I am deeply passionate about Affordable Housing and Housing Justice in the Greater Richmond area. Initially, I was sceptical and leery of the impact and direction of the Maggie Walker Community Land Trust. Over the past few months, I have come to learn that the Maggie Walker Community Land Trust Home Ownership Programs are thoughtful, beneficial and impactful and I believe these programs can make a significant impact on fostering the Affordable Housing stock in the Richmond area. I have also witnessed the amount of thoughtful debate and analysis exhibited by Community Advisory Panel pertaining to the properties held by the Land Trust. Community Advisory Panel meetings have assured me that developing, preserving and fostering the Affordable Housing stock in Richmond lives at the heart of their primary mission. It would be an honour and my pleasure to assist the organization find success in any way that I can.

I want to be able to add the information I have to the committee in hopes we can help as many people as possible.

I am currently in VCU's Master of Environmental Science program with plans to graduate in December. Prior to enrolling at VCU, I earned my bachelor's degree in Government and Spanish and master's degree in Public Policy from the University of Virginia (2013 and 2014). This educational background makes me well suited to join the Clean City Commission as the 5th District's citizen volunteer representative. Additionally, I have been working with the city's Office of Sustainability for the past year as they prepare the RVAgreen 2050 plan. Exposure to this planning process has given me more insight into municipal operations and, specifically, how the city plans to tackle waste reduction and recovery. This perspective will be a valuable asset to the CCC.
