Dear Ms. Markham,

I am the owner of Railroad YMCA, a mixed use development in Shockoe Bottom home to Old City Bar, David Napier's White House Catering, Rosie O'Connolly's Irish Pub, and 30 luxury apartments. Railroad Y is an historic building nestled between the Farmer's Market and Main Street Station.

I wish to express my support of the proposed Ordinance 2015-113, which seeks the removal of a proffer from the original rezoning of the property in 2006. I am to understand that there is no further need for the proffer and that the conditions the proffer imposed have all been met. I am in support of this amendment and encourage you to support the removal of this proffer as well and espouse your support to the members of Richmond City Council.

Thank you,

Susan Ould
