BOARD OF ZONING APPEALS PRESENTATION SUGGESTIONS

CITY OF RICHMOND, VIRGINIA

When presenting your request for a variance or exception to the Board of Zoning Appeals, it is important that you consider the points outlined below. The City Charter requires that every decision of the Board must be based upon a finding of fact that the Board must determine from sworn testimony, together with pertinent evidence, presented at its public hearing. It is essential that the Board receive thorough and complete information in order for it to adequately consider your case and make an informed decision.

1. The powers and duties of the Board of Zoning Appeals (BZA) are specified in Section 17.20 of the City Charter and Article X, Division 5, of the Zoning Ordinance. The Zoning Office will assist you in identifying how your case should be filed. If you have questions regarding your case filing, please contact the Zoning Administration Office (804-646-6340) or at PDRZoningAdministration@Richmondgov.com. Please review the applicable provisions of the City Charter or the Zoning Ordinance thoroughly and address them when presenting your case to the Board to show that the applicable requirements have been satisfied.
2. The Board of Zoning Appeals is a quasi-judicial board whose decisions are controlled by statutory law and also take into consideration applicable case law that has been handed down by the Richmond Circuit Court and the Virginia Supreme Court. The Board suggests that if you have any legal questions regarding statutory or case law as it may apply to your application, that those legal issues should be discussed with an attorney before you make your final decision to submit an application to the Board.
3. The Board considers it essential that you discuss your case with nearby residents (notification letters are sent to all property owners within a 150-foot radius of your property) and any nearby civic association(s). Information regarding your neighborhood association(s) and/or contact person(s) may be obtained [here](#). Once on the page, you can search for your property using the interactive map. A dialogue box will provide you with the names of all civic groups within which your property may lie. Once you have those group names, scroll down the page to the appropriate group(s) to find the contact information for each.

Be advised that if you fail to discuss your request with your neighbors and neighborhood association(s), you should anticipate that your case will be continued until the Board's next regularly scheduled meeting. It is highly recommended that you contact your neighborhood association as soon as possible to determine their meeting schedule in order to be sure you allow yourself enough time to talk to all concerned parties prior to the hearing before the Board. The Board's Rules of Procedure require payment of a one-hundred fifty dollar (\$150) continuance fee if the applicant must request a continuance for the reason that the applicant failed to discuss their case with their neighbor(s) or neighborhood association(s).

4. You are also strongly encouraged to discuss your pending case with the Secretary of the Board, Roy Benbow at (804) 240-2124 well before the hearing. The BZA Secretary can be helpful by explaining the BZA public hearing requirements and process.
5. Utilizing photographs, plans, maps, diagrams and such other written or graphic evidence as needed to fully explain your request can be a great help to the Board in understanding your request and thereby improve your chances for success. Remember . . . a picture is worth a thousand words.
6. Note that, although the Board is not authorized to grant a waiver from the zoning regulations based on financial circumstances alone, it may be a factor to be taken into consideration along with other facts in a case. If your case involves such a factor, please provide the Board with complete and relevant financial information for its review.
7. The Board's hearings are informal, although all testimony is taken under oath. You are not required to be represented by an attorney in presenting your case. However, if you choose, you may have legal representation and/or may utilize such technical experts or other persons to testify on your behalf as you feel are needed to adequately explain your request to the Board.

PLANNING AND DEVELOPMENT REVIEW
ZONING ADMINISTRATION

July 29, 2021

Baker Development Resources
1519 Summit Avenue, Suite 102
Richmond, Virginia 23230

Attn: Mark Baker

RE: **415 North Arthur Ashe Boulevard (W00-1206/020) and 425 North Arthur Ashe Boulevard (W000-1206-025)**

Dear Mr. Baker:

In response to your request for a Letter of Zoning Confirmation, as of the date of this letter, please be advised of the following:

