Mr. Saunders,

As a five decade resident of the Church Hill neighborhood I could not be more impressed with the multitude of new developments and rehabilitation projects I see across the area.

We are very familiar with the area around 29th and R Street and strongly support the proposed project. The construction of 6 new homes with roof top decks facing R Street, along with 2 additional single family homes and 4 duplexes facing N 29th Street will continue to add value and attract new residents to our city.

My family and I are proud to be from Richmond and continue to support it's growth. Please allow the applicants to move forward as planned.

Thank you,

Abe and Cathy Jennings
