Dear Mr. Watson,

At the June 24 civic association meeting of Carver Area Civic Improvement League, the SUP for 813 was discussed. This civic association members present and met quorum found no issues with the proposed project and were delighted that it fits in with the character of the community. The discussion ended with the civic association voting in favor of supporting the SUP.

If this email surfaces then please allow the project to move forward.

Jerome Legions, President
Carver Area Civic Improvement League

Attached are documents describing a request for special use that will authorize the construction of a two-family detached dwelling at 813 Catherine Street.

Please contact me with any questions or concerns you may have.

Respectfully,

David
