Lory,
Richmond Affordable Housing (RAH) fully supports the closing the alley within the block bounded by T St., N 27th St., O St., and 26th St. Better Housing Coalition and its affiliate RAH has been a partner with the City of Richmond, Project: homes, Southside CDC, and Richmond Redevelopment Authority to redevelop these blocks with nearly 30 new single family homes. This type of concentrated development using private and public funding has contributed to the revitalization of Church Hill.

Thx
