Hello Alyson,

Here are my comments regarding the housing project at 220 N 20th St.

Comments against development

1. Congestion in the area. Cramming five units in small space.
2. Parking issues. Parking is already a problem in neighborhood and this will make it worse.
3. Increased traffic issues and noise in the area (especially on Broad Street)
- 4.Reduction of open spaces in the neighbors. Less green space and trees. This debases living conditions in the neighborhood
- 5.impacts the privacy and views of us neighbors.

My main issue is that the project bring congestion, strain already poor services, and change the neighborhoods historic appearance.
