TITLE Establishing a City Wide Maximum Speed Limit of 35 mph

This is a request for the drafting of an **Ordinance** **Resolution**

REQUESTING COUNCILMEMBER/PATRON

SUGGESTED STANDING COMMITTEE

LUHT

ORDINANCE/RESOLUTION SUMMARY

The patron requests that legislation be drafted for Council’s consideration establishing a maximum speed limit of the 35 mph throughout the City, where legally permissible, effective 90 days from the date of passage of the proposed limit.

Note: This proposal does not seek to increase limits where it is already lower than 35 mph or regulate those roadways that are controlled by State and federal laws governing speed limits that are within the City limits.

BACKGROUND

The patron hopes to prevent speeding, collisions, and lessen the severity of accidents and collisions that might occur on the City’s roadways with a lower speed limit throughout the jurisdiction. Various residents and businesses, in different parts of the City, have petitioned their Council Members and the City’s Administration to address speeding concerns after a number of auto crashes and increased incidents of speeding - some of which have included fatalities and costly property damage. Generally, these petitions have led to piece-meal
