RE: Bid Response for Ordinance No. 2024-266
Right of Way Agreement

To Whom it May Concern:

Respondent: Dominion Energy Virginia

- Dominion Energy wishes to obtain a non-exclusive easement to certain portions of the property known as Lewis G. Larus Park located at 3900 Beechmont Road and identified as Tax Parcel No. C001-0530/001 in the 2024 records of the City Assessor for the laying, construction, operation, and maintenance of underground conduits and cables and all equipment, accessories, and appurtenances necessary to provide electrical service for the property known as Lewis G. Larus Park located at 3900 Beechmont Road in the city of Richmond.

Qualifications: As the entity providing electrical service, Dominion Virginia Power is uniquely qualified to accept the Right of Way Agreement for electrical distribution operations.

- The Right of Way Agreement is necessary for Dominion Energy Virginia to provide electric service to a new communications operation that has the ability to ultimately benefit citizens of the City of Richmond and surrounding communities.
- The Right of Way Agreement allows Dominion Energy Virginia the legal right to access the property to install, operate, maintain and repair facilities needed to provide electrical service to the communications operation. There would be no foreseen impairments, or disturbances, to the property other than those that result during actual construction activities, to which Dominion Energy Virginia would restore the disturbed area to a condition consistent with, or nearest possible to that prior to construction activities.
- As the owner of the infrastructure, Dominion Energy Virginia is the only party qualified to perform work, or contract work to be performed on its behalf on the infrastructure.

Respectfully Submitted by:
