Uptown Association

RE: Presentation of a development plan for lots associated with 2200 West Cary St.

To Whom it may concern,

The Uptown Association's regular November meeting was conducted on November 13th at 1323 West Main Street. Having a quorum present, the board voted to support in whole the development as presented by Mr. Sam Daniel and his representative, for the corner property at the intersection of West Cary St and South Shields Ave. at the address of 2200 West Cary St.

Without exception our board was excited to hear the details of what we believe to be a quality project, and a welcomed addition to our neighborhood. Well designed and well built, market rate homes, that fit in and enhance current the neighborhood, is good news indeed for Uptown.
