Dear Civic Association,

We have received a Special Use Permit application for the above-referenced property, which is in the UB - Urban Business district. Within the UB district, any outdoor dining must be greater than 100 feet from a residential district. The applicant has requested a permit to waive this radius requirement for outdoor dining. Therefore, a Special Use Permit is required. Please find enclosed a copy of the Applicant's Report for your review. The petitioner should contact you regarding this proposal, if they have not done so already. The petitioner is:
