

Dreams4RPS Goal 2: Graduation

Update for the Richmond City School Board

Presented by: Tracy Epp, Chief Academic Officer

Venue: Richmond City School Board Meeting

Date: March 1, 2020

Dreams4RPS Goal 2: Graduation

Dreams4RPS, the RPS strategic plan, outlines 10 key goals for the next five years.

1	ACREDITATION Achieve 100% full accreditation.
2	GRADUATION Increase the graduation rate as well as the percentage of graduates attending a 4-year or 2-year college, entering the workforce in a living wage job, or participating in national service – overall and for each subgroup (race, economic status, IEP status, and ELL status).
3	ACADEMICS Increase the proficiency and advanced rates in reading, writing, math, science, and social studies – overall and for each subgroup.
4	TEACHER RETENTION Increase teacher retention – overall and for each subgroup.
5	EQUITY Decrease the gaps in proficiency and advanced rates – by race, economic status, ELL status, and IEP status.
6	SATISFACTION Increase student satisfaction (for example, with school culture, building cleanliness, and engagement level of classes); family satisfaction (for example, with school safety, academic rigor, and timeliness of transportation); and staff satisfaction (for example, with level of support, freedom to offer feedback, and availability of resources) – overall and for each subgroup.
7	ENROLLMENT Increase student enrollment – overall and for each subgroup.
8	ATTENDANCE Decrease chronic absenteeism – overall and for each subgroup.
9	RESTORATIVE JUSTICE Decrease suspensions – overall and for each subgroup.
10	FUNDING Increase funding from local, state, federal, and philanthropic sources.

3-Part Graduation Strategy

Seniors

- Tracking each school's 2021 senior cohort across all graduation requirements
- Monitoring each senior's progress to on-time graduation
- Identifying and implementing individual student supports as well as school/division supports

Dropout Recovery

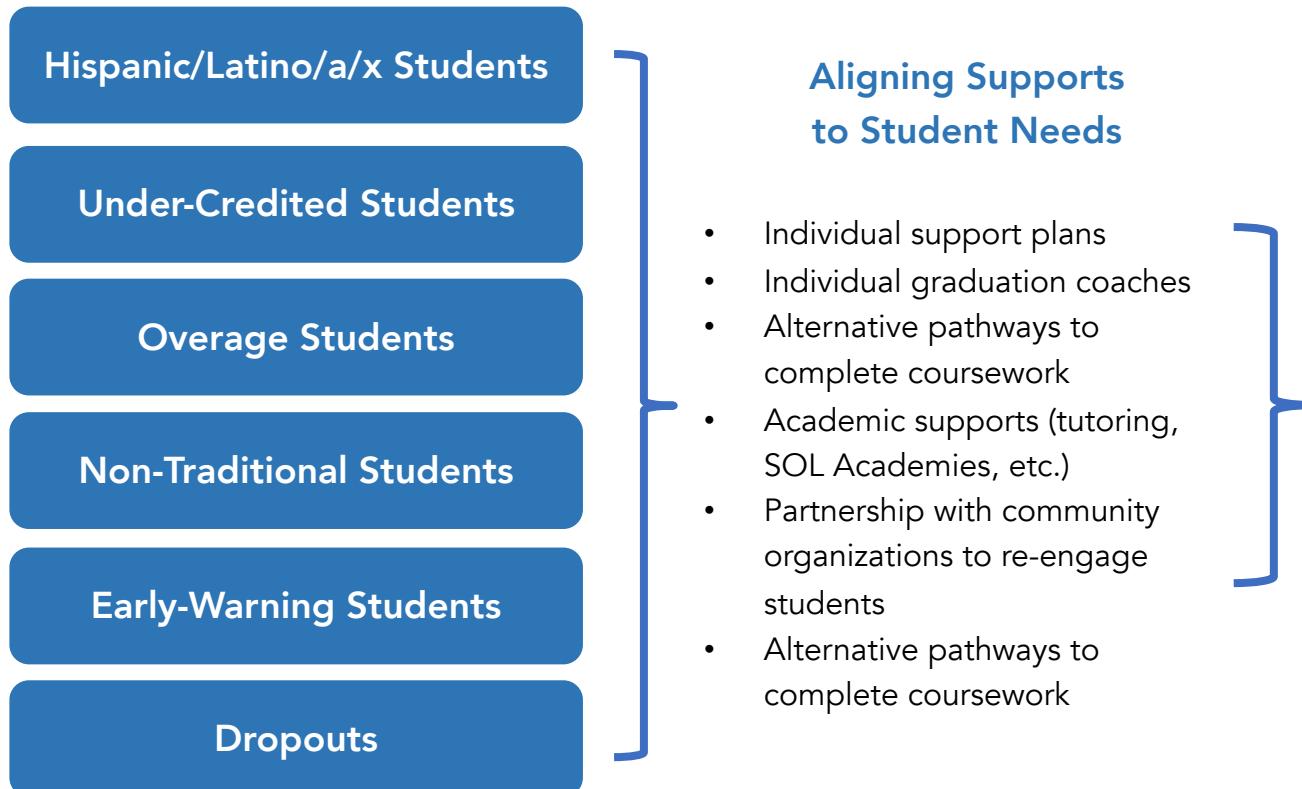

- Identifying students who have dropped out
- Working with them on a case-by-case basis to determine which RPS alternative pathway would best meet their needs
- Expanding our alternative pathways to meet the needs of more non-traditional students

