proper protection to the upper wood structure providing proper drainage and support. Also to correct some of the structure leaning and shift. Along with these measures is to improve the front, visible exterior, similar to other neighboring properties, replacing a concrete porch deck with wood planked one and repair the decayed roof and trim with the same proportioned look.

Included documents:

- Project Introduction
- COA Checklist
- Signed Application
- Pics
 - Front street view overview where work to be done, also shows direct N/S neighbors
 - 506 neighbor with similar retaining wall and entrance
 - SE Corner of damaged foundation, where received much soil movement. This area has many repair attempts to replace crumbling, shifting brick. Not shown is further damage and shift to the wood sill and above structure.
- Drawings
 - As Is Elevation (2 pages)
 - Site (1 page)
 - As Is Foundation and Basement Level (1 page)
 - Foundation Plan, Showing wall replacement on Front/East and South wall as well as retaining wall with added lower entrance. (1 page)
 - Section 8 Foundation and Retaining Wall detail showing cross-section of main work. (1 page)
 - Section 9 Porch Roof Deck and Trim detail showing repair and replacement. Deck to be replaced with traditional wood one following neighbor detail. Dimensionally accurate to the existing features and visibly the same. (1 page)
