To Whom It May Concern;

I am a Job Developer for Goodwill Industries. I am also a Community Activist for the surrounding areas. I would like to say that working with 6335 Restaurant has been an honor. Seung Kim has giving back so much to the community.

There are so many activities and opportunities that 6335 has given to someone that is looking for work and charitable contributions. I have been there when Churches, Nonprofit Organizations, local City Council and many more people that have come in and needing to use space to help out with community affairs in the area, and have been able to come to 6335 for assistance.

To whom it may concern,

My name is Pam Mines and I am the President and Founder of the JP Jumpers Foundation, a 501c3 organization here in Richmond, VA. I am writing this letter of support for 6335 Restaurant because of how they have “Jumped In” for the JP Jumpers Foundation and the Special Needs Community. Annually the JP Jumpers Foundation has a Special Needs Worship Service where hundreds of individuals who are affected by Special Needs receive gifts from the JP Jumpers Giving Tree. For this annual event, we need a location big enough for us to wrap and organize almost 500 gifts one week before they are to be distributed. Not only that, but we need this venue to be donated. This will be the 3rd year that 6335 Restaurant has opened their doors for 5 hours at no cost so that the “Givers” can drop off their gifts to be wrapped.

We are so happy that we don’t have to look for a venue for the “wrapping party” every year. It’s tremendously helpful that 6335 opens their doors for this oftentimes overlooked community. Not only that but WHENEVER I need Seung Kim, Chris McNeil or Johnny James to “Jump In” to help out the JP Jumpers in any way, they do so without hesitation. We are able to serve so many families because of what 6335 Restaurant does to help with the final step of our JP Jumpers Christmas Giving Tree. We appreciate them and are proud to call them our community partner.

If you have any questions or concerns, please feel free to contact me at 804-814-5846 or via email at Pam.Mines@JPJumPersFoundation.org.

Sincerely,

Pam Mines

Dear Sirs:

I am Vashti E. Mallory, a retired Richmond Public Schools Educator. Currently, I am co-chair of the Richmond Education Association-Retired. I have had the pleasure of working with Seung Kim for the past year, as she has very graciously allowed the REA-R to hold their quarterly meeting at her establishment, *63Thirty5*. I have also had the pleasure of having a birthday party there. The atmosphere and ambiance in *63Thirty5* is very relaxing and safe. I have found Seung Kim to be very accomadating and serious about upholding the integrity of her establishment. Because of the support that Seung Kim has always offered me when I needed to schedule a meeting, the professional way in which she conducts business, and her cooperative nature I am writing hold-heartedly in support of her as she seeks to secure the special permit that she has applied for in her effort to enhance her business.

Sincerely,

Vashti E. Mallory
