From Robert and Melanie Walker

This is in response to the request for a special use permit for 205 and 207 N. Shields Ave. (Joe's Inn).

We have lived in the Fan more than 20 years and have been regular patrons of Joe's Inn (at these addresses) all that time.

We live a half block away from Joe's.

Despite some parking issues, trash, traffic, the frequently blocked alleys and street for deliveries, and street noise, we consider Joe's a valued neighbor and have not minded living with the inconveniences. These have been good people doing good work.

This proposal, however, raises concerns on all these counts. It surely will increase demand for already severely limited parking nearby. (And Joe's sacrificed two prime spaces in front of the restaurant for a 'parklet' this spring.) More seating will mean more traffic in the streets and alleys and more noise with customers walking to and from the restaurant and enjoying themselves on the outdoor patio near many residences.

The location of the outdoor space, alongside narrow, busy alleys, also appears to be near Joe's substantial dumpster. We wonder if the dumpster would have to be moved, and if so, where to, to accommodate the addition.

We know living in the city requires give and take and we've been happy with our situation regarding Joe's.

We prefer that this situation not change. Please deny this request.

Thank you.

Robert and Melanie Walker

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard.

Sincerely,
Tonya Washington

Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Craig Anderson

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Melvin Banks

Dear Richmond City Council,

Although I am a resident of Chesterfield County, I know how much this casino would help the city if Richmond and the surrounding communities as far as jobs and minority businesses are concerned. I therefore stand for a member that eats and plays in Richmond.

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Thomas Haskins Jr

The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Terry Boakye

The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Dianne Johnson

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Melvin Banks

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
U~Landra Groves

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Howard Carn

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Robert H Stephens

Dear Richmond City Council,

This is very well written so I am ok with sending the prepared form letter. I am a strong proponent of a casino in Richmond as an economic engine and as an entertainment option. My research into the subject does not show significant negative impacts on the community.

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Ed lemon

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Felix Lawrence

Dear Richmond City Council,

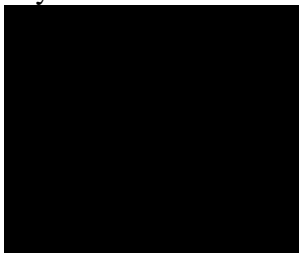

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Fulgencio Freeman

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve the Casino project and let Richmond voters have the final say in November. The city's casino selection panel got it wrong by not selecting a more experienced operator but we will see how the project goes. I would have preferred a more experienced casino operator with multiple years of developing a project of this magnitude.

I agree beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need in Southside.

Hopefull. ONE's workforce will be truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino this coming week, I sincerely urge you to say yes and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Neil Christian

Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Wanda Jackson

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Earl Dantzler

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Beverly King

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Joanne Riley

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Peter Engels

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Randall Coleman

Dear Richmond City Council,

We are writing today to say that we're in favor of Richmond having a gaming casino. While we would have preferred a 'national brand' - like Live!, we support the locally funded One Casino Resort as the city's preferred casino operator.

The One Resort appears to be a 'complete package'. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Ivy Hall

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Adrienne Harris

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Angela Taylor

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Elena Patino

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Charles Brown

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

I AM A MINORITY FEMALE DUBLED WAR VETERAN and I know this will employ veterans and allow for a sixial outside of the mental health services at the VA Hospital in town. And, for a Vwreran like me, I want to the first black female filmmaker and The ONE Project will help me with that. They will have film studios, tv stations etc. Hey, why NOT?

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
JoAnne Hall

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Stephen Simmons

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Donnell Evans

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Jean Vaughan

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Elaine Stephens

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
William WATT

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Reuben Spencer

The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Willie Graham

To Members of City Council and the Representative of Richmond 2nd District, Katherine Jordan,

My name is Alex Caligiuri and I live here in Richmond and over my time living in this city I have seen quite a few terrible ideas be put forward; the Coliseum which has sat empty for years, the mall which has been dead for more than a decade, the Navy Hill disaster, and now this casino.

Members of Richmond City Council, do not throw good money after bad. Do not continue this pattern of buying cheap solutions that fix nothing. Vote NO on Res. 2021-R034. **Furthermore, vote NO on ANY casino proposals anywhere within or near the city of Richmond.** Casinos only extract wealth, anyone who says that a casino will enrich the city is lying because in reality it is they who will be enriched.

Vote NO on [this](#) or [any](#) casino proposal!

