#### ORDINANCE/RESOLUTION SUMMARY

The patron requests a Resolution asking that 60% of the \$25,000,000 the City will receive if the One Casino and Resort project is approved be allocated to Southside projects and projects in neighborhoods where communities of color have been historically disinvested from.

#### BACKGROUND

City Council has approved Urban One for the development of a casino in the Southside of Richmond. The casino project is being called the One Casino and Resort.

City Council has approved a referendum to be held in November 2021 to determine whether the residents of the City approve of a casino project.

It is anticipated that the casino will bring in more than 1,000 jobs and \$30 million in annual tax revenue.

Upon passage of the referendum, Urban One will owe the City of Richmond \$25 million.
