By Resolution No. 99-R46-80, adopted March 22, 1999, the Council increased the number of commissioners from five to seven as authorized by section 36-11 of the Code of Virginia (1950). Resolution No. 2010-R140-162, adopted October 25, 2010, increased the number of commissioners from seven to nine with the addition of a Council-appointed seat and an additional tenant representative seat.

Dear Mr. Rawles:

This letter further supports my request to continue serving on the Richmond Redevelopment and Housing Authority's (RRHA) and the Richmond Tenant Organization (RTO). Due to my efforts, RRHA has established a partnership with the RTO leadership, which includes having regular meetings with the Chief Executive Officer (CEO) and the RRHA Executive Team. These meetings are held to review major concerns of the residents not resolved in the RTO's Executive Committee Meetings. Topics consist of reviewing (1) updates on demolition/disposition of public housing, (2) issues involving the agency plan and tenant lease, (3) procedures for processing rent payments and handling budgets, etc. These meetings have been very productive and have enhanced the relationship between both parties. During my tenure as resident commissioner, we had a successful planning session, which resulted in RRHA and the RTO touring revitalized public housing properties in Alexandria and Washington. I personally encouraged RTO officers to attend. I received positive feedback from those who attended. They were encouraged that demolition and disposition of units were not all bad if RRHA could produce something similar to what we saw. The mixed use units did not look like public housing. We could not determine which units were public housing and which were not.

As of today, RRHA is moving towards revitalization of public housing and I am continuing my efforts to maintain a strong line of communication between all parties. I am working diligently to keep residents informed of future changes to public housing and to advocate for the needs of the residents.

Dear Mr. Rawles:

We would like to recommend Ms. Marilyn Olds for reappointment to her position as Resident Commissioner with your organization. Ms. Olds has been in her position since 2004. She has consistently demonstrated an exceptional ability toward strong leadership as the vital link between the Richmond Redevelopment Housing Authority (RRHA) and the residents living within the public housing units. She is keenly aware of the current transitional issues that are associated with public housing due to the changes in the Department of Housing and Urban Development's (HUD) rules and regulations and she is strongly dedicated to educating the residents and keeping them informed about these changes.

As President of the Richmond Tenants Association (RTO) she is an ethical leader who leads by her example as well as by her word. Her visionary goal for betterment of the living conditions of public housing residents is evidenced in her faithful commitment to bringing the concerns of the residents to the corporate tables of those in powerful positions who are able to rectify their distress. We hold Ms. Olds in the highest illumination of respect and we know that her reappointment will be beneficial to your organization as well as to the families and seniors who reside in RRHA's residential public housing units.