Alex Caligiuri

Dear Richmond City Council,

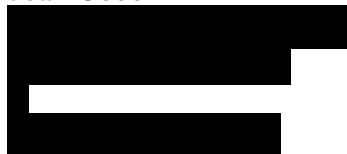

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Marie Stallings

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Darlene Christian

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Kasandra Brown

Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Patricia Everett

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Phillip Chidester

Dear Richmond City Council,

I am writing you today to let you know I strongly urge Richmond City Council to approve ONE Casino Resort as the city's preferred casino operator, and let Richmond voters have the final say in November. The city's casino selection panel got it right, because ONE is the right choice for all of Richmond.

It's the complete package and the right fit for our community. Beyond the hotel and casino, which will bring increased tourism, jobs and critically needed new tax revenue to Richmond for our schools and infrastructure, it has over 55 acres of green space for the entire community to enjoy, a great plan in place to give back to the Richmond community in places where we need it the most, and it will bring additional restaurants and entertainment options to Southside.

ONE has also lined up over 50 local investors, will put in place profit sharing with employees, and has detailed diversity and local hiring goals that will make ONE's workforce truly reflective of Richmond's vibrant and growing population.

As you make a final selection on a casino operator this coming week, I sincerely urge you to say yes to ONE and move this issue to the November ballot so all Richmonders will have their own opportunity to make their voices heard!

Sincerely,
Gloria Minor

Subject: written comment for City Council RES 2021-R034
Date: Monday, June 14, 2021 8:13:06 AM

CAUTION: This message is from an external sender - Do not open attachments or click links unless you recognize the sender's address and know the content is safe.

The negative impacts of gambling addiction and the fact that the majority of casino revenue comes from lower income individuals is well documented. Indeed, the Virginia General Assembly established the Problem Gambling Treatment and Support Fund when it passed the legislation to regulate casino gaming, mandating that 0.8% of casino gambling tax revenue would go to that fund. When a legislative body simultaneously passes legislation to protect against the harm created by another law, there is a problem. Creating the Treatment and Support Fund is also a clear statement of public policy: gambling addiction is a harm that society should work to prevent.

Of course, the City Council must balance the harms of gambling addiction with the purported benefits of casino revenue in voting on RES 2021-R034: namely, jobs and economic development. Forget for a moment that the allure of casino revenue has ultimately resulted in struggling casino monoliths in cities from Atlantic City to Niagara Falls. Forget for a moment that the construction jobs will be temporary. How has the promise of jobs come true in other cities?

- In Niagara Falls, Casino Niagara opened to fanfare about bringing full-time jobs to the community. However, one article, "The House Advantage: Organizing Niagara's Casinos," indicates that the initial full-time jobs transitioned to seasonal work and part-time jobs and that Niagara had the second highest unemployment rate in the country.

- A casino in Charles Town, WV announced 540 layoffs in January 2020.

- A 2006 article by Bloomberg about the "casino-driven boom and bust" cycle across the country reported that while casinos may cause an initial surge in jobs, the eventual casino closure comes with an attendant decline in jobs. For example, in Tunica County, Mississippi, a new casino initially dropped the county's unemployment rate to 4 percent. However, only 2.5% of casino revenues went to social programs, and when the casino closed in 2014, the unemployment rate surged to 12.3%.

Statistics like this abound. The City Council should vote No on this resolution and prioritize a public policy that looks towards certain long-term employment opportunities rather than a casino that's only certainty is gambling addiction and exploitation of the poor.

Subject: Written comment on RES 2021-RO32 (June 14, 2021 Council agenda)
Date: Monday, June 14, 2021 8:13:59 AM

CAUTION: This message is from an external sender - Do not open attachments or click links unless you recognize the sender's address and know the content is safe.

Good morning,

I am writing to submit public comment on RES. 2021-RO32, the Equity Agenda resolution co-sponsored by the Mayor and Councilwoman Lynch, which is on the agenda for this evening's Council meeting:

As a member of the civic organization Richmond Together, as a former member of the Mayor's Anti-Poverty Commission, and as a former City staff member and first director of the Office of Community Wealth Building, I write in enthusiastic support of Council's adoption of this resolution. The Equity Agenda outlines a number of specific action steps important to redressing the long and continuing legacy of racism in Richmond, and has the potential to be an important tool in driving change.

I would also like to express my hope and expectation that this document will continue to evolve to include specific financial commitments in support of action steps and detailed timelines and metrics for progress. It is also important to be even more explicit about the economic components of an equity agenda. Council should reaffirm the goal established by the Office of Community Wealth Building of cutting child poverty in the City at least 50% by 2030, and the Equity Agenda must also explicitly embrace bold wealth building initiatives such as social enterprise, support for Black and Latino-owned businesses (including in contracting with local anchor institutions), support for first-time homeowners, and Child Trust Funds allowing all children to accumulate wealth.

