Dear Rev. Holder,

Thank you for your letter which details your collaboration with the The Next Move Program. Chris and I are eagerly awaiting the opening of Tablespoons Bakery. This endeavor will enhance our already vibrant neighborhood in ways we cannot yet imagine. Your commitment to young adults with special abilities is to be commended particularly during these troubling times. Please count on us for our full support . Let us know if there are other ways we can help. Thank you for all you do.

Sincerely,
Sheryl Owen

Jim,
Thank you so much for your words of support. As I mentioned in the letter, we are very fortunate to have such kind and supportive neighbors! We are excited about all that is about to happen. When we complete the renovation, we will invite the neighborhood to come in and take a look. It is going to be fantastic, and we hope it will add to the appeal of the neighborhood.
Have a wonderful Thanksgiving!
Blessings,
Donna

Reverend Holder,

I received the letter from you about the Next Move Program and the special use permit. As one of the closest neighbors to the property we are really excited about this opportunity and the use of the property.

We have no issues with your plans and concepts for the future concerning the use of the property.

I was sorry that I was not able to attend the bake off that was held a couple of weeks ago. I understand the event went well.

Thank you for taking the time and effort to alert us to the planned changes.
Best of luck with the city and the project!

Aaron,

Not sure if you want this, but I tried to "snip" the comments from the facebook discussion. We have also received donations toward the kitchen renovation from a number of neighbors who are not members of the church.

Thanks,

Donna

There are several of these up at the Methodist Church on corner of Westover Hills Blvd and King William - anyone know what's going on? Thought I may get more info here than calling the number 😊