Dropout Prevention

- Developing an RPS "early warning" system to identify students at-risk of not completing high school
- Providing timely supports aligned to students' individual needs
- Rigorously monitoring next steps to ensure implementation

Priority “Watchlists”

We review the data for these groups on a biweekly basis with our high school leadership teams.

Alternative Pathways to Graduation

Over the past year, we have developed additional alternative pathways for students who require a non-traditional high school experience in order to graduate. We also have plans to streamline some of our existing programs and expand those that are working well to reach even more students.

Existing

- Personalized Learning Center (PLC) – 12 students currently enrolled
- Aspire – 14 students currently enrolled
- ISAEP – 27 students currently enrolled

New

- Secondary Success Center – 73 students currently enrolled
- Bilingual Newcomer's Academy – 130 students currently enrolled
- Con Ganas – 81 students currently enrolled

Planned

- Expansion of existing programs to serve more students, and provide services to select middle school students
- Integrating Aspire & PLC into one program
- Launch RPS@Night

New Program for Dropout Recovery: **Secondary Success Center**

The **Secondary Success Center** is open to all Richmond City residents, ages 17-21, who previously dropped out of an RPS high school. The program is specifically designed to meet the unique needs of adult learners and to make participation as convenient as possible. Through flexible academic programming and scheduling, students attend evening courses on timeline that works best for them. The program also includes individualized academic counseling, post-secondary and career exploration, and wraparound supports. **Seventy-three students are currently enrolled in the Secondary Success Center.**

The screenshot shows a news article from NBC 12 On Your Side. The top navigation bar includes a menu icon, the NBC 12 logo, and links for WATCH LIVE, NEWS, DECISION 2020, ELECTION RESULTS, and WEATHER. Below the navigation, the word "EDUCATION" is written in capital letters. The main headline reads "RPS launches Secondary Success Center". Below the headline is a photograph of a classroom with rows of wooden desks and chairs. A caption at the bottom of the image states: "The centers are open to all Richmond City residents from ages 17-21, who dropped out of an RPS high school. (Source: WBTV)". At the bottom of the news article, there is a small Twitter icon, the author's name "Adrianna Hargrove", the publication date "January 31, 2020 at 11:35 AM EST - Updated February 1 at 8:24 AM", and a brief description: "RICHMOND, Va. (WWBT) - Richmond Public Schools announced the launch of its Secondary Success Center."

New Program for English Learners: ¡Con Ganas!

¡Con Ganas, Richmond!

¡Con Ganas! es un programa durante todo el año, diseñado para estudiantes EL en el que las clases diurnas tradicionales no satisfacen las necesidades educativas debido a necesidades laborales, necesidades de cuidado infantil, circunstancias con exceso de edad y pocos créditos, y otras circunstancias personales urgentes. Hay 4 caminos para elegir:

