ORDINANCE/RESOLUTION SUMMARY

To amend City Code § 9-58, which assigns polling places in the city, to relocate the polling place for Precinct 603.

BACKGROUND

This O&R requests that City Code § 9-58 be amended to relocate the polling place for Precinct 603.

The current polling place for precinct 603 – Fire Engine House located at 2614 First Avenue and the proposed new location is at Overby Sheppard Elementary School, which is located at 2300 First Avenue. Due to population growth, the Fire Engine House is too small of a location to accommodate the uptick in voters. Overby Sheppard Elementary School is in a larger building providing greater accessibility and ease of access for voters.

This ordinance requests to relocate the polling places for Precinct 603 909 to Overby Sheppard Elementary, 2300 First Avenue. The Office of the General Registrar will provide notice of the changes to all voters by mail. This change is not expected to have any fiscal impact; therefore, no budget amendment is requested at this time. It is anticipated that this notice will be mailed to all voters in August. Section 24.2-306 of the Code of Virginia prohibits changes to polling places within 60 days of a general election. As such, this ordinance must be adopted by July 22, 2024. Notice of this proposed change must be published prior to enactment once a week for two successive weeks before adoption.

The requested introduction date is April 22, 2024.