415 North Arthur Ashe Boulevard (W00-1206/020)

- (a) The above referenced Property is zoned R-48 (Multi-family Residential District) and is subject to the restrictions generally applicable to that classification which are contained in the City of Richmond Zoning Ordinance. Additionally the subject property is within the Boulevard City Old and Historic District. According to the City Assessor's records, the subject property has a road frontage of fifty-four feet (54') along North Arthur Ashe Boulevard, and a lot depth of one hundred fifty feet (150'), which results in a lot area of 8,100 square feet. The property is currently improved with a surface parking area primarily serving the medical office use located at 425 North Arthur Ashe Boulevard and under common ownership with the above reference property.
- (b) The R-48 district permits principal uses such as single-family, two-family, and multi-family dwelling uses by-right. The off-street parking requirement for a single-family, two-family, or multi-family dwelling with only one (1) main building on a lot of record is one (1) parking space per dwelling unit.
- (c) This office can find no record of any required parking leases existing related to the premises. However because the two properties (415 & 425 North Arthur Ashe Blvd.) are under common ownership no formal leases would have been required for parking for 425 North Arthur Ashe Boulevard to be provided at 415 North Arthur Ashe Boulevard. Multiple approvals including the most recent Certificate of Zoning Compliance (CZC) (Z11122801) related to the use of 425 North Arthur Ashe Boulevard require that at least sixteen (16) spaces for the use at 425 North Arthur Ashe Boulevard be provided at 415 North Arthur Ashe Boulevard.
- (d) As proposed, your intent is to determine whether the property could be redeveloped subject to the R-48 district regulations while providing three (3) off-street parking spaces within an easement as shown on the site plan provided with the Zoning Confirmation Letter request, serving the use located at 425 North Arthur Ashe Boulevard. The existing use of the property as a stand-alone parking area is currently nonconforming. Based on the nonconforming use regulations (Sec. 30-800) continuing to provide three (3) off street parking spaces within an easement serving the use located at 425 North Arthur Ashe Boulevard would be permitted and redeveloping the remaining portion of the property according to the R-48 district

regulations would also be permitted as a matter of right without the necessity for special approvals.

425 North Arthur Ashe Boulevard (W000-1206-025)

- (a) The above referenced Property is zoned R-48 (Multi-family Residential District) and is subject to the restrictions generally applicable to that classification which are contained in the City of Richmond Zoning Ordinance. Additionally the subject property is within the Boulevard City Old and Historic District. According to the City Assessor's records, the subject property has a road frontage of forty-five feet (45') along North Arthur Ashe Boulevard, and a lot depth of one hundred fifty feet (150'), which results in a lot area of 6,750 square feet. The property is currently improved with a three-story medical office building constructed circa 1910 and containing 5,524 square feet of finished living space and a 2,310 square foot basement. It was also noted on the most recent CZC that four (4) parking spaces were being provided on-site for the medical office use. The rest of the parking for the medical office use is provided at 415 North Arthur Ashe Boulevard and there are no nonconforming or "grandfathered" parking spaces associated with the property.
- (b) As proposed, your intent is to determine whether the existing medical office could be converted into a multi-family dwelling containing seven (7) dwelling units. Included in the conversion proposal was the ability to provide of four (4) parking spaces on-site and three (3) parking spaces located off-site at 415 North Arthur Ashe Boulevard to serve the seven (7) dwelling units at 425 North Arthur Ashe Boulevard. Based on the nonconforming use regulations (Sec. 30-800.3), the conversion of the nonconforming medical to a multi-family dwelling containing seven (7) dwelling units would be permitted as a matter of right without the necessity for special approvals provided that the medical office use has not been discontinued for a period of two years or longer and the off-street parking requirement was met.

Without a more specific proposal this office is unable to confirm or refute compliance with applicable zoning requirements pertaining to potential changes/development of the two subject properties. Upon submittal of specific development plans, including detailed floor plans, for any proposed use(s), this office will evaluate for conformance with all zoning requirements in effect at that time.

Please be advised that this office does not issue opinions with respect to compliance with building codes, fire code or other health and safety regulations that may pertain to this property. For building code questions, contact the City of Richmond Permits and Inspections office at 804-646-4169. For fire and safety questions, contact Fire and Emergency Services at 804-646-2500.

You are hereby advised that you have thirty (30) days from this notice in which to appeal this decision to the Board of Zoning Appeals, in accordance with §15.2-2311 of the Code of Virginia and §17.19 of the Richmond City Charter, or this decision shall be final and unappealable. Such appeal must be in writing and must be filed with the Secretary to the Board of Zoning Appeals. Said appeal shall indicate in specific terms the grounds for the appeal and must be accompanied by a filing fee of two hundred and fifty dollars (\$250.00).

I hope this information is sufficient. If you have additional questions, please contact Josh Young by E-mail at: joshua.young@richmondgov.com or by telephone at: (804) 646-6923.

Sincerely,

William C. Davidson