The City of Richmond has a historic opportunity through use of ARP funds, the economic growth that is projected in the city in the next several years, and additional support from the Commonwealth of Virginia to address not just the symptoms but the root causes of poverty and racial inequity. Policy must ensure that those who have been left out not only have access to good jobs but to ownership opportunities, and that all city residents regardless of initial background have a path to accumulating wealth. It is my hope that the administration and Council can in the next several months come together to develop a coordinated strategic plan to address these goals utilizing all available levers--local, state, federal--over the remainder of this Council term, in a manner consistent with and informed by the Equity Agenda as well as previous work to develop wealth building strategies in Richmond. .

Sincerely,

Thad Williamson, Ph.D.

Council members and Staff,

Casinos are pitched as economic panaceas and offer lofty statements of "goals" for jobs and community revitalization but the same things were said about Rosie's on Midlothian Tnpk and the promised revitalization has not come.

Studies show casinos offer short-term economic benefits and long-term costs.

-Modern day slot machines are designed to addict;

-Loyalty programs profile, track, and lure;

-With five casino cities, a racetrack, four Off-track Betting parlors, and Rosie's gaming emporiums across the state, **Market Saturation** is a threat to any casino here in Rva.

-There is no **Exit Strategy** in the proposal that protects rva communities should One casino decide to leave for more fertile ground.

I urge Council to vote down the referendum so we can focus on more pressing city issues like Creighton Court displacement, Support services for the Unsheltered, and Gun Violence Prevention.

Thank you,
Debbie Rowe

Greetings,

First off, I hope all are safe, sane and healthy out there ... and thank you for the listening.

The fact that the casino project has gotten this far is disheartening and a slap in the face to the citizenry. The last thing Richmond needs or wants, amidst our "boom", is another outside conglomerate coming in to take whatever they can from our hard work. I made my home in Richmond a long, long time ago for many, many, many reasons.

It'll only take one for my family and I to pack up and leave. And this is it.

I live here and raised my daughter here because of the richness of RVA. The richness of the people, the change that needed to happen, is happening and can happen even more, the culture, the river, the location, the arts, the opportunities ... I didn't move here for a cheap set of steak knives and empty promises.

A long, long time ago I was traveling with my daughter and we stopped at a casino to spend a few hours because they are cheap to stay and we could get something to eat. And, not surprisingly, it was the only rigged game in town ... because that's what casinos do. Bleed cities dry ... As soon as we walked in, my daughter asks:

"Do all casinos smell of pee and beer?"

Yes, yes they do. And worse.

My father was a compulsive gambler and I have seen and experienced the horror and devastation gambling can bring. And I have seen, close-up, the tacky faux, gilded circus that every city becomes once the cancer of a casino comes to town to suck it dry.

I love RVA. My family loves RVA. This is easily the best town I have ever lived in ... and I have moved around quite a bit. I am very happy, and proud, to call Richmond home.

Please don't make us look for another one. And trust me: I'm not alone.

Look around: there is a reason you see "no casino" signs in every neighborhood. The people—the citizens—of Richmond don't want this

Thanks much for listening and I hope you move in the proper direction, the direction that is best for RVA and its people.

Please take care and stay healthy,

Kevin McFadin

I live on this block about 30' away from this lot
Quite a few reasons I think that project is not right right for the area

- There are too many vacant retail spaces in the area now
 - construction noise
 - parking concerns
 - Apartment buildings generally drive down home values
 - The lot just too small to fit all proposed
 - Increased foot traffic by my house
- i cannot stress enough how 12 apartments and retail is just too much for this tiny lot, there is not nearly enough on site parking for this building

I ask that you please consider how this construction will negatively impact the people that already live on this block

Richmond City Council Members,
It is a tragedy that Richmond Public schools has a drop out rate of 65% among Latinos. I urge city Council members to see how best they can adequately provide the necessary resources to the schools and public services Richmond citizens deserve.

Hello City Council members,

I am a resident of the 3rd district and I am writing to share my desire that we not bring a casino to our city. Study after study shows that casinos drain communities. I wholeheartedly support the goal to bring jobs and revenue to Richmond. Sadly, outside of a few examples casinos and their developers do not make good on the promises they make to localities. Before they crash and burn they bring new addictions and despair to city. We all deserve better.
