ORDINANCE/RESOLUTION SUMMARY

To repeal City Code § 26.3, concerning application of payments and to amend ch. 26, art. I, of the City Code by adding therein a new section numbered 26-3.1, concerning application of payments, all for the purpose of clarifying the application of tax payments.

BACKGROUND

This request is to amend City Code to apply payments to the current month, rather than the most delinquent account.

Va. Code 58.1-3913 requires the Director of Finance to credit payments to the most delinquent local account still within the statute of limitations “unless otherwise provided by ordinance of the governing body.” Finance has been following State Code in their application of payments. However, this language allows the City of Richmond to update City Code 26-3 to provide for payments to be applied to the current month.

This ordinance repeals City Code § 26.3, concerning application of payments and to amend ch. 26, art. I, of the City Code by adding therein a new section numbered 26-3.1, concerning application of payments, all for the purpose of clarifying the application of tax payments. The requested introduction and expedited date for consideration is January 22, 2024.