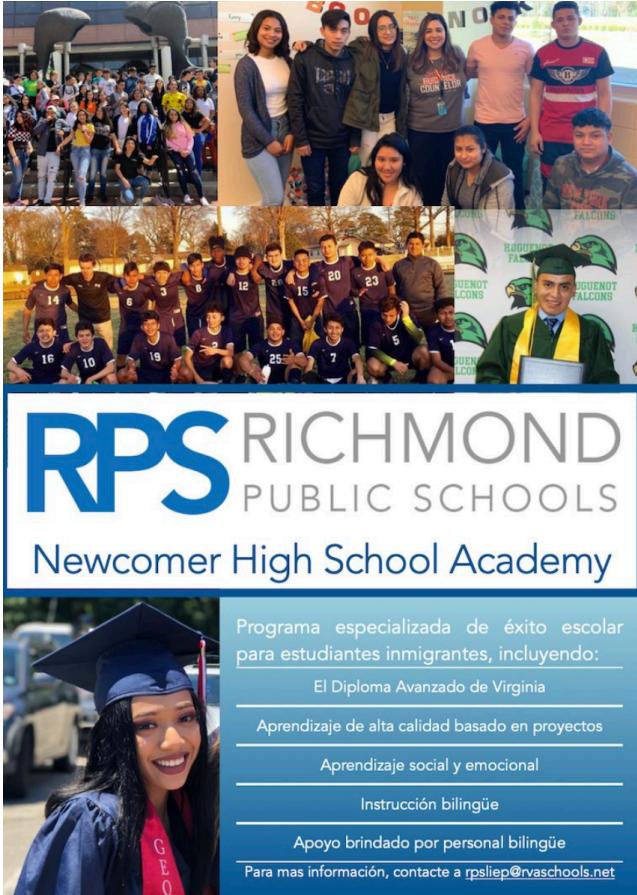

1	2	3	4
CTE: EDUCACION COOPERATIVA La educación cooperativa es una experiencia que conecta instrucción CTE con una experiencia laboral, y directamente relacionada con los intereses, habilidades y objetivos del estudiante.	CTE: APRENDICES Se inscriben en clases de CTE para cumplir con los requisitos de graduación y recibir una introducción técnica relacionada con la ocupación específica. El empleador participante proporciona supervisión como un mentor calificado.	CTE: EMPRENDIMIENTO Durante una experiencia empresarial, el estudiante planifica, implementa, opera y asume riesgos financieros en un negocio que produce bienes o presta servicios.	CTE: EMPRESA BASADA EN ESCUELA Una operación empresarial administrada por estudiantes dentro del entorno escolar. Proporciona bienes o servicios que satisfacen las necesidades de los mercados de la escuela.

Para mas información, contacte a RPSLIEP@rvschools.net

Programa Educativo de Instrucción de Inglés

¡Con Ganas!, which means “With Determination” in Spanish, is a specialized program for English Learners who are 17 or older. It provides intensive language and academic support to help students graduate in three years or less. The program provides students with flexible scheduling as well as evening courses focused on critical academic vocabulary. **Eighty-one students are currently enrolled in ¡Con Ganas!**

New Program for English Learners: **Newcomer Academy**

The **Newcomer Academy** is for newly arrived, immigrant English Learner students, ages 14-17, who have been in the country for up to one year. Through project-based, bilingual instruction, newcomer ELs receive instruction that helps them acquire English language skills at an accelerated rate, improve literacy in their native language, and ultimately graduate with an "Advanced" diploma. Students in the Newcomer Academy also receive wrap-around services, scheduling support from a bilingual school counselor, college and career support from the bilingual Newcomer Academy coordinator, and specialized outreach from bilingual parent liaisons. **One hundred thirty 9th and 10th graders are currently enrolled in the Newcomer Academy.**

Projected Dropout Rate by School

RPS@Home Coursework from Spring of 2020

When schools closed last spring, the VDOE issued guidance requiring divisions to ensure students learned the remaining content. To meet this requirement at the high school level, RPS outlined the following process:

- Students earned course credit by completing a short Edgenuity module (for most core content classes) OR a series of assignments designed by lead teachers (for most elective/CTE courses).
- Upon successful completion of the coursework (module or assignments), students received course credit.
- Per state guidelines, students who completed a course associated with a verified credit automatically earned the verified credit without taking the SOL.
- Students who did not complete the coursework (module or assignments) for a course last spring received an Incomplete (I) on their transcripts. That notation is removed once the coursework (module or assignments) is complete.
- Students have had nearly a year to complete their coursework (modules or assignments). The deadline is March 15, 2021.
- If a student fails to complete their coursework (modules or assignments) by the deadline, one of two things will occur:
 - If they were passing the class at the time of the March 2020 closure, they will receive a 10-point reduction in their final grade (no lower than a D) but also receive credit.
 - If they were failing the class at the time of the March 2020 closure, they will receive an F. These students will be invited to a summer credit recovery program for one final opportunity to earn the course credit.

RPS@Home Coursework from Spring of 2020

Below are the number of courses – not students – that current seniors still need to complete (using the Edgenuity modules or assignments) to earn credit. Note that some of these courses are electives that do not count towards graduation.

School	Number
Armstrong	148
Franklin Military	1
George Wythe	302
Huguenot	56

Appendix

How do we measure the graduation rate?

We use the VDOE On-Time Graduation Rate (OGR). To calculate this measure, the VDOE first calculates the number of first-time 9th grade students in a given cohort year (the denominator). Four years later, the VDOE calculates the number of these students who earned a diploma to determine the number of students who graduated on-time in four years (the numerator). Then, they subtract from the denominator any students who transferred out of the division over the four years and add any students who transferred into the division over the four years.

$$\frac{\text{On - Time Diploma Graduates in Year X}}{[(\# \text{ of 1st time entering 9th graders in Year X} - 4) + (\text{Transfers In}) - (\text{Transfers Out})]}$$

Notes

- The measure adjusts for student groups who, in accordance with federal/state law, may take longer than four years to earn a diploma.
- Students earning a GED or a Certificate of Completion are not counted as graduates when calculating the graduation rate.
